### REVENUE AND FINANCE

#### SECTION:

- 1-7-1: Deferral Of Special Assessments For Seniors And Retired Disabled Homeowners
- 1-7-2: Lower Rum River Watershed Management Tax District
- 1-7-3: Permit Fees, Service Charges, And Penalties

#### **1-7-1: DEFERRAL OF SPECIAL ASSESSMENTS FOR SENIORS AND RETIRED DISABLED HOMEOWNERS:**

- A. Legislative Authority: Pursuant to Minnesota Statutes Section 435.193, the City Council may defer special assessments levied against the homestead property of a senior citizen or retired disabled homeowner for whom it would be a hardship to make the annual payments. The City Council will act on all deferral requests once an application, as set forth in Subsection B of this section, has been completed.
- B. Eligibility For Deferral; Application:
  - 1. Any person sixty five (65) years of age or older or retired due to total or permanent disability may apply for a deferral of special assessments, provided the following conditions are met:
    - a. Homestead: The property being assessed must be the applicant's principal place of domicile. The classification of the property as homestead on the county's tax rolls combined with the applicant's name being shown as owner shall be considered adequate proof that the property is the applicant's homestead.
    - b. Annual Income: The applicant's income for the year preceding the year in which the application for deferment is made shall be as set by Council resolution.
  - 2. The application, in a form to be prescribed by the city, shall be completed and filed with the City Clerk, who will verify that the applicant meets the above conditions. Any additional forms required by the county for recording the deferral shall also be completed.
- C. Interest On Deferred Assessments: All deferred assessments shall be subject to and charged simple interest at the rate established by the City Council in the resolution adopting the assessment roll. This interest shall

accrue over the life of the assessment. No interest shall accrue past the date at which the assessment would have been fully paid if not deferred.

D. Termination Of Deferral Status:

1. Special assessments deferred pursuant to the eligibility requirements set forth herein shall terminate and become payable, together with accumulated interest, upon the occurrence of any one of the following events:

a. Transfer Of Ownership: The property is sold, transferred, subdivided or in any way conveyed to another by the individual for whom the deferral was granted.

b. Death Of Owner: The death of the owner qualified for the deferral, unless a surviving joint tenant or tenant in common is eligible for the deferral benefit provided herein.

c. Loss Of Status: The property loses its homestead status for any reason.

d. No Hardship: The City Council determines that there would be no hardship to require an immediate or partial payment.

1. It shall be the duty of the applicant, his/her heirs or legal representative to notify the City Clerk of any event that may affect eligibility for deferment.

2. At the time of termination of the deferral, the City Council may provide for payment of the deferred amounts in installment payments in accordance with the original terms of the special assessments. (Amended Ord. 101, 8-18-1992)

**1-7-2: LOWER RUM RIVER WATERSHED MANAGEMENT TAX DISTRICT:**

A. Background And Purpose: The Minnesota State Legislature has recognized the need for surface water management programs to preserve and use natural water storage and retention systems and to construct storm sewer systems for the collection and disposal of storm water. Recognizing that water does not follow political boundaries, the legislature authorized municipalities to establish separate tax districts following watershed boundaries for the purpose of paying the costs associated with the necessary planning and capital improvements for each watershed area. The Lower Rum River Watershed is a "watershed" as defined in Minnesota Statutes Section 103B.205, Subdivision 11 and covers a portion of the city. (Ord. 257, 5-4-1999)

B. District Established: Pursuant to Minnesota Statutes Sections 444.17 and 103B.245, the Lower Rum River Watershed Management Tax District is hereby established. This district shall include all of the property in the city within the legally described area as stated in the exhibit attached to ordinance 257 and on file in the office of the City Clerk for public use and inspection. (Ord. 257, 5-4-1999; amd. 2003 Code)

C. Use Of Revenues:

1. All tax levies collected within the Lower Rum River Watershed Management Tax District shall be used only for the following purposes:

- a. Water management planning and regulation;
- b. Capital costs of water management facilities;
- c. Maintenance and repair of water management facilities; and
- d. Incidental costs associated with the purposes stated above.

2. All tax levies shall be used only for those purposes that benefit property within the district. (Ord. 257, 5-4-1999)

**1-7-3: PERMIT FEES, SERVICE CHARGES, AND PENALTIES:** The following permit fees and service charges are hereby established for the year 2020. (Ord. 499, 12-17-19)
