The City shall not be indemnified for losses or claims occasioned
through its own negligence or otherwise wrongful act or omission except for losses or claims arising out of or alleging the City's negligence as to the issuance of permits for, or inspection of, Company's plans or work.

5.2. **Defense of City.** In the event a suit is brought against the City under circumstances where this agreement to indemnify applies, Company at its sole cost and expense shall defend the City in such suit if written Notice thereof is promptly given to Company within a period wherein Company is not prejudiced by lack of such Notice. If Company is required to indemnify and defend, it will thereafter have control of such litigation, but Company may not settle such litigation without the consent of the City, which consent shall not be unreasonably withheld. The Company, in defending any action on behalf of the City, shall be entitled to assert in any action every defense or immunity that the City could assert in its own behalf. This Franchise agreement shall not be interpreted to constitute a waiver by the City of any of its defenses of immunity or limitations on liability under Minnesota Statutes, Chapter 466.

**SECTION 8. FRANCHISE FEE.**

8.1. **Form.** During the term of the franchise hereby granted, the City may charge the Company a franchise fee. The Company will administer the collection and payment of franchise fees to City, or other fees that may otherwise be imposed on the Company in relation to its operations as a public utility in the City. The franchise fee will be collected on a flat per meter basis, or by some other method that is mutually acceptable to both City and Company for each retail customer within the corporate limits of the City. The amount of the fee collected may differ for each customer class. The City will use a formula that provides a stable and predictable amount of fees, without placing the Company at a competitive disadvantage. Such fee shall not exceed any amount that the Company may legally charge to its customers prior to payment to the City. If the Company claims that the City required fee formula is discriminatory or otherwise places the Company at a competitive disadvantage, the Company will provide a formula that will produce a substantially similar fee amount to the City. If the City and Company are unable to agree, the disagreement shall be subject to the Dispute Resolution provisions of this Ordinance.

8.2. **Separate Ordinance.** The franchise fee shall be imposed by separate ordinance duly adopted by the City Council, which ordinance shall not be adopted until at least sixty (60) days after written Notice enclosing such proposed ordinance has been served upon the Company by certified mail. The
Company is not required to collect a franchise fee if the terms of the fee agreement are inconsistent with this franchise or state law, provided the Company notifies the City Council of the same within the sixty (60) day period.

8.3. **Condition of Fee.** The separate ordinance imposing the fee shall not be effective against the Company unless it lawfully imposes a fee of the same or substantially similar amount on the sale of energy within the City by any other energy supplier, provided that, as to such supplier, the City has the authority or contractual right to require a franchise fee or similar fee through an agreed-upon franchise.

8.4. **Collection of Fee.** The franchise fee shall be payable not less than quarterly during complete billing months of the period for which payment is to be made. The franchise fee formula may be changed from time to time, however, the change shall meet the same Notice and acceptance requirements and the fee may not be changed more often than annually. Such fee shall not exceed any amount that the Company may legally charge to its customers prior to payment to the City. Such fee is subject to subsequent reductions to account for uncollectibles and customer refunds incurred by the Company. The Company shall not be responsible to pay City fees that Company is unable to collect under Commission rules or order. The Company agrees to make available for inspection by the City at reasonable times all records necessary to audit the Company’s determination of the franchise fee payments.

8.5. **Continuation of Franchise Fee.** If this franchise expires and the City and the Company are unable to agree upon terms of a new franchise, the franchise fee, if any being imposed by the City at the time this franchise expires, will remain in effect until a new franchise is agreed upon. However, the franchise fee will not remain in effect for more than one year after the franchise expires as stated in Section 2.6 of this Franchise. If for any reason the franchise terminates, the franchise fee will terminate at the same time.

SECTION 9. **ABANDONED FACILITIES.**

The Company shall comply with Minnesota Statutes, Section 216D.01 et seq. and Minnesota Rules 7819.3300, as they may be amended from time to time with respect to abandoned facilities located in Public Ways and Public Grounds. The Company shall maintain records describing the exact location of all abandoned and retired Gas Facilities within the Public Ways and Public Grounds produce such records at the City’s request and comply with the location requirements of Section 216D.04 with respect to all Gas Facilities, including abandoned and retired Gas Facilities not located in Public Ways and Public Grounds.

SECTION 10. **PROVISIONS OF ORDINANCE.**

10.1. **Severability.** Every section, provision, or part of this Ordinance is declared separate from every other section, provision, or part; and if any section, provision, or part shall be held invalid, it shall not affect any other section, provision, or part. Where a provision of any other City ordinance conflicts with the provisions of this Ordinance, the provisions of this Ordinance shall prevail.

10.2. **Limitation on Applicability.** This Ordinance constitutes a franchise agreement between the City and Company as the only parties. No provisions herein shall in any way inure to the benefit of any third person (including the public at large) so as to constitute any such person as a third party
beneficiary of this Ordinance or of any one or more of the terms hereof, or otherwise give rise to any cause of action in any person not a party hereto.

SECTION 11. AMENDMENT-PROCEDURE.

Either party may propose at any time that this Franchise Ordinance be amended. Franchise Ordinance may be amended at any time by the City passing a subsequent ordinance declaring the provisions of the amendment, which amendatory ordinance shall become effective upon the filing of Company’s written consent thereto with the City Clerk within 60 days after the effective date of the amendatory ordinance. 2.2 **Grant of Nonexclusive Authority.**

2.2.1 Subject to the terms of this Franchise, the City hereby grants the Grantee the right to own, construct, operate and maintain a System along the right-of-way. The grant of authority set forth in this Franchise applies only to the Grantee’s provision of Cable Service; provided, however, that nothing herein shall limit the Grantee’s ability to use the System for other purposes not inconsistent with applicable law or with the provision of Cable Service; and provided further, that any local, State and federal authorizations necessary for the Grantee’s use of the System for other purposes are obtained by the Grantee. This Franchise does not confer any rights other than as expressly provided herein, or as provided by federal, State or local law. No privilege or power of eminent domain is bestowed by this Franchise or grant. The System constructed and maintained by Grantee or its agents pursuant to this Franchise shall not interfere with other uses of the right-of-way. The Grantee shall make use of existing poles and other aerial and underground facilities available to the Grantee to the extent it is technically and economically feasible to do so.

2.2.2 Notwithstanding the above grant to use rights-of-way, no right-of-way shall be used by the Grantee if the City determines that such use us inconsistent with the terms, conditions, or provisions by which such right-of-way was created or dedicated, or with the present use of the right-of-way.

2.2.3 This Franchise and the right it grants to use and occupy the rights-of-way shall not be exclusive and this Franchise does not, explicitly or implicitly, preclude the issuance of other franchises or similar authorizations to operate Cable Systems within the City. Provided, however, that the City shall not authorize or permit another Person to construct, operate or maintain a Cable System on material terms and conditions which are, taken as a whole, more favorable or less burdensome than those applied to the Grantee.

2.2.4 This Franchise authorizes only the use of right-of-way. Therefore, the grant of
this Franchise and the payment of franchise fees hereunder shall not exempt the
Grantee from the obligation to pay compensation or fees for the use of City
property, both real and personal, other than the right-of-way; provided, however,
that such compensation or fees are required by City ordinance, regulation or
policy and are nondiscriminatory.

2.2.5 Should any other multi-channel video programming distributor ("MVPD") over
which the City has regulatory jurisdiction provide Cable Service in the current
cable service area, the City shall not grant more favorable terms, taken as a
whole, to such MVPD than are granted to the Grantee. In the event that another
Person operates a Cable System authorized by the City on terms and conditions
that are, taken as a whole, more favorable or less burdensome than the terms
and conditions applicable to the Grantee under this Franchise, the City shall
adjust any such terms and conditions in any other Person’s authorization or this
Franchise so that the terms and conditions under which such Person operates,
taken as a whole, are not more favorable or less burdensome than those that are
applied to the Grantee.

2.3 Lease or Assignment Prohibited.

No Person may lease Grantee’s System for the purpose of providing Cable Service
until and unless such Person shall have first obtained and shall currently hold a valid
Franchise or other lawful authorization containing substantially similar burdens and
obligations to this Franchise, including, without limitation, a requirement on such
person to pay franchise fees on such person’s use of the System to provide Cable
Services, to the extent there would be such a requirement under this Franchise if the
Grantee itself were to use the System to provide such Cable Service. Any
assignment of rights under this Franchise shall be subject to and in accordance with
the requirements of this Franchise.

2.4 Franchise Term.

This Franchise shall be in effect for a period of fifteen (15) years, such term
commencing on the effective date specified in this Franchise, unless sooner
renewed, extended, revoked or terminated as herein provided.

2.5 Previous Franchises.

As of the effective date, this Franchise shall supercede and replace any previous
ordinance, as amended, of the City granting a Franchise to Grantee, including any
agreement(s) of the parties related thereto, except the Grantee shall continue to be
bound by any previously accrued but unfulfilled obligations under Ordinance No. 59
(the "Prior Franchise") for which the Grantee had notice. The Grantee shall remain
liable for payments of all franchise fees and other amounts owed, and for all
unfulfilled actions that the Grantee was notified of and required to take under the
prior Franchise up to the effective date of this Franchise. The grant of this Franchise
shall have no effect on the Grantee’s duty under the prior franchise to indemnify or insure the City against acts and omissions occurring during the period that the Prior Franchise was in effect. This Franchise incorporates, amends and replaces that Memorandum of Understanding dated December 22, 1994.

2.6 **Compliance with Applicable Laws, Resolutions and Ordinances.**

2.6.1 The terms of this Franchise shall define the contractual rights and obligations of the Grantee with respect to the provision of Cable Service and operation of the System in the City. However, the Grantee shall at all times during the term of this Franchise be subject to the lawful exercise of the police powers of the City, the City’s the right to adopt and enforce additional generally applicable ordinances and regulations, and lawful and applicable zoning, building, permitting and safety ordinances and regulations. The grant of this Franchise does not relieve the Grantee of its obligations to obtain any generally applicable licenses, permits or other authority as may be required by the City Code, as it may be amended, for the privilege of operating a business within the City or for performing work on City property or within the right-of-way, to the extent not inconsistent with this Franchise. Except as provided below, any modifications or amendment to this Franchise, or the rights or obligations contained herein, must be within the lawful exercise of the City’s police powers, as enumerated above, in which case the provision(s) modified or amended herein shall be specifically referenced in an ordinance of the City authorizing such amendment or modification. This Franchise may also be modified or amended with the written consent of the Grantee as provided in this Franchise.

2.6.2 The Grantee shall comply with the terms of any City ordinance or regulation of general applicability which addresses usage of the right-of-way within the City which may have the effect of superceding, modifying or amending the terms of Section 3 and/or Section 8.5.3 herein; except that the Grantee shall not, through application of such City ordinance or regulation of rights-of-way, be subject to additional burdens with respect to usage of rights-of-way that exceed burdens on similarly situated right-of-way users.

2.6.3 In the event of any conflict between Section 3 and/or Section 8.5.3 of this Franchise and any lawfully applicable City ordinance or regulation which addresses usage of the right-of-way, the conflicting terms in Section 3 and/or Section 8.5.3 of this Franchise shall be superceded by such City ordinances or regulations; except that the Grantee shall not, through application of such City ordinance or regulation of right-of-way, be subject to additional burdens with respect to usage of public rights-of-way that exceed burdens on similarly situated right-of-way users.

2.6.4 In the event any lawfully applicable City ordinance or regulation which addresses usage of the rights-of-way adds to, modifies, amends, or otherwise
 differently addresses issues addressed in Section 3 and/or Section 8.5.3 of this Franchise, the Grantee shall comply with such ordinance or regulation of general applicability, regardless of which requirement was first adopted; except that the Grantee shall not, through application of such City ordinance or regulation of rights-of-way, be subject to additional burdens with respect to usage of rights-of-way that exceed burdens on similarly situated rights-of-way users.

2.6.5 In the event the Grantee cannot determine how to comply with any right-of-way requirement of the City, whether pursuant to this Franchise or other requirement, the Grantee shall immediately provide written notice of such question, including the Grantee’s proposed interpretation, to the City. The City shall provide a written response within ten (10) business days of receipt indicating how the requirements cited by the Grantee apply. The Grantee may proceed in accordance with its proposed interpretation in the event a written response is not received within thirteen (13) business days of mailing or delivering such written question.

2.7 Rules of Grantee.

The Grantee shall have the authority to promulgate such rules, regulations, terms and conditions governing the conduct of its business as shall be reasonably necessary to enable said Grantee to exercise its rights and perform its obligations under this Franchise and applicable law, and to assure uninterrupted service to each and all of its Subscribers; provided that such rules, regulations, terms and conditions shall not be in conflict with provisions hereto, the rules of the FCC, the laws of the State of Minnesota, the City, or any other body having lawful jurisdiction.

2.8 Territorial Area Involved.

This Franchise is granted for the corporate boundaries of the City, as they exist from time to time, provided, however, that the Grantee shall not be required to extend service beyond its present System boundaries except pursuant to the line extension requirement set forth in this Franchise.

2.9 Written Notice.

All notices, reports, or demands required to be given in writing under this Franchise shall be deemed to be given when delivered personally to any officer of the Grantee or the City’s designated Franchise administrator, or forty-eight (48) hours after it is deposited in the United States mail in a sealed envelope, with registered or certified mail postage prepaid thereon, addressed to the party to whom notice is being given, as follows:

SECTION 3.
CONSTRUCTION STANDARDS

3.1 **Registration, Permits and Construction Codes.**

3.1.1 The Grantee shall strictly adhere to all applicable State and local laws, regulations and policies adopted by the City Council applicable to the location, construction, installation, operation or maintenance of the System in the City. The City has the right to supervise all construction or installation work performed in the rights-of-way as it shall find necessary to ensure compliance with the terms of this Franchise and other applicable provisions of law and regulations.

3.1.2 Failure to obtain permits or to comply with permit requirements shall be grounds for revocation of this Franchise or any lesser sanctions provided herein or in any other applicable law, code or regulation.

3.2 **Restoration of Rights-of-Way and Property.**

Any Rights-of-Way, or any sewer, gas or water main or pipe, drainage facility, electric, fire alarm, police communication or traffic control facility of the City, or any other public or private property, which is disturbed, damaged or destroyed during the construction, repair, replacement, relocation, operation, maintenance, expansion, extension or reconstruction of the System shall be promptly and fully restored, replaced, reconstructed or repaired by the Grantee, at its expense, to the same condition as that prevailing prior to the Grantee’s work, to the extent consistent with applicable statutes and rules. It is agreed that in the normal course, with respect to fire and police department facilities and equipment, and water and sewer facilities, and other essential utilities and services, as determined by the City, such restoration, reconstruction, replacement or repairs shall be commenced immediately after the damage, disturbance or deconstruction is incurred, and the Grantee shall take diligent steps to complete the same, unless an extension of time is obtained from the appropriate City agency or department. In all other cases, reconstruction, replacement, restoration or repairs shall be commenced within no more than three (3) days after the damage, disturbance or destruction is incurred, and shall be completed as soon as reasonably possible thereafter. If the Grantee shall fail to perform the repairs, replacement, reconstruction or restoration required herein, the City shall have the right to put the rights-of-way, public, or private property back into good condition. In the event City determines that the Grantee is responsible for such disturbance or damage, the Grantee shall be obligated to fully reimburse the City for required repairs, reconstruction and restoration.

3.3 **Conditions on Right-of-Way Use.**

3.3.1 Nothing in this Franchise shall be construed to prevent the City from
constructing, maintaining, repairing or relocating sewers; grading, paving, maintaining, repairing, relocating and/or altering any right-of-way; constructing, laying down, repairing, maintaining or relocating any water mains; or constructing, maintaining, relocating, or repairing any sidewalk or other public work.

3.3.2 All System transmission and distribution structures, lines and equipment erected by the Grantee within the City shall be located so as not to obstruct or interfere with the use of right-of-way except for normal and reasonable obstruction and interference which might occur during construction and to cause minimum interference with the rights of property owners who abut any of said right-of-way and not to interfere with existing public utility installations.

3.3.3 The Grantee shall, at its sole expense, by a reasonable time specified by the City, protect, support, temporarily disconnect, relocate or remove any of its property when required by the City by reason of traffic conditions; public safety; rights-of-way construction; street maintenance or repair (including resurfacing or widening); change in right-of-way grade; construction, installation or repair of sewers, drains, water pipes, power lines, signal lines, tracks or any other type of government-owned communications or traffic control system, public work or improvement of government-owned utility; right-of-way vacation; or for any other purpose where the convenience of the City would be served thereby. If the Grantee fails, neglects, or refuses to comply with the City’s request, the City may protect, support, temporarily disconnect relocate or remove the appropriate portions of the System at the Grantee’s expense for any of the City’s incremental costs incurred as a result of the Grantee’s failure to comply. Except for the City’s gross negligence, the City shall not be liable to the Grantee for damages resulting from the City’s protection, support, disconnection, relocation or removal, as contemplated in the preceding sentence.

3.3.4 The Grantee shall not place poles, conduits, or other fixtures of the System above or below ground where the same will interfere with any gas, electric, telephone, water or other utility fixtures and all such poles, conduits, or other fixtures placed in any right-of-way shall be so placed as to comply with all lawful requirements of the City.

