EVEULATE POSSIBLE LOCATIONS FOR PINE HILLS NORTH SHELTER

The Parks & Recreation Commission members met on site at Pine Hills North to evaluate potential locations for the proposed shelter. After walking the site, the consensus of the group was a location just north of the south parking lot. This space would allow it to have plenty of space around it for things such as yard games and possibly food trucks. Commissioner Stenzel stated that he sees many events where people are having food trucks come in for it, so planning space for that would be a good idea.

ADJOURNMENT OF WORKSHOP MEETING

Motion by Stenzel, seconded by Lindahl, to adjourn the workshop meeting at 7:00 p.m. Motion carried on a 7-ayes, 0-nays, 0-absent vote.

Respectfully Submitted,

Jason Baumunk
Parks & Streets Operations Manager