3.3.5 The Grantee shall, upon request of any Person holding a moving permit issued by the City, temporarily move its wires or fixtures to permit the moving of buildings with the expense of such temporary removal to be paid by the Person requesting the same (except in the case where the requesting Person is the City for the purpose of moving a City-owned building, in which case no payment shall be required). The Grantee shall be given not less than ten (10) days’ advance written notice to arrange for such temporary wire changes.

3.3.6 To the extent consistent with generally applicable City Code provisions, rules and regulations, the Grantee shall have the right to remove, cut, trim and keep clear of its System trees or other vegetation in and along or overhanging the rights-of-
way. However, in the exercise of this right, the Grantee agrees not to cut or otherwise injure said trees to any greater extent than is reasonably necessary. This Franchise does not give the Grantee any authority to remove trees on private property in the City. All trimming shall be performed at no cost to the City.

3.3.7 The Grantee shall use its best efforts to give prior notice to any adjacent private property owners who will be negatively affected or impacted by Grantee’s work in the rights-of-way.

3.3.8 If any removal, relaying or relocation is required to accommodate the construction, operation or repair of the facilities of a Person that is authorized to use the rights-of-way, the Grantee shall, after thirty (30) days’ advance written notice, and payment of all costs by such Person, commence action to effect the necessary changes requested by the responsible entity. If multiple responsible parties are involved, the City may resolve disputes as to the responsibility for costs associated with the removal, relaying or relocation of facilities among entities authorized to install facilities in the rights-of-way if the parties are unable to do so themselves, and if the matter is not governed by a valid contract between the parties or any State or federal law or regulations.

3.3.9 In the event the System creates or is contributing to an imminent danger to health, safety or property, as reasonably determined by the City, the City, after providing notice to the Grantee, if it is reasonably feasible to do so, may remove or relocate any or all parts of the System at no expense to the City, other than the City’s costs to act on such determination.

3.4 Use of Existing Poles and Undergrounding of Cable.

3.4.1 Where existing poles, underground conduits, ducts or wire holding structures are available for use by the Grantee, but it does not make arrangements for such use, the City may require, through the established permit, or any other applicable procedure, the Grantee to use such existing poles and wire holding structures if the City determines that the public convenience would be enhanced thereby and the terms available to the Grantee for the use of such poles and structures are just and reasonable.

3.4.2 The Grantee agrees to place its cables, wires or other like facilities underground, in the manner as may be required by the provisions of the City Code and City policies, procedures, rules and regulations, as amended from time to time, where all utility facilities are placed underground. The Grantee shall not place facilities, equipment or fixtures where they will interfere with any existing gas, electric, telephone, water, sewer or other utility facilities or with any existing installations of the City, or obstruct or hinder in any manner the various existing utilities serving the residents of the City. To the extent consistent with the City Code, City policies, procedures, rules and regulations, System cable and facilities may
be constructed overhead where poles exist and electric or telephone lines or both are now overhead. However, in no case may the Grantee install poles in areas of the City where underground facilities are generally used by the utilities already operating. If the City, at a future date, requires all electric and telephone lines to be placed underground in all or part of the City, the Grantee shall, within a reasonable time, similarly move its cables and lines, at no expense to the City, and shall not seek damages from the City for such compliance.

3.5 **Installation of Facilities.**

3.5.1 No poles, towers, conduits, amplifier boxes, pedestal mounted terminal boxes, similar structures, or other wire-holding structures shall be erected or installed by the Grantee without obtaining any required permit or other authorization from the City.

3.5.2 No placement of any pole or wire holding structure of the Grantee is to be considered a vested fee interest in the rights-of-way or in City property. Whenever feasible, all transmission and distribution structures, lines, wires, cables, equipment and poles or other fixtures erected by the Grantee within the City are to be so located and installed as to cause minimum interference with the rights and convenience of property owners.

3.6 **Safety Requirements.**

3.6.1 All applicable safety practices required by law shall be used during construction, maintenance and repair of the System. The Grantee agrees, at all times, to employ ordinary and reasonable care and to install and maintain in use commonly accepted methods and devices for preventing failures and accidents that are likely to cause damage or injuries to the public or to property. All structures and all lines, equipment and connections in the rights-of-way shall at all times be kept and maintained in a safe condition, consistent with applicable safety codes.

3.6.2 The Grantee’s construction, operation or maintenance of the System shall be conducted in such a manner as not to interfere with City communications technologies related to the health, safety and welfare of City residents.

3.6.3 The Grantee shall install and maintain such devices as will apprise or warn Persons using the rights-of-way of the existence of work being performed on the System in rights-of-way.

3.6.4 The Grantee shall be a member of the One Call Notification System (otherwise known as “Gopher State One Call”) or its successor, and shall field mark the locations of its underground facilities upon request. Throughout the term of this Franchise, the Grantee shall identify the location of its facilities for the City at no charge to the City.

3.7 **City Use of Facilities.**

The City, after consultation with the Grantee, shall have the right to use for its sole
noncommercial purposes the Grantee’s poles, conduits, ducts, and manholes free of charge provided that such current or continued use will not unreasonably interfere with the present or future needs or operations of the Grantee.

3.8 **Removal of Facilities at Expiration of Franchise.**

At the expiration of the term for which this Franchise is granted, or upon the expiration of any renewal or extension period which may be granted, the City shall have the right to require the Grantee, at the Grantee’s sole expense: (i) to remove all portions of the System from all rights-of-way within the City; and (ii) to restore affected sites to their original condition. Should the Grantee fail, refuse or neglect to comply with the City’s directive, all portions of the System, or any part thereof, may at the option of the City become the sole property of the City, at no expense to the City or be removed, altered or relocated by the City at the cost of the Grantee. The City shall not be liable to the Grantee for damages resulting from such removal, alteration or relocation.
SECTION 4.
DESIGN PROVISIONS

4.1 System Facilities and Equipment.

1.1.1 Upon completion of the System Upgrade, the System generally shall have at least the following characteristics:

4.1.1.1 a modern design when built, utilizing an architecture that will permit additional improvements necessary for high-quality and reliable service throughout the Franchise term, and the capability to operate continuously on a twenty-four hour a day basis without severe material degradation during operating conditions typical to the Minneapolis/St. Paul metropolitan area;

4.1.1.2 standby power generating capacity at the headend. The Grantee shall maintain motorized standby power generators capable of powering all headend equipment for at least twenty-four (24) hours. The back-up power supplies serving the System shall be capable of providing power to the System for not less than three (3) hours per occurrence measured on an annual basis according to manufacturer specifications in the event of an electrical outage. The Grantee shall maintain sufficient portable motorized generators to be deployed in the event that the duration of a power disruption is expected to exceed three (3) hours;

4.1.1.3 facilities of good and durable quality, generally used in high-quality, reliable systems of similar design;

4.1.1.4 a System that conforms to or exceeds all applicable FCC technical performance standards, as amended from time to time, which standards are incorporated herein by reference, and any other applicable technical performance standards. End of the line performance must meet or exceed FCC specifications at the end of the Subscriber Drop;

4.1.1.5 a System shall, at all times, comply with applicable federal, State and local rules, regulations, practices and guidelines pertaining to the construction, upgrade, operation, extension and maintenance of Cable Systems, including, by way of example (but not limitation):

(A) National Electrical Code, as amended from time to time; and

(B) National Electrical Safety Code (NESC), as amended from time
facilities and equipment sufficient to cure violations of FCC technical standards and to ensure that Grantee’s System remains in compliance with the standards specified in Subsection 4.1.1.5;

such facilities and equipment as necessary to maintain, operate and evaluate the Grantee’s System for compliance with FCC technical and customer service standards, as such standards may hereafter be amended;

status monitoring equipment to alert the Grantee when and where back-up power supplies are being used, which capability shall be activated and used on or before the completion of the System Upgrade;

all facilities and equipment required to properly test the System and conduct an ongoing and active program of preventative maintenance and quality control, and to be able to quickly respond to customer complaints and resolve System problems;

antenna-supporting structures designed in accordance with any applicable governmental building codes, as amended, and painted, lighted and erected and maintained in accordance with all applicable rules and regulations of the Federal Aviation Administration, the Federal Communications Commission and all other applicable codes and regulations;

facilities and equipment at the headend allowing the Grantee to transmit or cablecast signals in substantially the form received, without substantial alteration or deterioration. For example, the headend should include equipment that will transmit color video signals received at the headend in color, stereo audio signals received at the headend in BTSC stereo format, and a signal received with a secondary audio track with both audio tracks;

the Grantee shall provide adequate security provisions in its Subscriber site equipment to permit parental control over the use of Grantee’s Cable Service. The Grantee, however, shall bear no responsibility for the exercise of parental controls and shall incur no liability for any Subscriber’s or viewer’s exercise or failure to exercise such controls;

facilities and equipment capable of operating within the temperature ranges typical to the climate of the Quad Cities Franchise Area over the calendar year;
4.1.14 the System shall be so constructed and operated that there is no perceptible deterioration in the quality of Public, Educational or Governmental Access Channel signals after delivery of such signals to the first interface point with an Institutional Network hub, Grantee’s headend or the subscriber network, whichever is applicable, as compared with the quality of any other channel on the System. As used in this paragraph, “deterioration” refers to delivery that is within the control of the Grantee; and

4.1.15 the Grantee must have TDD/TTY (or equivalent) equipment at the company office, and a publicly listed telephone number for such equipment, that will allow hearing impaired customers to contact the company.

4.1.2 The Grantee is authorized and required to continue to operate Grantee’s Cable System substantially as it exists on the date hereof, and to provide service substantially equivalent to its existing service, within the territorial limits of the City as of the effective date of this Franchise, until such time as the System is upgraded, as provided herein.

4.1.3 The Grantee shall complete a System Upgrade in accordance with the schedule set forth in this Franchise providing at least the following characteristics:

4.1.3.1 upon completion of the System Upgrade, the System shall include a hybrid fiber-coaxial architecture, with fiber-optic cable from the headend to the hubs, and from hubs to Nodes. Nodes System-wide shall serve on average 350 dwelling units or less, with a minimum of three (3) fibers connecting such a 350-home average Node to System headends and hubs. Individual Nodes may serve cable passing a number of dwelling units in excess of 350, provided there is no adverse effect on the performance characteristics of the System serving Subscribers from that Node;

4.1.3.2 segmentation of the System so that sufficient capacity is available for interactive services at all times;

4.1.3.3 activation of the bandwidth from 5 to 40 MHz for upstream transmissions;

4.1.3.4 no more that four (4) amplifiers per coaxial cable in each cascade from any Node;

4.1.3.5 a capacity rating of at least 870 MHz for all active and
passive components;

4.1.3.6 audio control units shall be utilized for each channel for volume control on analog service, excluding off-air broadcast channels or channels that are locally processed in the hub serving the geographical area. The control equipment shall be located at the master headend location and monitored twenty-four hours a day, seven days a week; and

4.1.3.7 electronic transmission and powering equipment connecting the hub(s) in the Quad Cities System to the Grantee’s other hubs and/or headend facilities in the Twin Cities metropolitan area shall be of a redundant design.

4.1.4 The upgrade System shall initially have a minimum analog channel capacity of at least 78 channels, downstream to all Subscribers, plus additional capacity for digital and other services.

4.1.5 The System shall be designed and constructed in order to allow narrowcasting of Government Access Channels discretely by municipality. The Grantee shall provide and maintain all equipment and facilities necessary to accomplish this narrowcasting, at no cost to the City or the Commission.

4.1.6 All power supplies for the System shall be equipped with standby power capability in accordance with Section 4.1.1.2. Additionally, the Grantee shall use status monitoring equipment at all power supply locations in the System. Such equipment shall have the capabilities described in Section 4.1.1.8.

4.1.7 PEG channels shall not be channel mapped without the prior approval of the Commission. As to all other channels, the Grantee shall make good faith efforts to avoid channel mapping unless that mapping is required to deliver a high-quality signal or to comply with applicable laws or regulations. In the event mapping of non-PEG channels is required to deliver a high quality signal or to comply with applicable laws or regulations, the Grantee agrees to map as few channels as possible.

4.1.8 Emergency Alert System.

4.1.8.1 The Grantee shall install and thereafter maintain an Emergency Alert System ("EAS") fully compliant with local, state and federal EAS requirements. This EAS shall at all times be operated in compliance with FCC regulations.
4.1.8.2 The System shall be capable of allowing a representative of the City to remotely activate the EAS and to override the audio and video on all channels on the System that may be lawfully overridden (subject to any contractual or other rights of broadcasters) without the assistance of the Grantee, for emergency broadcasts from a location designated by the City.

4.1.9 During the design, walkout and preliminary construction activities related to the System Upgrade, the Grantee shall seek to identify the non-video interests of the business community within the City and shall seek to quantify business community demand for non-video services. Prior to making any final determination of such demand, the Grantee shall solicit input from the City regarding the location of business corridors that may desire such services. The Grantee shall, in connection with the System Upgrade, install conduit adequately sized to address future System rebuilds or System additions, with the intent to obviate the need to reopen the rights-of-way for construction and installation work.

4.1.10 The City may request, as part of the System Upgrade, that the Grantee remove from the rights-of-way, at its own expense, existing equipment, plant and facilities that will not be used in the future, whether activated or not. If any unused or deactivated equipment remains in rights-of-way after such City request and the Grantee’s reasonable opportunity to remove, the City may remove such plant, facilities and equipment at the Grantee’s expense. The Grantee may appeal any request to remove existing equipment, plant and facilities to the City Council and thereby stay City action until a final decision is issued by the City Council. In the event existing facilities, plant and equipment are left underground in the rights-of-way, the City may require the Grantee to provide accurate maps showing the location and the nature of the deactivated or unused facilities, plant and equipment, if such information has not already been provided to the City.

4.1.11 The Grantee shall not assert or otherwise raise any claim before a court of competent jurisdiction or any administrative agency alleging that, as of the effective date of this Franchise, the minimum System design and performance requirements set forth in this Franchise are unenforceable under or inconsistent with then current applicable laws or regulations, or any orders or decisions of the FCC.

4.2 High-Speed Services.

4.2.1 To the extent the Grantee can lawfully provide high-speed Internet service via the
System as a Cable Service, the System shall provide such a service if the System is technically capable of providing that service.

4.2.2 The Grantee shall offer one (1) free residential Cable Modem or its equivalent and free monthly Cable Modem service, including Internet access, to the following entities if they cannot use the Institutional Network for high-speed data transmission or Internet access: (i) each elementary and secondary school located in the City that is passed by the cable distribution network; and (ii) all governmental institutions designated in Exhibit A. The specified Cable Modems and monthly Cable Modem service shall be made available, upon request, to every school and governmental institution within six (6) months of the date that two-way high-speed Internet access is introduced to Subscribers on a commercial basis.

4.3 **System and Institutional Network Construction Timetable.**

4.3.1 Grantee shall complete all construction related to the System Upgrade (including the Institutional Network) and shall fully activate the upgraded System no later than December 31, 2002. The Grantee shall provide for phased activation launches of the subscriber network as Nodes are completed. Failure to timely complete such construction shall be a violation of this Franchise.

4.3.2 Within ninety (90) days after the Effective Date of this Franchise, the Grantee shall commence application for necessary permits, licenses, certificates and authorizations that are required in the conduct of its business.

4.3.3 Within ninety (90) days after the Effective Date of this Franchise, Grantee shall commence System preliminary construction, walkout, electronic design, fiber design, and other associated System Upgrade steps, and shall give written notice to the City upon commencement of such activities.

4.3.4 All construction shall be performed in accordance with applicable laws and regulations, except where specifically waived by the City.

4.3.5 The Grantee shall provide the City with notice prior to commencement of steps of the System Upgrade in which possible service disruptions or physical construction activities may occur, including but not limited to: (i) tap pedestal replacements; (ii) amplifier/line extender pedestal replacements; (iii) underground duct replacement; (iv) overlashing of aerial fiber optic lines; and (v) underground placement or replacement of coaxial cables.

4.3.6 Upon completion of the System Upgrade initial design, the Grantee shall make available to the City for review, on a confidential basis, a concise description of the facilities proposed to be erected or installed, and subscriber network network design prints/map(s), which shall include at least the following elements: (i) trunk
and feeder design; (ii) fiber routes; (iii) Node locations; (iv) standby power supply locations; and (v) areas of the City to be served by each Node.

4.3.7 No System Node shall be activated until it is tested, and the Grantee determines that all applicable technical standards have been met or exceeded.

4.4 Periodic Progress Reporting.

4.4.1 Following commencement of construction of the System Upgrade or any similar major construction, the Grantee shall, upon request of the City, meet with the City and provide an update on the progress of the System Upgrade or other construction.

4.4.2 Public Notification. Prior to the beginning of the System Upgrade and periodically during each phase, the Grantee shall inform the public and its Subscribers, through various means, about: (i) the progress of the System Upgrade or major construction; (ii) areas where construction crews will be working; and (iii) any expected temporary interruptions to existing services which may occur.

4.4.3 Delays in the System Upgrade. The Grantee shall not be excused from the timely performance of its obligation to begin and complete any System Upgrade within the time specified herein, except for the following occurrences:

4.4.3.1 Any “Force Majeure” situation, as described herein; and

4.4.3.2 Unreasonable failure or delay by the City to issue any permits or permission upon a timely and complete application submitted to the City by the Grantee or its contractor representative and tender of any required permit fee.

4.4.4 Consequences of Delays. Absent a showing of excusable delay pursuant to Subsection 4.4.3 above, should the Grantee be unable to demonstrate the commencement or timely completion of the System Upgrade by the times specified herein, or be unable to reasonably justify any delays, then the Grantee shall be in violation of a material provision of this Franchise and the City may, in its sole discretion, either grant the Grantee an extension of time to complete such construction, or implement any enforcement measures or penalties specified in this Franchise or the City Code, including but not limited to revocation of the Franchise. In the event of excusable delay pursuant to Subsection 4.4.3, the time for completion will be extended by the period of such delay.

4.5 Line Extension Requirements.

4.5.1 Subject to Subsection 4.5.2, the Grantee shall make Cable Service available to all residences, businesses and other structures within the City, including multiple
dwelling unit buildings, whose owners or occupants request Cable Service, except for multiple dwelling unit buildings to which the Grantee, after best efforts, has not obtained authorization to access.

4.5.2 Within the City’s boundaries; including any areas annexed after the effective date of this Franchise, the Grantee must extend its System upon request to provide service to any Person or business upon request, without charging such Person or business more than the Standard Installation charges for the individual Subscriber’s Drop, as long as the following conditions are satisfied, unless the Grantee demonstrates to the City’s satisfaction that a waiver of this requirement is justified due to extraordinary circumstances:

4.5.2.1 the new Subscriber requesting service is located 150 feet or less from the termination of the Cable System; and

4.5.2.2 the area of the City in which the new Subscriber resides has a density of at least thirty-five (35) dwelling units per mile of feeder cable, excluding Drop footage, when aerial construction is required for an extension, and at least forty (40) dwelling units per mile of feeder cable, excluding Drop footage, when underground construction is required for an extension. All areas that reach the applicable density requirement at any time during the requirement at any time during the Franchise term shall be provided service upon reaching the minimum density. The City, for its part, shall facilitate the extension of service by requiring developers and utility companies to provide the Grantee with at least fifteen (15) days advance notice of an available open trench for the placement of necessary cable, but in no event shall the City have any liability for its failure to require any Person to provide notice, or for any developer’s or utility company’s failure to provide advance notice hereunder.

4.5.3 In the event that the requirements set forth in Subsection 4.5.2 are not met, Persons requesting service can be required to bear the remainder of the total construction costs on a pro rata basis.

4.5.3.1 The “total construction costs” are defined as the Actual Cost to construct the entire extension including electronics, pole make-ready charges, and labor, but not the cost of the house Drop.

4.5.3.2 In the event the number of Subscribers in a particular area of the City reaches the density specified in Section 4.5.2.2 within three (3) years from the date construction of the extension is completed, the Grantee shall return to the then existing Subscribers, pro rata, the full amount of their contributions for the extension.

4.5.4 Irrespective of the density requirements set forth in this Section 4.5, the Grantee shall continue to offer Service to all dwelling units serviceable prior to the System
4.5.5 The Grantee shall be given a reasonable period of time to construct and activate
cable plant to service annexed or newly developed areas, but in no event shall
the applicable timeframe exceed twelve (12) months from notice thereof by the
City to Grantee, and qualification of the area requesting service pursuant to
Section 4.5.2.2.

4.6 **System Maintenance.**

4.6.1 The Grantee shall interrupt Service only for good cause and for the shortest time
possible. Such interruption shall occur during periods of minimum use of the
System. The Grantee shall use its best efforts to provide the City with at least
twenty-four (24) hours’ prior notice of a planned service interruption, except for a
planned service interruption which will have a minimal impact on Subscribers,
usually meaning affecting less than one hundred (100) Subscribers or less than a
fifteen (15) minute interruption.

4.6.2 Maintenance of the System shall be performed in accordance with the technical
performance and operating standards established by FCC rules and regulations.
Should the FCC choose to abandon this field and does not preempt the City’s
entry into this field, the City may adopt such technical performance and operating
standards as its own, and the Grantee shall comply with them at all times.

4.7 **System Tests and Inspections; Special Testing.**

4.7.1 Grantee shall perform all tests necessary to demonstrate compliance with the
requirements of the Franchise and other performance standards established by
law or regulation.

4.7.2 The City shall have the right to inspect all construction or installation work
performed pursuant to the provisions of this Franchise. In addition, the City may
require special testing of a location or locations within the System if there is a
particular matter of controversy or unresolved complaints regarding System
construction, operations or installation work pertaining to such location(s). Such
tests shall be limited to the particular matter in controversy. The City shall
endeavor to so arrange its request for such special testing so as to minimize
hardship or inconvenience to the Grantee or to the Subscribers of such testing.

4.7.3 Before ordering such tests, the Grantee shall be afforded thirty (30) days
following receipt of written notice to investigate and, if necessary, correct
problems or complaints upon which tests were ordered. The City shall meet with
the Grantee prior to requiring special tests to discuss the need for such and, if
possible, visually inspect those locations that are the focus of concern. If, after
such meetings and inspections, the City wishes to commence special tests and
the thirty (30) days have elapsed without correction of the matter in controversy
or resolution of complaints, the tests shall be conducted at the Grantee’s expense by a qualified engineer selected by the City and the Grantee, and Grantee shall cooperate in such testing.

4.7.4 Unless otherwise provided in this Franchise, tests shall be supervised by the Grantee’s chief technical authority who shall certify all records of tests provided to the City.

4.7.5 The Grantee shall provide the City with at least two (2) business days’ prior written notice of, and opportunity to observe, any tests performed on the System.

4.7.6 Test results shall be filed with the City within fourteen (14) days of a written request by the City.

4.7.7 If any test indicates that any part or component of the System fails to meet applicable requirements, the Grantee, without requirement of additional notice or request from the City, shall take corrective action, retest the locations and advise the City of the action taken and the results achieved by filing a written report certified by the Grantee’s chief technical authority.

4.8 **Drop Replacement.**

The Grantee shall replace, at no separate charge to an individual Subscriber, all Drops and/or associated passive equipment incapable of passing the full 870 MHz System capacity at the time a Subscriber upgrades service to a level which requires a signal above the 550 MHz spectrum.

4.9 **FCC Reports.**

Unless otherwise required by the terms of this Franchise, the results of any tests required to be filed by Grantee with the FCC or in the Grantee’s public file shall upon request of the City also be filed with the City within ten (10) days of the request.

4.10 **Nonvoice Return Capability.**

Grantee is required to use cable and associated electronics having the technical capacity for non-voice return communications.

4.11 **Lockout Device.**

Upon the request of a Subscriber, the Grantee shall make a Lockout Device available at no additional charge, other than a charge for a Converter.

4.12 **Types of Service.**

Should the Grantee desire to change the selection of programs or services offered on
any of its tiers, it shall maintain the mix, quality and level of services provided over the System. Any change in programs or services offered shall comply with all lawful conditions and procedures contained in this Franchise and in applicable law or regulations.

4.13 **Uses of System.**

The Grantee shall, upon request of the Commission, advise the Commission of all active uses of the System, for both entertainment and other purposes, and the Commission shall have the right to conduct unannounced audits of such usage.

4.14 **Additional Capacity.**

The Grantee shall notify the City in writing, in advance of the installation of any fiber optic capacity not contemplated by the initial design or System Upgrade, so that additional fibers may be installed on an Actual Cost basis for government and institutional use. If the City wishes to request additional fiber, it may notify the Grantee within fifteen (15) days of receipt of the Grantee’s notification.
SECTION 5.

SERVICE PROVISIONS

5.1 **Customer Service Standards.**

The Grantee shall at all times comply with FCC customer service standards. In addition, the Grantee shall at all times satisfy all additional or stricter customer service requirements included in this Franchise and any customer service requirements set forth in any ordinance or regulation lawfully enacted by the City.

5.2 **Video Programming.**

Except as otherwise provided in this Franchise or in applicable law, all programming decisions remain the discretion of the Grantee, provided that the Grantee notifies the Commission and Subscribers in writing thirty (30) days prior to any channel additions, deletions, or realignments unless otherwise permitted under applicable federal, State and local laws and regulations. Grantee shall cooperate with the Commission and use best efforts to provide all Subscriber notices to the Commission prior to delivery to Subscribers. Location and relocation of the PEG channels shall be governed by Sections 6.1.3-6.1.4.

5.3 **Regulation of Service Rates.**

5.3.1 The City may regulate rates for the provision of Cable Service, equipment, or any other communications service provided over the System to the extent allowed under federal or State law(s). The City reserves the right to regulate rates for any future services to the extent permitted by law.

5.3.2 The Grantee shall provide at least one billing cycle prior written notice (or such longer period as may be specified in FCC regulations) to Subscribers and to the City of any changes in rates, regardless of whether or not the Grantee believes the affected rates are subject to regulation, except to the extent such notice requirement is specifically waived by governing law. Bills must be clear, concise, and understandable, with itemization of all charges.

5.4 **Sales Procedures.**

The Grantee shall not exercise deceptive sales procedures when marketing Services within the City. In its initial communication or contact with a Subscriber or a non-Subscriber, and in all general solicitation materials marketing the Grantee or its Services as a whole, the Grantee shall inform the non-Subscriber of all levels of Service available, including the lowest priced and free service tiers. The Grantee shall have the right to market door-to-door during reasonable hours consistent with local ordinances and regulations.
5.5 **Subscriber Inquiry and Complaint Procedures.**

5.5.1 The Grantee shall have a publicly listed toll-free telephone number which shall be operated so as to receive general public and Subscriber complaints, questions and requests on a twenty-four (24) hour-a-day, seven (7) days-a-week, 365 days a year basis. Trained representatives of the Grantee shall be available to respond by telephone to Subscriber and service inquiries.

5.5.2 The Grantee shall maintain adequate numbers of telephone lines and personnel to respond in a timely manner to schedule service calls and answer Subscriber complaints or inquiries in a manner consistent with regulations adopted by the FCC and the City where applicable and lawful. Under Normal Operating Conditions, telephone answer time by a customer representative, including wait time, shall not exceed thirty (30) seconds when the connection is made. If the call needs to be transferred, transfer time shall not exceed thirty (30) seconds. These standards shall be met no less than ninety (90) percent of the time under Normal Operating Conditions, measured on a quarterly basis. Under Normal Operating Conditions, the customer will receive a busy signal less than three (3) percent of the time.

5.5.3 Subject to the Grantee’s obligations pursuant to law regarding privacy of certain information, the Grantee shall prepare and maintain written records of all complaints received from the City and the Commission and the resolution of such complaints, including the date of such resolution. Such written records shall be on file at the office of the Grantee. The Grantee shall provide the City or Commission with a written summary of such complaints and their resolution upon request of the City or Commission. As to Subscriber complaints, Grantee shall comply with FCC record-keeping regulations, and make the results of such record-keeping available to the City or Commission upon request.

5.5.4 Excluding conditions beyond the control of the Grantee, the Grantee shall commence working on a service interruption within twenty-four (24) hours after the service interruption becomes known and pursue to conclusion all steps reasonably necessary to correct the interruption. The Grantee must begin actions to correct other service problems the next business day after notification of the service problem, and pursue to conclusion all steps reasonably necessary to correct the problem.

5.5.5 The Grantee may schedule appointments for Installations and other service calls either at a specific time or, at a maximum, during a four-hour time block during the hours of 9:00 a.m. to 8:00 p.m., Monday through Friday, and 9:00 a.m. to 5:00 p.m. on Saturdays. The Grantee may also schedule service calls outside such hours for the convenience of customers. The Grantee shall use its best efforts to not cancel an appointment with a customer after the close of business on the business day prior to the scheduled appointment. If the installer or
technician is late and will not meet the specified appointment time, he/she must use his/her best efforts to contact the customer and reschedule the appointment at the sole convenience of the customer. Service call appointments must be met in a manner consistent with FCC standards.

5.5.6 The Grantee shall respond to written complaints from the City and the Commission in a timely manner, and provide a copy of each response to the City and the Commission within thirty (30) days. In addition, the Grantee shall respond to all written complaints from Subscribers within (30) days of receipt of the complaint.

5.6 **Subscriber Contracts.**

The Grantee shall file with the Commission any standard form Subscriber contract utilized by Grantee. If no such written contract exists, the Grantee shall file with the Commission a document completely and concisely stating the length and terms of the Subscriber contract offered to customers. The length and terms of any Subscriber contract(s) shall be available for public inspection during the hours of 9:00 a.m. to 5:00 p.m., Monday through Friday.

5.7 **Service Credit.**

5.7.1 In the event a Subscriber establishes or terminates service and receives less than a full month’s service, Grantee shall prorate the monthly rate on the basis of the number of days in the period for which service was rendered to the number of days in the billing cycle.

5.7.2 If, for any reason, Service is interrupted for a total period of more than twenty-four (24) hours in any thirty (30) day period, Subscribers shall, upon request, be credited pro rata for such interruption.

5.8 **Refunds or Credits.**

5.8.1 Any refund checks shall be issued promptly, but not later than either:

5.8.1.1 the Subscriber’s next billing cycle following resolution of the request or thirty (30) days, whichever is earlier; or

5.8.1.2 the return of the equipment supplied by the Grantee if Service is terminated.

5.8.2 Any credits for Service shall be issued no later than the Subscriber’s next billing cycle following the determination that a credit is warranted.

5.9 **Late Fees.**
Fees for the late payment of bills shall not be assessed until after the Service has been fully provided. Late fee amounts on file with the Commission shall not be adjusted by the Grantee without the Commission's prior approval.

5.10 Notice to Subscribers.

5.10.1 The Grantee shall provide each Subscriber at the time Cable Service is installed, and at least every twelve (12) months thereafter, the following material:

5.10.1.1 instructions on how to use the Cable Service;

5.10.1.2 billing and complaint procedures, and written instructions for placing a service call, filing a complaint, or requesting an adjustment (including when a Subscriber is entitled to refunds for outages and how to obtain them);

5.10.1.3 a schedule of rates and charges, channel positions and a description of products and services offered, including any free or universal service;

5.10.1.4 prices and options for programming services and conditions of subscription to programming and other services; and

5.10.1.5 a description of the Grantee’s installation and service maintenance policies, Subscriber privacy rights, internet/Cable Modem policies and privacy rights (only at installation of such service), delinquent Subscriber disconnect and reconnect procedures and any other of its policies applicable to Subscribers.

5.10.2 Copies of materials specified in the preceding subsection shall be provided to the Commission upon request.

5.10.3 All Grantee promotional materials, announcements and advertising of Cable Service to Subscribers and the general public, where price information is listed in any manner, shall be clear, concise, accurate and understandable.

5.11 Exclusive Contracts and Anticompetitive Acts Prohibited.

5.11.1 The Grantee may not require a residential Subscriber to enter into an exclusive contract as a condition of providing or continuing Cable Service.

5.11.2 The Grantee shall not engage in acts prohibited by Federal or State law that have the purpose or effect of limiting competition for the provision of Cable Service in the City.
5.12 Office Availability and Drop Boxes.

5.12.1 The Grantee shall install, maintain and operate, throughout the term of this Franchise, a single drop box at a location agreed upon by the Commission and the Grantee. Additional drop boxes may be installed at other locations. Drop boxes shall be emptied at least once a day, Monday through Friday, with the exception of legal holidays, and payments shall be posted to Subscribers’ accounts within forty-eight (48) hours of pick-up. Subscribers shall not be charged a late fee or otherwise penalized for any failure by the Grantee to empty a drop box as specified herein, or to properly credit a Subscriber for a payment timely made.

5.12.2 After consultation with the Commission, the Grantee shall provide Subscribers with at least sixty (60) days’ prior notice of any change in the location of the customer service center(s) serving the Quad Cities System, which notice shall apprise Subscribers of the customer service center’s new address, and the date the changeover will take place.
SECTION 6.
ACCESS CHANNEL(S) PROVISIONS

6.1 Public, Educational and Government Access.

6.1.1 The City or its designee shall operate, administer, promote, and manage PEG access programming on the Cable System.

6.1.2 The Grantee shall continue to dedicate and make available four (4) 6 MHz analog video channels for public, educational, governmental and religious use. The four (4) 6 MHz PEG Access Channels shall be allocated as follows on the Effective Date of this Franchise:

6.1.2.1 one (1) full-time 6 MHz analog video channel for Noncommercial City Government Access Channel use, designed, constructed and activated for discrete transmissions;

6.1.2.2 one (1) full-time 6 MHz analog video channel for Noncommercial Public Access Channel use; and

6.1.2.3 two (2) full-time 6 MHz analog video channels for Noncommercial Public, Educational, religious and/or Government Access Channel use, to be programmed by the Commission, in its sole discretion.

The Commission shall have the right to rename, reprogram or otherwise change the use of these channels at any time, in its sole discretion, provided such use is Noncommercial and public, educational, governmental or religious in nature. Nothing herein shall diminish any rights of the Commission to secure additional PEG channels pursuant to Minn. Stat. § 238.084, which is expressly incorporated herein by reference.

6.1.3 Public Access Channel 15 and Government Access Channel 16 shall not be relocated without the consent of the Commission. If the Commission agrees to change the channel designation for Public Access Channel 15 and/or Government Access Channel 16, the Grantee must provide at least three (3) months notice to the Commission prior to implementing the change, and shall reimburse the City, the Commission and/or PEG entity for any reasonable costs incurred for: (i) purchasing or modifying equipment, business cards, and signage; (ii) any marketing and notice of the channel change that the Commission, the City and/or PEG entity reasonably determines is necessary; (iii) logo changes; and (iv) promoting, marketing and advertising the channel location of the affected PEG channel(s) during the twelve-month period preceding the effective date of the channel change. Alternatively, the Grantee may choose to supply necessary equipment itself, provided such equipment is satisfactory to the City, the Commission or PEG entity.
6.1.4 Prior to the completion of the System Upgrade, the Grantee shall have the right to relocate each of the PEG channels (other than Public Access Channel 15 and Government Access Channel 16), one time without the Commission's consent, and without reimbursing the City or the Commission for any costs it incurs as a result of the relocation. If a qualified PEG channel has been relocated once without Commission approval, that channel may not be moved again unless: (i) the Commission has consented to the move; and (ii) the Grantee reimburses the Commission, the City and/or a PEG entity for all reasonable costs of such move, as described below, and provides at least three (3) months notice to the Commission, the City and/or PEG entity before making the change in channel designation. After the System Upgrade is completed, no PEG channel shall be relocated without the mutual consent of the Commission and the Grantee. If the Grantee and the Commission agree to change the channel designation for a PEG channel, the Grantee must provide at least three (3) months notice to the Commission prior to implementing the change, and shall reimburse the City, the Commission and/or PEG entity for any reasonable costs incurred for: (i) purchasing or modifying equipment, business cards, and signage; (ii) any marketing and notice of the channel change that the City and/or the Commission reasonably determines is necessary; (iii) logo changes; and (iv) promoting, marketing and advertising the channel location of the affected PEG channel(s) during the twelve-month period preceding the effective date of the channel change. Alternatively, the Grantee may choose to supply necessary equipment itself, provided such equipment is satisfactory to the City, the Commission or PEG entity. Notwithstanding anything to the contrary, the Grantee shall not be required to repay any school for any on-premises school expenses that arise out of any PEG channel relocation.

6.1.5 As long as the Grantee’s System carries Basic Cable Service channels in analog form, the Grantee must make the PEG channels available in analog form to Subscribers within the City. If and when the Grantee’s Cable System carries PEG channels in digital form, those digital PEG channels must be made available as a digital service to all Subscribers in the City. At all times, the Grantee’s Cable System must make the PEG channels available to all Basic Cable Service Subscribers residing within the City in at least one format (digital or analog); thus, the Grantee shall make the PEG channels available to all such Subscribers in analog form unless and until it makes Basic Cable Service channels available to Subscribers only in digital form. If the Grantee opts to carry PEG channels in a digital format, it shall assume the cost of replacing all equipment necessary to ensure that PEG signals can be produced and transmitted on the Grantee's digital service tier.

6.1.6 In the event the Grantee makes any change in the System and related equipment and facilities or in signal delivery technology, which change directly or indirectly causes the signal quality or transmission of PEG channel programming or PEG services to fall below technical standards under applicable law, the
Grantee shall, at its own expense, provide any necessary technical assistance, transmission equipment, and training of PEG personnel, and in addition, provide necessary assistance so that PEG facilities may be used as intended, including, among other things, so that live and taped programming can be cablecasted efficiently to Subscribers.

6.1.7 All PEG channels shall be transmitted in the same format as all other Basic Cable Service channels and shall be carried on the Basic Service tier.

6.1.8 The Commission shall be responsible for switching PEG signals and Institutional Network transmissions.

6.2 **PEG Support Obligations.**

6.2.1 In addition to the franchise fee required under this Franchise, the Grantee shall collect from Subscribers via an itemization on customer bills (“PEG Fee”) and pay quarterly to the Commission an amount equal to 2.5 percent of its Gross Revenues (the “Quarterly Support Grant”). Payment of the Quarterly Support Grant shall be made to the Commission within thirty (30) days of the end of each of the Grantee’s fiscal quarters together with a report showing the basis for the computation. The Commission shall have the right to require further supporting information for each Quarterly Support Grant. All amounts paid under this paragraph shall be subject to audit and re-computation by the Commission in accordance with the rights provided to the City pursuant to Section 8.3 of this Franchise.

6.2.2 In addition to the Quarterly Support Grant, the Grantee shall make the following capital support payments:

6.2.2.1 a one-time payment of $200,000 (the “Initial Capital Support Grant”) to be used for PEG facilities and/or PEG equipment (including, but not limited to, studio and portable production equipment, editing equipment and program playback equipment). Payment of the Initial Capital Support Grant shall be made to the Commission in one lump sum within fifteen (15) days after the Effective Date of this Franchise. The Commission, in its sole discretion, shall allocate the Initial Capital Support Grant.

6.2.2.2 a one-time payment of $300,000 (“Supplemental Capital Support Grant I”) to be used for PEG facilities and/or equipment (including, but not limited to, studio and portable production equipment, editing equipment and program playback equipment). Payment of Supplemental Capital Support Grant I shall be made to the Commission in one lump sum ninety (90) days after the Effective Date of this Franchise. The Commission, in its sole discretion, shall allocate Supplemental Capital Support Grant I.

6.2.2.3 a one-time payment of $200,000 (“Supplemental Capital Support Grant
II”), adjusted by CPI, to be used for PEG facilities and/or equipment (including, but not limited to, studio and portable production equipment, editing equipment and program playback equipment). Payment of Supplemental Capital Support Grant II shall be made to the Commission in one lump on the second anniversary of the Effective Date of this Franchise.

The Commission, in its sole discretion, shall allocate Supplemental Capital Support Grant II.

6.2.2.4 an annual equipment grant of $40,000 (the “Equipment Grant”), to be allocated by the Commission in its sole discretion. The Equipment Grant shall be increased by CPI on an annual basis, and shall be paid to the Commission no later than January 15 of each year beginning in 2001.

6.2.2.5 The Grantee may (i) treat the Initial Capital Support Grant, Supplemental Capital Support Grant I, Supplemental Capital Support Grant II and the Equipment Grant as a franchise requirement and (ii) pass the amount paid pursuant to this paragraph through to Subscribers as an external cost, and may itemize the amount attributable to these grants on Subscribers’ monthly bills, either as part of the PEG Fee or as a separate line item, all in accordance with applicable federal law.

6.2.3 In the event any payment required by this Section 6.2 is not made on or before the required date, the Grantee shall pay, during the period such unpaid amount is owed, additional compensation and interest charges computed from such due date, at an annual rate of ten percent (10%). The Grantee waives any rights to claim that any interest or penalties imposed hereunder constitute franchise fees within the meaning of 47 U.S.C. §542. Failure to pay required amounts shall also be a violation of this Franchise, subject to all sanctions herein.

6.2.4 The Grantee and the City agree that in the event of a federal or State statutory change that entirely eliminates the Grantee’s obligation to pay a franchise fee, then the Grantee shall continue to pay to the City as PEG support an amount equivalent to the prior year’s franchise fee. Said PEG support shall continue for one (1) year during which time the Grantee and the City shall engage in good faith negotiations regarding PEG support obligations. This paragraph shall not apply if the Grantee is required to pay a franchise fee to another entity (including, but not limited to, the State) rather than to the City.

6.2.5 The Grantee shall provide, at the time of the System Upgrade, at no cost to the City, the Commission and I-Net Users, the fiber-optic or other cabling, switching systems and other electronics, equipment, software and other materials necessary to route (i) PEG signals from their origination point through the Commission’s master control to the appropriate subscriber network channel, including channels provided discretely, and (ii) I-Net signals to and from
institutions and to and from institutions to Subscribers. The Grantee shall continue to have this obligation regardless of where the Commission’s master control or the pertinent headend or hub is located. Provided, however, if the Commission moves its master control from 737 East River Road, Anoka, Minnesota, it shall reimburse the Grantee for the Actual Cost of any additional facilities that need to be constructed or provided to transport the signals to the new location.

6.3 **Regional Channel 6.**

The Grantee shall designate standard VHF Channel 6 for uniform regional channel usage to the extent required by State law.

6.4 **Leased Access Channels.**

The Grantee shall provided Leased Access Channels as required by federal and State law.

6.5 **Universal PEG Tier.**

6.5.1 The Grantee shall offer the following services and benefits to all current and potential Subscribers whose dwelling units are passed by cable plant: (i) the Universal PEG Tier, free of charge; (ii) free Installation of a service Drop; and (iii) one free cable television outlet.

6.5.2 The Universal PEG Tier shall be offered by the Grantee for the term of the Franchise, unless the Grantee (or its successors) and the Commission mutually agree to suspend or terminate the Universal PEG Tier program.

6.5.3 The Grantee agrees to provide, at no cost to Universal PEG Tier Subscribers, an A/B switch and all cable-related equipment necessary to allow reception of local broadcast stations on a Universal PEG Tier Subscriber’s television receiver, provided said television receiver is capable of receiving broadcast television signals. For purposes of this provision the term “cable-related equipment” shall not include antennas, antenna wires, video cassette recorders or similar devices.

6.5.4 The Grantee and the City agree that the rates charged to Subscribers will not increase as a result of the Grantee’s implementation of the Universal PEG Tier program, except that the Grantee may pass the expense of the Universal PEG Tier through to Subscribers as an external cost, and may itemize the amount attributable to the Universal PEG Tier on Subscribers’ monthly billing statements. The amount recovered by the Grantee each month shall not exceed $0.07 per Subscriber, and shall not reduce the amount of the PEG support furnished to the Commission and the City under this Franchise. The Grantee shall, on an annual basis, provide the City with a reconciliation of amounts collected and expended related to the provision of the Universal PEG Tier. The Grantee agrees to adjust
the Universal PEG Tier fee for any overpayment or underpayment.

6.5.5 Notice of the availability of the Universal PEG Tier shall be provided in the informational package that is provided to Subscribers on an annual basis, and in promotional materials that shall be sent to potential Subscribers each year.

6.5.6 Should a Universal PEG Tier Subscriber require or request a set-top terminal device or other equipment not essential to the reception of the Universal PEG Tier, or should a Universal PEG Tier Subscriber require a Drop that exceeds 150 feet in length, the Universal PEG Tier Subscriber shall be responsible for paying the regulated charges for such equipment, and for the additional costs associated with installing a drop in excess of 150 feet. “Additional costs,” as used in this paragraph, shall mean the Grantee’s total Installation costs, less the Installation costs that the Grantee would incur by constructing a standard 150-foot Drop.

6.5.7 For purposes of this Section 6.5, the following definitions shall apply:

6.5.7.1 “Universal PEG Tier” shall mean all PEG channels identified in this Franchise or subsequently added pursuant to the Franchise.

6.5.7.2 “Drop” shall mean an aerial or underground cable, not to exceed 150 feet in length, that runs from the nearest connection point on a feeder cable to the point of connection in a Subscriber’s dwelling unit.

6.6 Costs and Payments not Franchise Fees.

The parties agree that any costs to the Grantee associated with the provision of support for PEG access or the Institutional Network pursuant to Section 6 and 7 of this Franchise do not constitute and are not part of a franchise fee and fall within one or more of the exceptions to 47 U.S.C. § 542.
SECTION 7.

INSTITUTIONAL NETWORK (I-NET) PROVISIONS

AND RELATED COMMITMENTS

7.1 Institutional Network Facilities and Capacity.

7.1.1 The Grantee shall, at no cost to the City (and its agencies and departments), the Commission and the institutions designated in Exhibit A to receive Institutional Network service (collectively, the “I-Net Users”), construct, activate and maintain an Institutional Network that consists of the following facilities: (i) six (6) bi-directional fiber optic lines to each I-Net Node; and (ii) bi-directional coaxial cable links between the sites designated in Exhibit A to receive Institutional Network service (the “I-Net Sites”) and the nearest I-Net Node. If a new City Hall facility is constructed or established during the term of this Franchise, the Grantee shall connect the new site to the Institutional Network, free of charge. The City (and its departments and agencies), the Commission and all institutions located at the I-Net Sites shall have exclusive use of all I-Net capacity, to the extent provided in subsection 7.2. I-Net Users may not sell or resell services or capacity to any third party. However, I-Net Users may provide video, voice and data services to themselves, including those which the Grantee otherwise sells to others. The limitations of this paragraph shall not prevent I-Net Users from subleasing, bartering, selling, reselling or giving away capacity on the Institutional Network to any other public or nonprofit entity for noncommercial purposes that do not directly compete with any products or services offered by the Grantee.

7.1.2 The I-Net shall provide 450 MHz of activated capacity with no less than 54 standard video (6 MHz) channels (at least 23 upstream channels and at least 31 downstream channels) to the I-Net Sites. The entire I-Net shall be tested before the date of I-Net activation. If any segment does not pass the Grantee’s performance test(s), the Grantee shall take all steps necessary to meet applicable standards, and the affected segment shall be retested. At the Commission’s request, the Grantee shall send the Commission the results of each test conducted under this paragraph.

7.1.3 All I-Net distribution system power supplies shall have the standby capability of providing at least three (3) hours of backup power. Prior to battery failure, the Grantee shall connect I-Net power supplies to portable generators capable of producing adequate electrical current until commercial power is restored.

7.1.4 The Grantee shall connect the I-Net Sites to the Institutional Network pursuant to Exhibit A, at no cost to the City, the Commission or I-Net Users. Other governmental, public or educational institutions subsequently designated by the City shall be connected to the I-Net via coaxial cable, free of charge, if the
designated institution is located less than five hundred (500) feet from the
existing I-Net, or if such designated institution agrees to reimburse the Grantee
for its Actual Costs in excess of the cost of the first 500 feet of such installation.
Notwithstanding the foregoing, any new City Hall facilities shall be connected to
the I-Net via coaxial cable at no charge to the City, the Commission or any other
I-Net Users.

7.1.5 Notwithstanding anything to the contrary in this Franchise, the Grantee shall
connect the Ramsey Fire Department building located at 15050 Armstrong
Boulevard, NW, Ramsey, Minnesota (the “Ramsey Fire Hall”) to the I-Net (the
“Ramsey Fire Hall I-Net Connection”). In accordance with this Franchise, the
Ramsey Fire Hall I-Net Connection shall be completed and successfully activated
consistent with the diagram attached as Exhibit C no later than December 31,
2002. If at the time of the I-Net upgrade the Ramsey Fire Hall will continue to
house Ramsey’s City Council chambers for a period of at least twelve more
months, the Grantee shall construct, equip and activate the Ramsey Fire Hall I-
Net Connection at no charge to the City, the Commission or other I-Net Users.
However, if at the time of the I-Net Upgrade Ramsey’s City Council chambers will
continue to be housed in the Ramsey Fire Hall for less than twelve months, the
Commission or the appropriate I-Net User shall reimburse the Grantee for its
Actual Cost of installing the Ramsey Fire Hall I-Net Connection in excess of the
Actual Cost of the first 500 feet of construction from the existing Institutional
Network. Prior to the activation of the Ramsey Fire Hall I-Net Connection, the
Grantee shall provide Ramsey with the following: (i) sufficient upstream
bandwidth on the subscriber network to transport a 6 MHz analog video channel
to Grantee’s headend or hub, as appropriate; and (ii) all transmission equipment
and materials necessary to originate and transmit video signals from the Ramsey
Fire Hall through the Grantee’s System to Ramsey’s discrete Governmental
Access Channel (collectively, the “Temporary Upstream Feed”) and then on to
Subscribers. The Grantee shall complete and activate the Temporary Upstream
Feed no later than the Effective Date of this Franchise. The Temporary
Upstream Feed shall remain fully operational until such time as the Ramsey Fire
Hall I-Net Connection passes all applicable tests, as specified in subsection
7.1.2, and is successfully activated. At all times, the combination of the
downstream subscriber network and the Temporary Upstream Feed or the
Ramsey Fire Hall I-Net Connection shall meet or exceed FCC technical
standards at all Subscriber locations. The Grantee shall provide, install and
maintain the Temporary Upstream Feed at no charge to the City, the
Commission or I-Net Users. The Grantee may pass all direct costs associated
with the Ramsey Fire Hall I-Net Connection and the Temporary Upstream Feed
through to all Subscribers as an external cost and may itemize such costs on all
Subscribers’ monthly billing statements as part of the PEG Fee or as a separate
line item entitled “institutional network,” all in accordance with applicable law.

7.1.6 I-Net Users shall be responsible for providing any end-user or interface
equipment needed for transmission or reception of signals. Notwithstanding the
foregoing, the Grantee shall, at the Commission’s request, provide at no charge to the City, the Commission or I-Net Users up to twenty (20) new modulators for City and/or Commission use.

7.2 **Grantee’s Use of I-Net Capacity.**

The I-Net shall be for the exclusive use of the City, the Commission and other I-Net Users throughout the term of the Franchise. Notwithstanding the foregoing, the Grantee may use capacity on the I-Net, including for lease or other commercial purposes, provided that the City, the Commission and I-Net Users are not using such capacity and further provided that the Grantee’s use does not interfere with use of the I-Net by the City, the Commission, or I-Net Users. Upon receiving oral or written notice from the Commission, the Grantee or a lessee shall immediately cease using the I-Net for any purpose that the Commission, in its sole discretion, determines is interfering with I-Net Users’ communications. Use of the I-Net by the City, the Commission and I-Net Users shall, at all times, have priority over any use(s) by the Grantee or any lessee. The Grantee or a lessee shall terminate its use of any channel capacity on the I-Net within three (3) months after receiving notice from the Commission that the City, the Commission or any I-Net User has determined to use such capacity. Any agreement entered into by the Grantee and a third party for the lease of I-Net capacity shall be subject to the terms and conditions of this Franchise.

7.3 **I-Net Performance Standards.**

The Grantee shall maintain the I-Net in accordance with technical and performance standards set forth in Exhibit B (I-Net Performance Standards), which is made a part hereof. The Grantee shall provide the City, or its designee, upon request, with reports of the performance of the I-Net and the Grantee’s compliance with the aforementioned technical and performance standards.

7.4 **Institutional Network Security.**

The Grantee and the Commission shall at all times use reasonable efforts to protect the security of the Institutional Network. For purposes of this paragraph, “to protect security” means to protect those physical elements of the Institutional Network under the party’s direct control from unauthorized intrusion, signal theft, tampering, wiretapping or other actions that might: (i) compromise the integrity of or degrade the signals carried over the Institutional Network; or (ii) result in the unauthorized interception and disclosure of information.

7.5 **Interconnection and Use of Adjacent Institutional Networks.**

7.5.1 Concurrent with the System Upgrade, the Grantee shall construct interconnection links to the Institutional Networks of Grantee’s Systems serving: (i) the City of Coon Rapids, Minnesota; (ii) the member cities of the North Metro Telecommunications Commission; and (iii) the member cities of the Northwest
Suburban Cable Communication Commission ("Adjacent Institutional Networks"). Each interconnection link shall be completed within a reasonable timeframe mutually agreed upon by the Commission and the Grantee, unless an extension is granted upon petition by the Grantee. The Grantee shall be responsible for switching all signals carried over the interconnection links described in this paragraph, including signals that are originated by or intended for the City, Commission or I-Net Users.

7.5.2 Every interconnection link established pursuant to this Section 7.5 shall, at a minimum: (A) use a fiber optic transmission medium (B) allow for the seamless transmission of all required I-Net signals on both systems; and (C) provide, for the Commission’s exclusive use, at least one (1) 6 MHz analog channel for forward video purposes, one (1) 6 MHz analog channel for return video purposes, one (1) 6 MHz channel for forward data and/or other purposes and one (1) 6 MHz analog channel for return data and/or other purposes.

7.5.3 The Grantee shall cooperate with any interconnection corporation, regional interconnection authority, or state or federal agency which may be hereafter established for the purpose of regulating, facilitating, financing or otherwise providing for the interconnection of cable systems beyond the boundaries of the City.

7.5.4 At the Commission’s request, the Grantee shall use its best efforts to obtain any required authorization from the North Metro Telecommunications Commission, the Northwest Suburban Cable Commission and the City of Coon Rapids, Minnesota (the “Adjacent Commissions”) that is necessary to allow the Commission, the City and I-Net Users to utilize capacity on the Adjacent Institutional Networks. In the event the Grantee is unable to obtain such authorization after using its best efforts, or if the Adjacent Institutional Networks are not under the control of the Adjacent Commissions, the Grantee shall provide the Commission, the City and/or I-Net Users with available bandwidth on the Adjacent Institutional Networks, free of charge, as follows: if capacity on the Adjacent Institutional Networks is available and under the Grantee’s control (or if the Grantee has I-Net capacity available to it under the terms of its franchises with the Adjacent Commissions) the Grantee shall dedicate and furnish for Commission, City or I-Net User use the greater of 12 MHz of bandwidth, or the maximum amount of bandwidth available and under Grantee’s control, up to 12 MHz. Upon request, the Grantee shall make additional Adjacent Institutional Network capacity available to the Commission, the City and I-Net Users at Actual Cost, provided that additional bandwidth is available and under the Grantee’s control. In no event shall Grantee have any obligation or be responsible for providing any additional equipment as a result of this subsection.

7.6 **Subscriber Network Drops to Designated Buildings.**

7.6.1 Grantee shall provide, free of charge, Installation and activation of one (1)
subscriber network Drop, and one (1) cable outlet at those institutions currently receiving such facilities, and the institutions identified and designated for such facilities in Exhibit A, which is attached hereto and made a part hereof.

7.6.2 The Grantee shall provide Basic Cable Service and any equipment necessary to receive such service, free of charge, to those institutions currently receiving Basic Cable Service, and the institutions identified and designated for such service in Exhibit A. Institutions currently receiving additional Cable Services from the Grantee, free of charge, shall continue to receive those same services, or comparable services, during the term of this Franchise, free of charge.

7.6.3 Additional subscriber network Drops and/or outlets will be installed at designated institutions by the Grantee on an Actual Cost basis. Alternatively, said institution may add outlets at its own expense, as long as such Installation meets the Grantee’s standards. The Grantee shall have three (3) months from the date of City designation of additional institution(s) to complete construction of the Drop and outlet, unless weather or other conditions beyond the control of the Grantee require more time.
SECTION 8.

OPERATION AND ADMINISTRATION PROVISIONS

8.1 Administration of Franchise.

The City’s designated cable television administrator shall have continuing regulatory jurisdiction and supervision over the System and the Grantee’s operation under the Franchise. The City may issue such reasonable rules and regulations concerning the construction, operation and maintenance of the System as are consistent with the provisions of the Franchise and law.

8.2 Delegated Authority.

The City may appoint a citizen advisory body or may delegate to any other body or Person authority to administer the Franchise and to monitor the performance of the Grantee pursuant to the Franchise. The Grantee shall cooperate with any such delegate of the City.

8.3 Franchise Fee.

8.3.1 During the term of the Franchise, the Grantee shall pay quarterly to the City or its delegate a Franchise fee in an amount equal to five percent (5%) of its Gross Revenues.

8.3.2 Any payments due under this provision shall be payable quarterly. The payment shall be made within thirty (30) days of the end of each of Grantee’s fiscal quarters together with a report showing the basis for the computation. The City shall have the right to require further supporting information for each franchise fee payment.

8.3.3 All amounts paid shall be subject to audit and re-computation by the City and acceptance of any payment shall not be construed as an accord that the amount paid is in fact the correct amount. The Grantee shall be responsible for providing the City all records necessary to confirm the accurate payment of franchise fees. The Grantee shall maintain such records for five (5) years, unless in the Grantee’s ordinary course of business specific records are retained for a shorter period, but in no event less than three (3) years. If an audit discloses an overpayment or underpayment of franchise fees, the City shall notify the Grantee of such overpayment or underpayment. The City’s audit expenses shall be borne by the City unless the audit determines that the payment to the City should be increased by more than five percent (5%) in the audited period, in which case the costs of the audit shall be borne by the Grantee as a cost incidental to the enforcement of the Franchise. Any additional amounts due to the City as a result of the audit shall be paid to the City within thirty (30) days following written notice.
to the Grantee by the City of the underpayment, which notice shall include a copy of the audit report. If the re-computation results in additional revenue to be paid to the City, such amount shall be subject to a ten percent (10%) annual interest charge. If the audit determines that there has been an overpayment by the Grantee, the Grantee may credit any overpayment against its next quarterly payment.

8.3.4 In the event any franchise fee payment or re-computation amount is not made on or before the required date, the Grantee shall pay, during the period such unpaid amount is owed, the additional compensation and interest charges computed from such due date, at an annual rate of ten percent (10%).

8.3.5 Nothing in this Franchise shall be construed to limit any authority of the City to impose any tax, fee or assessment of general applicability.

8.3.6 The franchise fee payments required by this Franchise shall be in addition to any and all taxes or fees of general applicability. The Grantee shall not have or make any claim for any deduction or other credit of all or any part of the amount of said franchise fee payments from or against any of said taxes or fees of general applicability, except as expressly permitted by law. The Grantee shall not apply nor seek to apply all or any part of the amount of said franchise fee payments as a deduction or other credit from or against any of said taxes or fees of general applicability, except as expressly permitted by law. Nor shall the Grantee apply or seek to apply all or any part of the amount of any of said taxes or fees of general applicability as a deduction or other credit from or against any of its franchise fee obligations, except as expressly permitted by law.

8.4 Access to Records.

The City shall have the right to inspect, upon reasonable notice and during Grantee’s administrative office hours, or require Grantee to provide within a reasonable time, on a confidential and proprietary basis, copies of any records maintained by Grantee or its Affiliates, including specifically Gross Revenues worksheets, and accounting and financial records maintained by Grantee which relate to compliance of System operations with this Franchise or other applicable law.

8.5 Reports and Maps to be Filed with City.

8.5.1 The Grantee shall file with the City, at the time of payment of the Franchise Fee, a report of all Gross Revenues in a form and substance as required by City.

8.5.2 The Grantee shall prepare and furnish to the City, at the times and in the form prescribed, such other reports with respect to Grantee’s operations pursuant to this Franchise as the City may require. The City shall use its best efforts to protect proprietary or trade secret information all consistent with state and federal
law.

8.5.3 If required by the City, the Grantee shall furnish to and file with the City the maps, plats, and permanent records of the location and character of all facilities constructed, including underground facilities, and Grantee shall file with the City updates of such maps, plats and permanent records annually if changes have been made in the System.

8.6 Periodic Evaluation.

8.6.1 The City may require evaluation sessions at any time during the term of this Franchise, upon fifteen (15) days written notice to the Grantee.

8.6.2 Topics which may be discussed at any evaluation session may include, but are not limited to, application of new technologies, System performance, programming offered, access channels, facilities and support, municipal uses of cable, Subscriber rates, customer complaints, amendments to this Franchise, judicial rulings, FCC rulings, line extension policies and any other topics the City deems relevant.

8.6.3 As a result of a periodic review or evaluation session, upon notification from City, Grantee shall meet with City and undertake good faith efforts to reach agreement on changes and modifications to the terms and conditions of the Franchise that are both economically and technically feasible.
SECTION 9.

GENERAL FINANCIAL AND INSURANCE PROVISIONS

9.1 **Performance Bond.**

9.1.1 At the time the Franchise becomes effective and at all times thereafter, until the Grantee has liquidated all of its obligations with the City and the Commission, the Grantee shall furnish a bond to the Commission in the amount of $100,000.00 in a form and with such sureties as are reasonably acceptable to the Commission. This bond will be conditioned upon the faithful performance by the Grantee of its Franchise obligations and upon the further condition that in the event the Grantee shall fail to comply with any law, ordinance or regulation governing the Franchise, there shall be recoverable jointly and severally from the principal and surety of the bond any damages or loss suffered by the Commission or City as a result, including the full amount of any compensation, indemnification or cost of removal or abandonment of any property of the Grantee, plus a reasonable allowance for attorney’s fees and costs, up to the full amount of the bond, and further guaranteeing payment by the Grantee of claims, liens and taxes due the City or the Commission which arise by reason of the construction, operation, or maintenance of the System. The rights reserved by the City and the Commission with respect to the bond are in addition to all other rights the City may have under the Franchise or any other law. The City may, from year to year, in its sole discretion, reduce the amount of the bond.

9.1.2 The time for Grantee to correct any violation or liability shall be extended by City if the necessary action to correct such violation or liability is, in the sole determination of City, of such a nature or character as to require more than thirty (30) days within which to perform, provided Grantee provides written notice that it requires more than thirty (30) days to correct such violations or liability, commences the corrective action within the thirty (30) day cure period and thereafter uses reasonable diligence to correct the violation or liability.

9.1.3 In the event this Franchise is revoked by reason of default of Grantee, City shall be entitled to collect from the performance bond that amount which is attributable to any damages sustained by City as a result of said default or revocation.

9.1.4 Grantee shall be entitled to the return of the performance bond, or portion thereof, as remains sixty (60) days after the expiration of the term of the Franchise or revocation for default thereof, provided City or the Commission has not notified Grantee of any actual or potential damages incurred as a result of Grantee’s operations pursuant to the Franchise or as a result of said default.

9.1.5 The rights reserved to City or Commission with respect to the performance bond are in addition to all other rights of City or Commission whether reserved by this
Franchise or authorized by law, and no action, proceeding or exercise of a right with respect to the performance bond shall affect any other right City or the Commission may have.

9.2 **Letter of Credit.**

9.2.1 On the Effective Date of this Franchise, the Grantee shall deliver to the Commission an irrevocable and unconditional Letter of Credit, in a form and substance acceptable to the Commission, from a National or State bank approved by the Commission, in the amount of $25,000.00.

9.2.2 The Letter of Credit shall provide that funds will be paid to the City upon written demand of the City, and in an amount solely determined by the City in payment for penalties charged pursuant to this Section, in payment for any monies owed by the Grantee to the City or any Person pursuant to its obligations under this Franchise, or in payment for any damage incurred by the City or any Person as a result of any acts or omissions by the Grantee pursuant to this Franchise.

9.2.3 In addition to recovery of any monies owed by the Grantee to the City or any Person or damages to the City or any Person as a result of any acts or omissions by the Grantee pursuant to the Franchise, the City in its sole discretion may charge to and collect from the Letter of Credit the following penalties:

9.2.3.1 For failure to timely complete the System Upgrade as provided in this Franchise, unless the City or the Commission approves the delay, the penalty shall be $500.00 per day for each day, or part thereof, such failure occurs or continues.

9.2.3.2 For failure to provide data, documents, reports or information or to cooperate with City or the Commission during an application process or system review or as otherwise provided herein, the penalty shall be $250.00 per day for each day, or part thereof, such failure occurs or continues.

9.2.3.3 Fifteen (15) days following notice from City or Commission of a failure of Grantee to comply with construction, operation or maintenance standards, the penalty shall be $250.00 per day for each day, or part thereof, such failure occurs or continues.

9.2.3.4 For failure to provide the services and the payments required by this Franchise, including, but not limited to, the implementation and the utilization of the PEG Access Channels, the penalty shall be $250.00 per day for each day, or part thereof, such failure occurs or continues.

9.2.3.5 For Grantee’s breach of any written contract or agreement with or to the City or the Commission, the penalty shall be $250.00 per day for each
9.2.3.6 For failure to comply with any of the provisions of this Franchise, or other City ordinance for which a penalty is not otherwise specifically provided pursuant to this subsection 9.2.3, the penalty shall be $250.00 per day for each day, or part thereof, such failure occurs or continues.

9.2.4 Each violation of any provision of this Franchise shall be considered a separate violation for which a separate penalty can be imposed.

9.2.5 Whenever the City or the Commission determines that the Grantee has violated one or more terms, conditions or provisions of this Franchise, or for any other violation contemplated in subsection 9.2.3 above, a written notice shall be given to Grantee informing it of such violation. At any time after thirty (30) days (or such longer reasonable time which, in the determination of the City or the Commission, is necessary to cure the alleged violation) following local receipt of notice, provided the Grantee remains in violation of one or more terms, conditions or provisions of this Franchise, in the sole opinion of the City, the City may draw from the Letter of Credit all penalties and other monies due the City from the date of the local receipt of notice.

9.2.6 Whenever the Letter of Credit is drawn upon, the Grantee may, within seven (7) days of the withdrawal, notify the City in writing that there is a dispute as to whether a violation or failure has in fact occurred. Such written notice by the Grantee to the City shall specify with particularity the matters disputed by Grantee. All penalties shall continue to accrue and the City may continue to draw from the Letter of Credit during any appeal pursuant to this subparagraph 9.2.6.

9.2.6.1 City or the Commission shall hear Grantee’s dispute within sixty (60) days and the City shall render a final decision within sixty (60) days thereafter.

9.2.6.2 Upon the determination of the City that no violation has taken place, the City shall refund to Grantee, without interest, all monies drawn from the Letter of Credit by reason of the alleged violation.

9.2.7 If said Letter of Credit or any subsequent Letter of Credit delivered pursuant thereto expires prior to thirty (30) months after the expiration of the term of this Franchise, it shall be renewed or replaced during the term of this Franchise to provide that it will not expire earlier than thirty (30) months after the expiration of this Franchise. The renewed or replaced Letter of Credit shall be of the same form and with a bank authorized herein and for the full amount stated in Subsection 9.2.1 of this Section.

9.2.8 If the City draws upon the Letter of Credit or any subsequent Letter of Credit delivered pursuant hereto, in whole or in part, the Grantee shall replace or
replenish to its full amount the same within ten (10) days and shall deliver to the City a like replacement Letter of Credit or certification of replenishment for the full amount stated in Section 9.2.1 as a substitution of the previous Letter of Credit. This shall be a continuing obligation for any withdrawals from the Letter of Credit.

9.2.9 If any Letter of Credit is not so replaced or replenished, the City may draw on said Letter of Credit for the whole amount thereof and use the proceeds as the City determines in its sole discretion. The failure to replace or replenish any Letter of Credit may also, at the option of the City, be deemed a default by the Grantee under this Franchise. The drawing on the Letter of Credit by the City, and use of the money so obtained for payment or performance of the obligations, duties and responsibilities of the Grantee that are in default, shall not be a waiver or release of such default.

9.2.10 The collection by City of any damages, monies or penalties from the Letter of Credit shall not affect any other right or remedy available to it, nor shall any act, or failure to act, by the City pursuant to the Letter of Credit, be deemed a waiver of any right of the City pursuant to this Franchise or otherwise.

9.3 Indemnification of City.

9.3.1 The City and its officers, boards, committees, commissions, elected and appointed officials, employees, volunteers and agents shall not be liable for any loss or damage to any real or personal property of any Person, or for any injury to or death of any Person, arising out of or in connection with Grantee's construction, operation, maintenance, repair or removal of the System or as to any other action of Grantee with respect to this Franchise.

9.3.2 Grantee shall indemnify, defend, and hold harmless the City and its officers, boards, committees, commissions, elected and appointed officials, employees, volunteers and agents, from and against all liability, damages, and penalties which they may legally be required to pay as a result of the City’s exercise, administration, or enforcement of the Franchise.

9.3.3 Nothing in this Franchise relieves a Person, except the City, from liability arising out of the failure to exercise reasonable care to avoid injuring the Grantee’s facilities while performing work connected with grading, re-grading, or changing the line of a Right-of-Way or public place or with the construction or reconstruction of a sewer or water system.

9.3.4 Related only to PEG programming, the Grantee shall not be required to indemnify the City for negligence or misconduct on the part of the City or its officers, boards, committees, commissions, elected or appointed officials, employees, volunteers or agents, including any loss or claims.

9.4 Insurance.
9.4.1 As a part of the indemnification provided in this Franchise, but without limiting the foregoing, Grantee shall file with Commission at the time of its acceptance of this Franchise, and at all times thereafter maintain in full force and effect at its sole expense, a comprehensive general liability insurance policy, including broadcaster's/cablecaster’s liability and contractual liability coverage, in protection of the Grantee, the Commission, the City and its officers, elected and appointed officials, boards, commissions, commissioners, agents, employees and volunteers for any and all damages and penalties which may arise as a result of this Franchise. The policy or policies shall name the City and the Commission as an additional insured, and in their capacity as such, City and Commission officers, elected and appointed officials, boards, commissions, commissioners, agents, employees and volunteers. The broadcasters/cablecasters’ liability coverage specified in this provision shall be subject to this Franchise regarding indemnification of the City.

9.4.2 The policies of insurance shall be in the sum of not less than $1,000,000.00 for personal injury or death of any one Person, and $2,000,000.00 for personal injury or death of two or more Persons in any one occurrence, $1,000,000.00 for property damage to any one person and $2,000,000.00 for property damage resulting from any one act or occurrence.

9.4.3 The policy or policies of insurance shall be maintained by Grantee in full force and effect during the entire term of the Franchise. Each policy of insurance shall contain a statement on its face that the insurer will not cancel the policy or fail to renew the policy, whether for nonpayment of premium, or otherwise, and whether at the request of Grantee or for other reasons, except after sixty (60) days advance written notice have been provided to the City.

9.4.4 Grantee shall keep on file with the Commission Certificates of Insurance.

9.4.5 Failure to comply with the insurance requirements of this Section shall constitute a material violation of this Franchise.
SECTION 10.

SALE, ABANDONMENT, TRANSFER AND REVOCATION OF FRANCHISE

10.1 City’s Right to Revoke.

10.1.1 In addition to all other rights which City has pursuant to law or equity, City reserves the right to commence proceedings to revoke, terminate or cancel this Franchise, and all rights and privileges pertaining thereto, if it is determined by City that:

10.1.1.1 Grantee has violated material provisions of this Franchise; or
10.1.1.2 Grantee has attempted to evade any of the provisions of the Franchise; or
10.1.1.3 Grantee has practiced fraud or deceit upon the City or the Commission.

City may revoke this Franchise without the hearing required by Section 10.2.2 herein if Grantee is adjudged a bankrupt entity.

10.2 Procedures for Revocation.

10.2.1 The City shall provide the Grantee with written notice of a cause for revocation and the intent to revoke and shall allow Grantee thirty (30) days subsequent to receipt of the notice in which to correct the violation or to provide adequate assurance of performance in compliance with the Franchise. In the notice required herein, the City shall provide the Grantee with the basis for revocation.

10.2.2 The Grantee shall be provided the right to a public hearing affording due process before the City Council prior to the effective date of revocation, which public hearing shall follow the thirty (30) day notice provided in Subparagraph 10.2.1 above. The City shall provide the Grantee with written notice of its decision together with written findings of fact supplementing said decision.

10.2.3 Only after the public hearing and upon written notice of the determination by the City to revoke the Franchise may the Grantee appeal said decision with an appropriate state or federal court or agency.

10.2.4 During the appeal period, the Franchise shall remain in full force and effect unless the term thereof sooner expires or unless continuation of the Franchise would endanger the health, safety and welfare of any Person or the public.

10.3 Abandonment of Service.

The Grantee may not abandon the System or any portion thereof without having first given three (3) months written notice to the City. The Grantee may not abandon the System or any portion thereof without compensating the City for damages resulting from
the abandonment, including all costs incident to removal of the System, if required by
the City pursuant to Section 10.4.

10.4 Removal After Abandonment, Termination or Forfeiture.

10.4.1 In the event of termination or forfeiture of the Franchise or abandonment of the
System, the City shall have the right to require the Grantee to remove all or any
portion of the System from all rights-of-way and public property within the City.

10.4.2 If the Grantee has failed to commence removal of the System, or such part
thereof as was designated by the City, within thirty (30) days after written notice
of the City’s demand for removal is given, or if the Grantee has failed to complete
such removal within twelve (12) months after written notice of the City’s demand
for removal is given, the City shall have the right to apply funds secured by the
Letter of Credit and Performance Bond toward removal and/or declare all right,
title, and interest to the System to be in the City with all rights of ownership
including, but not limited to, the right to operate the System or transfer the
System to another for operation by it.

10.5 Sale or Transfer of Franchise.

10.5.1 No sale or transfer of the Franchise, or sale, transfer, or fundamental corporate
change of or in Grantee, including, but not limited to, a fundamental corporate
change in Grantee’s parent corporation or any entity having a controlling interest
in Grantee, the sale of a controlling interest in the Grantee’s assets, a merger
including the merger of a subsidiary and parent entity, consolidation, or the
creation of a subsidiary or affiliate entity, shall take place until a written request
has been filed with the City requesting approval of the sale, transfer, or corporate
change and such approval has been granted or deemed granted, provided,
however, that said approval shall not be required where Grantee grants a
security interest in its Franchise and/or assets to secure an indebtedness. Upon
notice to the City, Grantee may undertake legal changes necessary to
consolidate the corporate or partnership structures of its Minnesota/Wisconsin
Systems provided there is no change in the controlling interests that could
materially alter the financial responsibilities for the Grantee.

10.5.2 Any sale, transfer, exchange or assignment of stock in Grantee, or Grantee’s
parent corporation or any other entity having a controlling interest in Grantee, so
as to create a new controlling interest therein, shall be subject to the
requirements of this Section 10.5. The term “controlling interest” as used herein
is not limited to majority stock ownership, but includes actual working control in
whatever manner exercised. In any event, as used herein, a new “controlling
interest” shall be deemed to be created upon the acquisition through any
transaction or related group of transactions of a legal or beneficial interest of
fifteen percent (15%) or more by one Person. Acquisition by one Person of an
interest of five percent (5%) or more in a single transaction shall require notice to
the City.
10.5.3 The Grantee shall file, in addition to all documents, forms and information required to be filed by applicable law, the following:

10.5.3.1 All contracts, agreements or other documents that constitute the proposed transaction and all exhibits, attachments, or other documents referred to therein which are necessary in order to understand the terms thereof;

10.5.3.2 A list detailing all documents filed with any state or federal agency related to the transaction including, but not limited to, the MPUC, the FCC, the FTC, the SEC or MnDOT. Upon request, Grantee shall provide City with a complete copy of any such document; and

10.5.3.3 Any other documents or information related to the transaction as may be specifically requested by the City.

10.5.4 The City shall have such time as is permitted by federal law in which to review a transfer request.

10.5.5 Grantee shall reimburse City for all the reasonable legal, administrative, consulting costs and fees associated with the City’s review of any request to transfer. Nothing herein shall prevent Grantee from negotiating partial or complete payment of such costs and fees by the transferee. Grantee may not itemize any such reimbursement on Subscriber bills, but may recover such expenses in its Subscriber rates.

10.5.6 In no event shall a sale, transfer, corporate change, or assignment of ownership or control pursuant to Subsections 10.5.1 or 10.5.2 of this Section be approved without the transferee becoming a signatory to this Franchise and assuming all rights and obligations hereunder.

10.5.7 In the event of any proposed sale, transfer, corporate change, or assignment pursuant to Subsection 10.5.1 or 10.5.2, the City shall have the right to purchase the System for the value of the consideration proposed in such transaction. The City’s right to purchase shall arise upon City’s receipt of notice of the material terms of an offer or proposal for sale, transfer, corporate change, or assignment, which Grantee has accepted. Notice of such offer or proposal must be conveyed to City in writing and separate from any general announcement of the transaction.

10.5.8 The City shall be deemed to have waived its right to purchase the System pursuant to this Section only in the following circumstances:

10.5.8.1 If City does not indicate to Grantee in writing, within sixty (60) days of receipt of written notice of a proposed sale, transfer, corporate change, or assignment as contemplated in Section 10.5.7 above, its intention to
exercise its right of purchase; or

10.5.8.2 It approves the assignment or sale of the Franchise as provided within this Section.

10.5.9 No Franchise may be transferred if the City determines the Grantee is in noncompliance of the Franchise unless an acceptable compliance program has been approved by the City. The approval of any transfer of ownership pursuant to this Section shall not be deemed to waive any rights of City to subsequently enforce noncompliance issues relating to this Franchise.

10.5.10 Any transfer or sale of the Franchise without the prior written consent of the City shall be considered to impair the City’s assurance of due performance. The granting of approval for a transfer or sale in one instance shall not render unnecessary approval of any subsequent transfer or sale for which approval would otherwise be required.
SECTION 11.

PROTECTION OF INDIVIDUAL RIGHTS

11.1 **Discriminatory Practices Prohibited.**

Grantee shall not deny service, deny access, or otherwise discriminate against Subscribers or general citizens on the basis of race, color, religion, national origin, sex, age, status as to public assistance, affectional preference, or disability. Grantee shall comply at all times with all other applicable federal, State, and city laws.

11.2 **Subscriber Privacy.**

11.2.1 No signals, including signals of a Class IV Channel, may be transmitted from a Subscriber terminal for purposes of monitoring individual viewing patterns or practices without the express written permission of the Subscriber. Such written permission shall be for a limited period of time not to exceed one (1) year that may be renewed at the option of the Subscriber. No penalty shall be invoked for a Subscriber's failure to provide or renew such authorization. The authorization shall be revocable at any time by the Subscriber without penalty of any kind whatsoever. Such permission shall be required for each type or classification of Class IV Channel activity planned for the purpose of monitoring individual viewing patterns or practices.

11.2.2 No lists of names and addresses of Subscribers or any lists that identify the viewing habits of Subscribers shall be sold or otherwise made available to any party other than to Grantee or its agents for Grantee's service business use or to City for the purpose of Franchise administration, and also to the Subscriber subject of that information, unless Grantee has received specific written authorization from the Subscriber to make such data available. Such written permission shall be for a limited period of time not to exceed one (1) year that may be renewed at the option of the Subscriber. No penalty shall be invoked for a Subscriber's failure to provide or renew such authorization. The authorization shall be revocable at any time by the Subscriber without penalty of any kind whatsoever.

11.2.3 Written permission from the Subscriber shall not be required for the conducting of System-wide or individually addressed electronic sweeps for the purpose of verifying System integrity or monitoring for the purpose of billing. Confidentiality of such information shall be subject to the provision set forth in Subsection 11.2.2.
SECTION 12.

UNAUTHORIZED CONNECTIONS AND MODIFICATIONS

12.1 Unauthorized Connections or Modifications Prohibited.

It shall be unlawful for any firm, Person, group, company, corporation, or governmental body or agency, without the express consent of the Grantee, to make or possess, or assist anybody in making or possessing, any unauthorized connection, extension, or division, whether physically, acoustically, inductively, electronically or otherwise, with or to any segment of the System or to receive services of the System without Grantee’s authorization.

12.2 Removal or Destruction Prohibited.

It shall be unlawful for any firm, Person, group, company, or corporation to willfully interfere, tamper with, remove, obstruct, or damage, or assist thereof, any part or segment of the System for any purpose whatsoever, except for any rights the City may have pursuant to this Franchise or its police powers.

12.3 Penalty.

Any firm, Person, group, company, or corporation found guilty of violating this section may be fined not less than Twenty Dollars ($20.00) and the costs of the action nor more than Five Hundred Dollars ($500.00) and the costs of the action for each and every subsequent offense. Each continuing day of the violation shall be considered a separate occurrence.
SECTION 13.

MISCELLANEOUS PROVISIONS

13.1 **Franchise Renewal.**

Any renewal of this Franchise shall be performed in accordance with applicable federal, State and local laws and regulations.

13.2 **Work Performed by Others.**

All applicable obligations of this Franchise shall apply to any subcontractor or others performing any work or services pursuant to the provisions of this Franchise, however, in no event shall any such subcontractor or other performing work obtain any rights to maintain and operate a System or provide Cable Service. The Grantee shall provide notice to the City of the name(s) and address(es) of any entity, other than Grantee, which performs substantial services pursuant to this Franchise.

13.3 **Amendment of Franchise Ordinance.**

The Grantee and the City may agree, from time to time, to amend this Franchise. Such written amendments may be made subsequent to a review session pursuant to Section 8.6 or at any other time if the City and the Grantee agree that such an amendment will be in the public interest or if such an amendment is required due to change in federal, State or local laws. Provided, however, nothing herein shall restrict the City’s exercise of its police powers or the City’s authority to unilaterally amend Franchise provisions to the extent permitted by law.

13.4 **Compliance with Federal, State and Local Laws.**

13.4.1 If any federal or State law or regulation shall require or permit City or Grantee to perform any service or act or shall prohibit City or Grantee from performing any service or act which may be in conflict with the terms of this Franchise, then as soon as possible following knowledge thereof, either party shall notify the other of the point in conflict believed to exist between such law or regulation. Grantee and City shall conform to State laws and rules regarding cable communications not later than one year after they become effective, unless otherwise stated, and to conform to federal laws and regulations regarding cable as they become effective.

13.4.2 In the event that federal or State laws, rules or regulations preempt a provision or limit the enforceability of a provision of this Franchise, the provision shall be read to be preempted to the extent and for the time, but only to the extent and for the time, required or necessitated by law. In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise
changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the City.

13.4.3 If any term, condition or provision of this Franchise or the application thereof to any Person or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder hereof and the application of such term, condition or provision to Person or circumstances other than those as to whom it shall be held invalid or unenforceable shall not be affected thereby, and this Franchise and all the terms, provisions and conditions hereof shall, in all other respects, continue to be effective and complied with provided the loss of the invalid or unenforceable clause does not substantially alter the agreement between the parties. In the event such law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision which had been held invalid or modified is no longer in conflict with the law, rules and regulations then in effect, said provision shall thereupon return to full force and effect and shall thereafter be binding on Grantee and City without further action by the City.

13.4.4 The City and Grantee shall, at all times during the term of this Franchise, including all extensions and renewals thereof, comply with applicable federal, State and local laws and regulations.

13.5 Non-enforcement by City.

Grantee shall not be relieved of its obligations to comply with any of the provisions of this Franchise by reason of any failure or delay of City to enforce prompt compliance. City may only waive its rights hereunder by expressly so stating in writing. Any such written waiver by City of a breach or violation of any provision of this Franchise shall not operate as or be construed to be a waiver of any subsequent breach or violation.

13.6 Rights Cumulative.

All rights and remedies given to City by this Franchise or retained by City herein shall be in addition to and cumulative with any and all other rights and remedies, existing or implied, now or hereafter available to City, at law or in equity, and such rights and remedies shall not be exclusive, but each and every right and remedy specifically given by this Franchise or otherwise existing or given may be exercised from time to time and as often and in such order as may be deemed expedient by City and the exercise of one or more rights or remedies shall not be deemed a waiver of the right to exercise at the same time or thereafter any other right or remedy.

13.7 Grantee Acknowledgment of Validity of Franchise.
The Grantee acknowledges that it has had an opportunity to review the terms and conditions of this Franchise and that under current law Grantee believes that said terms and conditions are not unreasonable or arbitrary, and that Grantee believes City has the power to make the terms and conditions contained in this Franchise.

13.8 **Force Majeure.**

The Grantee shall not be deemed in default of provisions of this Franchise or the City Code where performance was rendered impossible by war or riots, labor strikes or civil disturbances, floods, or other causes beyond the Grantee’s control, and the Franchise shall not be revoked or the Grantee penalized for such noncompliance, provided that the Grantee, when possible, takes immediate and diligent steps to bring itself back into compliance and to comply as soon as possible, under the circumstances, with the Franchise without unduly endangering the health, safety and integrity of the public, the rights-of-way, public property or private property.

13.9 **Governing Law.**

This Franchise shall be governed in all respects by the laws of the State of Minnesota.

13.10 **Captions and References.**

13.10.1 The captions and headings of sections throughout this Franchise are intended solely to facilitate reading and reference to the sections and provisions of this Franchise. Such captions shall not affect the meaning or interpretation of this Franchise.

13.10.2 When any provision of the City Code is expressly mentioned herein, such reference shall not be construed to limit the applicability of any other provision of the City Code that may also govern the particular matter in question.

13.11 **Rights of Third Parties.**

This Franchise is not intended to, and shall not be construed to, grant any rights to or vest any rights in third parties, unless expressly provided herein.

13.12 **Merger of Documents.**

This Franchise, and the attachments hereto, constitute the entire Franchise agreement between the City and the Grantee, and supersede all prior oral or written franchises and understandings.
SECTION 14.

PUBLICATION EFFECTIVE DATE; ACCEPTANCE AND EXHIBITS

14.1 **Publication.**

This Franchise shall be published in accordance with applicable local and Minnesota law.

14.2 **Acceptance.**

14.2.1 Grantee shall accept this Franchise within thirty (30) days of its enactment by the City Council and the enactment of a Franchise by the other member municipalities of the Commission, unless the time for acceptance is extended by the City. Such acceptance by the Grantee shall be deemed the grant of this Franchise for all purposes; provided, however, this Franchise shall not be effective until all City ordinance adoption procedures are complied with and all applicable timelines have run for the adoption of a City ordinance. In the event acceptance does not take place, or should all ordinance adoption procedures and timelines not be completed, this Franchise and any and all rights granted hereunder to the Grantee shall be null and void.

14.2.2 Upon acceptance of this Franchise, the Grantee and the City shall be bound by all the terms and conditions contained herein. The Grantee agrees that this Franchise is not inconsistent with applicable law or regulations at the time it is executed.

14.2.3 Grantee shall accept this Franchise in the following manner:

   14.2.3.1 This Franchise will be properly executed and acknowledged by Grantee and delivered to City.

   14.2.3.2 With its acceptance, Grantee shall also deliver any grant payments, performance bond and insurance certificates required herein that are due but have not previously been delivered.

14.3 **Binding Acceptance.**

This Franchise shall bind and benefit the parties hereto and their respective authorized heirs, beneficiaries, administrators, executors, receivers, trustees, successors and assigns.

Passed and adopted this 5th day of December, 2000.

Quad Cities I-Net Performance Standards

Upon completion of the I-Net upgrade specified in Section 7 of the Franchise:

I. Video Transmission
   A. Video transmission will comply with the following performance standards:
      1. Carrier to noise ratio = 45dB or better
      2. Carrier to composite triple beat = 53dB or better
      3. Carrier to composite second order = 55dB or better
      4. Carrier to cross modulation = 55dB or better
      5. System signal level variations (peak to valley) = n/10+2 or better for all coaxial cable portions of the I-Net (where N = the number of amplifiers in cascade).

   B. Testing will occur twice yearly following the timing established in 47 C.F.R. § 76.601 and 76.605.
      1. From the institution to the longest subscriber cascade.
      2. From the institution through the applicable headend/hub site returning back to the same institution.
      3. Performed using existing I-Net carriers active at the time of the testing, which will subject them to service interruptions.
      4. Completed at Grantee-designated entry demarcation point at the institution.
      5. The system will meet calculated worst case fully loaded video and audio measurements, taking into consideration existing I-Net data loading at the time the measurement is taken.
      6. Under ordinary operating conditions.

II. Digital Transmission
   A. For I-Net that is 50% or more coaxial cable, a Bit Error Rate of 1x10(-8) at the demarcation point.
      1. Outage times not included
      2. Ordinary operating conditions

   B. For I-Net that is 50% or more fiber optic cable, a Bit Error Rate of 1x10(-9) at the demarcation point.
      1. Outage times not included
      2. Ordinary operating conditions

   C. For both coaxial and fiber network, the company will meet or exceed a reliability factor of 99.965% on an annual basis.

   D. Testing will occur twice yearly, during the months of January/February and
III. Repair and Maintenance
   A. Grantee will provide a repair force of technicians capable of responding properly to all requests for service by I-Net Users and available on a 7x24x365 basis.
   B. Under normal operating conditions, the initial page to the technician on call will be within a 10 minute time frame. Barring situations that are outside the control of the Grantee (i.e., physical damage to the network caused by third parties not under the control of the Grantee, weather related restrictions, etc.), the Grantee will continue to work on a service problem until it is resolved, and complete its resolution of such problem within eight (8) hours, if resolution of such problem is within the control of the Grantee.
   C. Fiber, over and above that which is required by Section 7.1 of the Franchise, may be incorporated, where necessary, to reduce amplifier cascades to meet performance standards. Where possible, fiber Nodes may be located within the building or facility of an I-Net User.
   D. Preventative and routine maintenance of the I-Net shall be performed in the same time frame and in the same fashion as routine and preventative maintenance are performed for the Grantee’s subscriber network. Actual or potential problems discovered during the course of preventative and routine maintenance shall be immediately reported to the Commission. After informing the Commission on an actual or potential problem, the Grantee shall, within a reasonable period of time, prepare and transmit a report to the Commission describing the corrective action, if any, that was or will be taken.
   E. I-Net Users will be notified at least seven days in advance of any scheduled maintenance that will interrupt service on the I-Net, unless I-Net Users agree to waive such time frame. Where possible, such maintenance will be scheduled at times of low usage.

SECTION 2.
GRANT OF AUTHORITY AND GENERAL PROVISIONS

2.1 Grant of Franchise.

This Franchise is granted pursuant to the terms and conditions contained herein and in applicable law. The Grantee shall comply with all provisions of this Franchise and applicable laws, regulations and codes. Failure of the Grantee to construct, operate and maintain a System as described in this Franchise, or to meet obligations and comply with all provisions herein, may be deemed a violation of this Franchise.

2.2 Grant of Nonexclusive Authority.

2.2.1 Subject to the terms of this Franchise, the City hereby grants the Grantee the right to own, construct, operate and maintain a System along the Rights-of-Way. The grant of authority set forth in this Franchise applies only to the Grantee's provision of Cable Service; provided, however, that nothing herein shall limit the Grantee's ability to use the System for other purposes not inconsistent with applicable law or with the provision of Cable Service; and provided further, that any local, State and federal authorizations necessary for the Grantee's use of the System for other purposes are obtained by the Grantee. This Franchise does not confer any rights other than as expressly provided herein, or as provided by federal, State or local law. No privilege or power of eminent domain is bestowed by this Franchise or grant. The System constructed and maintained by Grantee or its agents pursuant to this Franchise shall not interfere with other uses of the Rights-of-Way. The Grantee shall make use of existing poles and other aerial and underground facilities available to the Grantee to the extent it is technically and economically feasible to
do so. However, the City and Grantee acknowledge that QC owns and operates facilities in the Rights-of-Way which will be utilized by Grantee to provide Cable Services. So long as QC does not provide Cable Service to Subscribers in the City, QC will not be subject to applicable law and the terms and conditions contained in this Franchise. QC's installation and maintenance of facilities in the Rights-of-Way is governed by applicable local, state and federal law. To the extent Grantee constructs and installs facilities in the Rights-of-Way, such facilities and operation of such facilities will be subject to the terms and conditions contained in this Franchise. The City and Company agree that to the extent QC violates any applicable federal, state, or local laws, rules, and regulations, the City shall seek compliance directly from QC. In the event, the City cannot resolve these violations or disputes with QC, the City may look to Grantee to ensure such compliance. Failure by Grantee to ensure QC's or any other Affiliate's compliance with applicable local, state and federal laws, rules, and regulations shall be deemed a material breach of this Franchise by Grantee.

2.2.2 Notwithstanding the above grant to use Rights-of-Way, no Right-of-Way shall be used by the Grantee if the City determines that such use is inconsistent with the terms, conditions, or provisions by which such Right-of-Way was created or dedicated, or with the present use of the Right-of-Way.

2.2.3 This Franchise and the right it grants to use and occupy the Rights-of-Way shall not be exclusive and this Franchise does not, explicitly or implicitly, preclude the issuance of other franchises or similar authorizations to operate Cable Systems within the City. Provided, however, that the City shall not authorize or permit another Person to construct, operate or maintain a Cable System on material terms and conditions which are, taken as a whole, more favorable or less burdensome than those applied to the Grantee.

2.2.4 This Franchise authorizes only the use of Rights-of-Way. Therefore, the grant of this Franchise and the payment of franchise fees hereunder shall not exempt the Grantee from the obligation to pay compensation or fees for the use of City property, both real and personal, other than the Rights-of-Way; provided, however, that such compensation or fees are required by City ordinance, regulation or policy and are nondiscriminatory.

2.2.5 Should any other multichannel video programming distributor ("MVPD") over which the City has regulatory jurisdiction provide Cable Service in the current Cable Service area, the City shall not grant more favorable terms, taken as a whole, to such MVPD than are granted to the Grantee. In the event that another Person operates a Cable System authorized by the City on terms and conditions that are, taken as a whole, more favorable or less burdensome than the terms and conditions applicable to the Grantee under this Franchise, the City shall adjust any such terms and conditions in any other Person's authorization or this Franchise so that the terms and conditions under which such Person operates, taken as a whole, are not more favorable or less burdensome than those that are applied to the Grantee.

2.3 **Lease or Assignment Prohibited.**
No Person may lease Grantee's System for the purpose of providing Cable Service until and unless such Person shall have first obtained and shall currently hold a valid Franchise or other lawful authorization containing substantially similar burdens and obligations to this Franchise, including, without limitation, a requirement on such Person to pay franchise fees on such Person's use of the System to provide Cable Services, to the extent there would be such a requirement under this Franchise if the Grantee itself were to use the System to provide such Cable Service. Any assignment of rights under this Franchise shall be subject to and in accordance with the requirements of this Franchise.

2.4 Franchise Term.

The Franchise term shall commence on the Effective Date specified in this Franchise. The term of this Franchise shall be ten (10) years from the Effective Date specified in this Franchise.

25 Compliance with Applicable Laws, Resolutions and Ordinances.

2.5.1 The terms of this Franchise shall define the contractual rights and obligations of the Grantee with respect to the provision of Cable Service and operation of the System in the City. However, the Grantee shall at all times during the term of this Franchise be subject to the lawful exercise of the police powers of the City, the City's the right to adopt and enforce additional generally applicable ordinances and regulations, and lawful and applicable zoning, building, permitting and safety ordinances and regulations. The grant of this Franchise does not relieve the Grantee of its obligations to obtain any generally applicable licenses, permits or other authority as may be required by the City Code, as it may be amended, for the privilege of operating a business within the City or for performing work on City property or within the Rights-of-Way, to the extent not inconsistent with this Franchise. Except as provided below, any modification or amendment to this Franchise, or the rights or obligations contained herein, must be within the lawful exercise of the City's police powers, as enumerated above, in which case the provision(s) modified or amended herein shall be specifically referenced in an ordinance of the City authorizing such amendment or modification. This Franchise may also be modified or amended with the written consent of the Grantee as provided in this Franchise. In no event shall the City adopt or amend any City ordinance or regulation so as to modify the build out requirements set forth in Sections 4.3.1(ii) and 4.3.1(iii) herein without the Grantee’s consent.

2.5.2 The Grantee shall comply with the terms of any City ordinance or regulation of general applicability which addresses usage of the Rights-of-Way within the City which may have the effect of superseding, modifying or amending the terms of Section 3 and/or Section 8.5.3 herein; except that the Grantee shall not, through application of such City ordinance or regulation of Rights-of-Way, be subject to additional burdens with respect to usage of Rights-of-Way that exceed burdens on similarly situated Right-of-Way users. In no event shall the City adopt or amend any City ordinance or
regulation so as to modify the build out requirements set forth in Sections 4.3.1(ii) and 4.3.1(iii) herein without the Grantee’s consent.

2.5.3 In the event of any conflict between Section 3 and/or Section 8.5.3 of this Franchise and any lawfully applicable City ordinance or regulation which addresses usage of the Rights-of-Way, the conflicting terms in Section 3 and/or Section 8.5.3 of this Franchise shall be superseded by such City ordinance or regulation; except that the Grantee shall not, through application of such City ordinance or regulation of Rights-of-Way, be subject to additional burdens with respect to usage of Public Rights-of-Way that exceed burdens on similarly situated Right-of-Way users. Section 4 of this Franchise shall not be superceded by any allegedly conflicting provision of a City ordinance or regulation.

2.5.4 In the event any lawfully applicable City ordinance or regulation which addresses usage of the Rights-of-Way adds to, modifies, amends, or otherwise differently addresses issues addressed in Section 3 and/or Section 8.5.3 of this Franchise, the Grantee shall comply with such ordinance or regulation of general applicability, regardless of which requirement was first adopted; except that the Grantee shall not, through application of such City ordinance or regulation of Rights-of-Way, be subject to additional burdens with respect to usage of Rights-of-Way that exceed burdens on similarly situated Rights-of-Way users. Section 4 of this Franchise shall not be superceded by any allegedly conflicting provision of a City ordinance or regulation.

2.5.5 In the event the Grantee cannot determine how to comply with any Right-of-Way requirement of the City, whether pursuant to this Franchise or other requirement, the Grantee shall immediately provide written notice of such question, including the Grantee’s proposed interpretation, to the City. The City shall provide a written response within ten (10) business days of receipt indicating how the requirements cited by the Grantee apply. The Grantee may proceed in accordance with its proposed interpretation in the event a written response is not received within thirteen (13) business days of mailing or delivering such written question.

2.6 Rules of Grantee.

The Grantee shall have the authority to promulgate such rules, regulations, terms and conditions governing the conduct of its business as shall be reasonably necessary to enable said Grantee to exercise its rights and perform its obligations under this Franchise and applicable law, and to assure uninterrupted service to each and all of its Subscribers; provided that such rules, regulations, terms and conditions shall not be in conflict with provisions of this Franchise or applicable law.
2.7 **Territorial Area Involved.**

This Franchise is granted for the corporate boundaries of the City, as they exist from time to time.

2.8 **Notice.**

All notices, reports, or demands required to be given in writing under this Franchise shall be deemed to be given when delivered personally to any officer of the Grantee or the City's designated Franchise administrator, or forty-eight (48) hours after it is deposited in the United States mail in a sealed envelope, with registered or certified mail postage prepaid thereon, addressed to the party to whom notice is being given, as follows:

applicable law; and (iv) it has been accepted and executed by the Grantee and the City (the "Effective Date").

SECTION 3.
CONSTRUCTION STANDARDS

3.1 Registration, Permits and Construction Codes.

3.1.1 The Grantee shall strictly adhere to all applicable State and local laws, regulations and policies adopted by the City Council applicable to the location, construction, installation, operation or maintenance of the System in the City. The City has the right to supervise all construction or installation work performed in the Rights-of-Way as it shall find necessary to ensure compliance with the terms of this Franchise and other applicable provisions of law and regulations.

3.1.2 Failure to obtain permits or to comply with permit requirements shall be grounds for revocation of this Franchise, or any lesser sanctions provided herein or in any other applicable law, code or regulation.

3.2 Restoration of Rights-of-Way and Property.

Any Rights-of-Way, or any sewer, gas or water main or pipe, drainage facility, electric, fire alarm, police communication or traffic control facility of the City, or any other public or private property, which is disturbed, damaged or destroyed by Grantee during the construction, repair, replacement, relocation, operation, maintenance, expansion, extension or reconstruction of the System shall be promptly and fully restored, replaced, reconstructed or repaired by the Grantee, at its expense, to the same condition as that prevailing prior to the Grantee's work, to the extent consistent with applicable statutes and rules. It is agreed that in the normal course, with respect to fire and police department facilities and equipment, and water and sewer facilities, and other essential utilities and services, as determined by the City, such restoration, reconstruction, replacement or repairs shall be commenced immediately after the damage, disturbance or destruction is incurred, and the Grantee shall take diligent steps to complete the same, unless an extension of time is obtained from the appropriate City agency or department. In all other cases, reconstruction, replacement, restoration or repairs shall be commenced within no more than three (3) days after the damage, disturbance or destruction is incurred, and shall be completed as soon as reasonably possible thereafter. If the Grantee shall fail to perform the repairs, replacement, reconstruction or restoration required herein, the City shall have the right to put the Rights-of-Way, public, or private property back into good condition. In the event City determines that the Grantee is responsible for such disturbance or damage, the Grantee shall be obligated to fully reimburse the City for required repairs, reconstruction and restoration.
3.3. **Conditions on Right of Way Use.**

3.3.1 Nothing in this Franchise shall be construed to prevent the City from constructing, maintaining, repairing or relocating sewers; grading, paving, maintaining, repairing, relocating and/or altering any Right-of-Way; constructing, laying down, repairing, maintaining or relocating any water mains; or constructing, maintaining, relocating, or repairing any sidewalk or other public work.

3.3.2 All System transmission and distribution structures, lines and equipment erected by the Grantee within the City shall be located so as not to obstruct or interfere with the use of Rights-of-Way except for normal and reasonable obstruction and interference which might occur during construction and to cause minimum interference with the rights of property owners who abut any of said Rights-of-Way and not to interfere with existing public utility installations.

3.3.3 The Grantee shall, at its sole expense, by a reasonable time specified by the City, protect, support, temporarily disconnect, relocate or remove any of its property when required by the City by reason of traffic conditions; public safety; Rights-of-Way construction; street maintenance or repair (including resurfacing or widening); change in Right-of-Way grade; construction, installation or repair of sewers, drains, water pipes, power lines, signal lines, tracks or any other type of government-owned communications or traffic control system, public work or improvement of government-owned utility; Right-of-Way vacation; or for any other purpose where the convenience of the City would be served thereby. If the Grantee fails, neglects, or refuses to comply with the City's request, the City may protect, support, temporarily disconnect relocate or remove the appropriate portions of the System at the Grantee's expense for any of the City's incremental costs incurred as a result of the Grantee's failure to comply. Except for the City's gross negligence, the City shall not be liable to the Grantee for damages resulting from the City's protection, support, disconnection, relocation or removal, as contemplated in the preceding sentence.

3.3.4 The Grantee shall not place poles, conduits, or other fixtures of the System above or below ground where the same will interfere with any gas, electric, telephone, water or other utility fixtures and all such poles, conduits, or other fixtures placed in any Right-of-Way shall be so placed as to comply with all lawful requirements of the City.

3.3.5 The Grantee shall, upon request of any Person holding a moving permit issued by the City, temporarily move its wires or fixtures to permit the moving of buildings with the expense of such temporary removal to be paid by the Person requesting the same (except in the case where the requesting Person
is the City for the purpose of moving a City-owned building, in which case no payment shall be required). The Grantee shall be given not less than ten (10) days' advance written notice to arrange for such temporary wire changes.

3.3.6 To the extent consistent with generally applicable City Code provisions, rules and regulations, the Grantee shall have the right to remove, cut, trim and keep clear of its System trees or other vegetation in and along or overhanging the Rights-of-Way. However, in the exercise of this right, the Grantee agrees not to cut or otherwise injure said trees to any greater extent than is reasonably necessary. This Franchise does not give the Grantee any authority to remove trees on private property in the City. All trimming shall be performed at no cost to the City.

3.3.7 The Grantee shall use its best efforts to give prior notice to any adjacent private property owners who will be negatively affected or impacted by Grantee's work in the Rights-of-Way.

3.3.8 If any removal, relaying or relocation is required to accommodate the construction, operation or repair of the facilities of a Person that is authorized to use the Rights-of-Way, the Grantee shall, after thirty (30) days' advance written notice, and payment of all costs by such Person, commence action to effect the necessary changes requested by the responsible entity. If multiple responsible parties are involved, the City may resolve disputes as to the responsibility for costs associated with the removal, relaying or relocation of facilities among entities authorized to install facilities in the Rights-of-Way if the parties are unable to do so themselves, and if the matter is not governed by a valid contract between the parties or any State or federal law or regulation.

3.3.9 In the event the System creates or is contributing to an imminent danger to health, safety or property, as reasonably determined by the City, the City, after providing notice to the Grantee, if it is reasonably feasible to do so, may remove or relocate any or all parts of the System at no expense to the City, other than the City's costs to act on such determination.

3.4 Use of Existing Poles and Undergrounding of Cable.

3.4.1 Where existing poles, underground conduits, ducts or wire holding structures are available for use by the Grantee, but it does not make arrangements for such use, the City may require, through the established permit, or any other applicable procedure, the Grantee to use such existing poles and wireholding structures if the City determines that the public convenience would be enhanced thereby and the terms available to the Grantee for the use of such poles and structures are just and reasonable.

3.4.2 The Grantee agrees to place its cables, wires or other like facilities underground, in the manner as may be required by the provisions of the City Code and City policies, procedures, rules and regulations, as amended from time to time, where all utility facilities are placed underground. The Grantee shall not place facilities,
equipment or fixtures where they will interfere with any existing gas, electric, telephone, water, sewer or other utility facilities or with any existing installations of the City, or obstruct or hinder in any manner the various existing utilities serving the residents of the City. To the extent consistent with the City Code, City policies, procedures, rules and regulations, System cable and facilities may be constructed overhead where poles exist and electric or telephone lines or both are now overhead. However, in no case may the Grantee install poles in areas of the City where underground facilities are generally used by the utilities already operating. If the City, at a future date, requires all electric and telephone lines to be placed underground in all or part of the City, the Grantee shall, within a reasonable time, similarly move its cables and lines, at no expense to the City, and shall not seek damages from the City for such compliance.

3.5 **Installation of Facilities.**

3.5.1 No poles, towers, conduits, amplifier boxes, pedestal mounted terminal boxes, similar structures, or other wire-holding structures shall be erected or installed by the Grantee without obtaining any required permit or other authorization from the City.

3.5.2 No placement of any pole or wire holding structure of the Grantee is to be considered a vested fee interest in the Rights-of-Way or in City property. Whenever feasible, all transmission and distribution structures, lines, wires, cables, equipment and poles or other fixtures erected by the Grantee within the City are to be so located and installed as to cause minimum interference with the rights and convenience of property owners.

3.6 **Safety Requirements.**

3.6.1 All applicable safety practices required by law shall be used during Grantee’s construction, maintenance and repair of the System. The Grantee agrees, at all times, to employ ordinary and reasonable care and to install and maintain in use commonly accepted methods and devices for preventing failures and accidents that are likely to cause damage or injuries to the public or to property. All structures and all lines, equipment and connections in the Rights-of-Way shall at all times be kept and maintained in a safe condition, consistent with applicable safety codes.

3.6.2 The Grantee's construction, operation or maintenance of the System shall be conducted in such a manner as not to interfere with City communications technologies related to the health, safety and welfare of City residents.

3.6.3 The Grantee shall install and maintain such devices as will apprise or warn Persons using the Rights-of-Way of the existence of work being performed on the System in Rights-of-Way.

3.6.4 The Grantee, or its Affiliate, shall be a member of the One Call Notification System (otherwise known as “Gopher State One Call”) or its successor, and shall field mark the locations of its underground facilities upon request. Throughout the term of this
Franchise, the Grantee shall identify the location of its facilities for the City at no charge to the City.

3.7 **Removal of Facilities at Expiration of Franchise.**

At the expiration of the term for which this Franchise is granted, or upon the expiration of any renewal or extension period which may be granted, the City shall have the right to require the Grantee, at the Grantee's sole expense: (i) to remove all portions of the System used exclusively for the provision of Cable Service from all Rights-of-Way within the City; and (ii) to restore affected sites to their original condition. Should the Grantee fail, refuse or neglect to comply with the City's directive, any portions of the System used exclusively for the provision of Cable Service may at the option of the City become the sole property of the City, at no expense to the City, or be removed, altered or relocated by the City at the cost of the Grantee. The City shall not be liable to the Grantee for damages resulting from such removal, alteration or relocation.

**SECTION 4.**

**DESIGN PROVISIONS**

4.1 **System Facilities and Equipment.**

4.1.1 The System generally shall have at least the following characteristics:

4.1.1.1 A modern design when built, utilizing an architecture that will permit additional improvements necessary for high-quality and reliable service throughout the Franchise term, and the capability to operate continuously on a twenty-four hour a day basis without severe material degradation during operating conditions typical to the Minneapolis/St. Paul metropolitan area;

4.1.1.2 Grantee shall maintain standby power generators capable of powering all headend equipment for at least twenty-four (24) hours. The back-up power supplies serving the System shall be capable of providing power to the System for not less than three (3) hours per occurrence measured on an annual basis according to manufacturer specifications in the event of an electrical outage. The Grantee shall maintain sufficient portable generators to be deployed in the event that the duration of a power disruption is expected to exceed three (3) hours;

4.1.1.3 Facilities of good and durable quality, generally used in high-quality, reliable systems of similar design;

4.1.1.4 A System that conforms to or exceeds all applicable FCC technical performance standards, as amended from time to time, which standards are incorporated herein by reference, and any other applicable technical performance standards. End of the line
performance must meet or exceed FCC specifications at the end of the Subscriber Drop;

4.1.5 A System shall, at all times, comply with applicable federal, State and local rules, regulations, practices and guidelines pertaining to the construction, upgrade, operation, extension and maintenance of Cable Systems, including, by way of example (but not limitation):

(A) National Electrical Code, as amended from time to time; and

(B) National Electrical Safety Code (NESC), as amended from time to time.

4.1.6 Facilities and equipment sufficient to cure violations of applicable FCC technical standards and to ensure that Grantee’s System remains in compliance with the standards specified in subsection 4.1.5;

4.1.7 Such facilities and equipment as necessary to maintain, operate and evaluate the Grantee's System for compliance with applicable FCC technical and customer service standards, as such standards may hereafter be amended;

4.1.8 Status monitoring equipment to alert the Grantee when and where back-up power supplies are being used;

4.1.9 All facilities and equipment required to properly test the System and conduct an ongoing and active program of preventative maintenance and quality control, and to be able to quickly respond to customer complaints and resolve System problems;

4.1.10 Antenna supporting structures designed in accordance with any applicable governmental building codes, as amended, and painted, lighted and erected and maintained in accordance with all applicable rules and regulations of the Federal Aviation Administration, the Federal Communications Commission and all other applicable codes and regulations;

4.1.11 Facilities and equipment at the headend allowing the Grantee to transmit or cablecast signals in substantially the form received, without substantial alteration or deterioration;

4.1.12 The Grantee shall provide adequate security provisions in its Subscriber site equipment to permit parental control over the use of Grantee's Cable Service. The Grantee, however, shall bear no responsibility for the exercise of parental controls and shall incur no
liability for any Subscriber's or viewer's exercise or failure to exercise such controls;

4.1.13 Facilities and equipment capable of operating within the temperature ranges typical to the climate over the calendar year;

4.1.14 The System shall be so constructed and operated that there is no perceptible deterioration in the quality of Public, Educational or Governmental Access Channel signals after delivery of such signals to the first interface point with Grantee's headend or the subscriber network, whichever is applicable, as compared with the quality of any other channel on the System. As used in this paragraph, "deterioration" refers to delivery that is within the control of the Grantee; and

4.1.2 The Grantee is authorized to operate the System within the territorial limits of the City as of the Effective Date of this Franchise.

4.1.3 The System shall provide sufficient capacity for interactive services at all times and have capacity materially equivalent to at least 870 MHz for all active and passive components.

4.1.4 The System shall initially have a minimum channel capacity to provide at least 78 channels downstream to all Subscribers, plus additional capacity for other services.

4.1.5 The System shall be designed and constructed in order to allow distribution of PEG Channels as provided in this Franchise.

4.1.6 All power supplies for the System shall be equipped with standby power capability in accordance with this Section 4.1, and shall use status monitoring equipment at all power supply locations.

4.1.7 Emergency Alert System. The Grantee shall install and thereafter maintain an Emergency Alert System (“EAS”) fully compliant with local, state and federal EAS requirements. This EAS shall at all times be operated in compliance with FCC regulations. The System shall be capable of allowing authorized officials to override the audio and video on all channels on the System that may be lawfully overridden.

4.1.8 The Grantee shall not assert or otherwise raise any claim before a court of competent jurisdiction or any administrative agency alleging that, as of the Effective Date of this Franchise, the minimum System design and performance requirements set forth in this Franchise are unenforceable under or inconsistent with then current applicable laws or regulations, or any orders or decisions of the FCC.
4.2 [Intentionally deleted.]

4.3 System Construction Timetable.

4.3.1 Reasonable Build-Out of the Entire City. The Parties recognize that Grantee, or its affiliate QC, has constructed a legacy communications system throughout the City that is capable of providing voice grade service. The Parties further recognize that Grantee or its affiliate QC must upgrade its existing legacy communications system and construct new facilities to make it capable of providing Cable Service. The Parties agree that the following is a reasonable build-out schedule taking into consideration Grantee’s desire for a standard based on market success and the requirements of Minnesota state law.

(i) Complete Equitable Build-Out. Grantee aspires to provide Cable Service to all households in the City within five (5) years of the Effective Date. In addition, Grantee commits that a significant portion of its investment will be targeted to areas below the median income in the City.

(ii) Initial Minimum Build-Out Commitment. Grantee agrees to be capable of serving a minimum of fifteen percent (15%) of the City’s households with Cable Service during the first two (2) years of the initial Franchise term, provided, however that Grantee will make its best efforts to complete such deployment within a shorter period of time; Grantee shall make available and offer Cable Service to all Qualified Living Units identified in the reports and maps, as required below showing the number of Qualified Living Units in the City as of the Effective Date. The parties acknowledge and agree that Qualified Living Units identified as of the Effective Date may materially exceed fifteen percent (15%) of City’s households. This initial minimum build-out commitment shall include deployment equitably throughout the City and to a significant number of households below the medium income in the City. Nothing in this Franchise shall restrict Grantee from serving additional households in the City with Cable Service.

(iii) Additional Build-Out Based on Market Success. If, at any quarterly meeting, as required below, Grantee is actually serving twenty seven and one-half percent (27.5%) of the Qualified Living Units, then Grantee agrees the minimum build-out commitment shall increase to include an additional fifteen (15%) of the total households in the City, which Grantee agrees to serve within two (2) years from the quarterly meeting; provided, however, the Grantee shall make its best efforts to complete such deployment within a shorter period of time. For example, if, at a quarterly meeting with the Commission’s Executive Director, Grantee shows that sixty percent (60%) of the households in the City are Qualified Living Units and Grantee is actually serving thirty percent (30%) of those households with Cable Service, then Grantee shall serve an additional fifteen percent (15%) of the total households in the City no later than 2 years after that quarterly meeting (a total of seventy-five (75%) of the total
households). This additional build-out based on market success shall continue until every household in the City is served.

(iv) **Quarterly Meetings.** Commencing the first calendar quarter after the Effective Date, and continuing throughout the term of this Franchise, Grantee shall, unless otherwise directed by the Commission, meet quarterly with the Executive Director of the Commission. At each quarterly meeting, Grantee shall present information acceptable to the City/Commission showing the number of Qualified Living Units Grantee presently capable of receiving Cable Service and the number of Qualified Living Units that Grantee is actually serving with Cable Service. Grantee shall also present information acceptable to the City/Commission that Grantee is equitably serving all portions of the City in compliance with this subsection 4.3.1. In order to permit the City/Commission to monitor and enforce the provisions of this section and other provisions of this Franchise, the Grantee shall promptly, upon reasonable demand, show to the City/Commission (to the City/Commission’s reasonable satisfaction) maps and provide other documentation showing exactly where within the City the Grantee is currently providing Cable Service.

(v) Specifically, the Grantee shall present reports and maps showing the Commission the following information:

a. The total number of Living Units throughout the City;

b. The total number of Qualified Living Units throughout the City both as of the Effective Date and the then-current calendar quarter;

c. The total number of Qualified Living Units, in the City, subscribing to the Cable Service provided by the Grantee;

d. Locations of all Qualified Living Units throughout the City.

4.3.2 All construction shall be performed in accordance with applicable laws and regulations, except where specifically waived by the City.

4.3.3 The Grantee shall make best efforts to provide the City with notice prior to its commencement of steps of the System construction in which possible service disruptions or physical construction activities may occur.

4.3.4 No System Node shall be activated until it is tested, and the Grantee determines that all applicable technical standards have been met or exceeded.

4.4 **Periodic Progress Report.**

4.4.1 Public Notification. The Grantee shall establish and maintain some
reasonable means by which to inform the public and its Subscribers about:
Cable Service availability.

4.5 **Line Extension Requirements.**

4.5.1 Subject to subsection 4.3 above, the Grantee shall make Cable Service available
to all Qualified Living Units within the City, including multiple dwelling unit
buildings except for multiple dwelling unit buildings to which the Grantee,
after best efforts, has not obtained authorization to access.

Grantee shall have a line extension obligation a reasonable time after the first date
by which Grantee is providing Cable Service to more than fifty percent (50%) of
all subscribers receiving facilities based Cable Service from both the Grantee and
any other provider(s) of Cable Service within the City based on such Subscriber
count information as City may possess, including information available to the
City on a trade-secret or non-public basis. At that time, the City, in its reasonable
discretion and after meeting with Grantee, shall discuss the timeframe to complete
deployment to the remaining households in the City subject to a Line Extension
requirement that is the same or similar to the requirement of the incumbent
franchised cable operator.

4.5.2 Within the City's boundaries, including any areas annexed after the Effective
Date of this Franchise, the Grantee must provide Service to a Qualified Living
Unit upon request.

4.6 **System Maintenance.**

4.6.1 The Grantee shall interrupt Service only for good cause and for the shortest time
possible. Such interruption shall occur during periods of minimum use of the
System. The Grantee shall use its best efforts to provide the City with at least
twenty-four (24) hours' prior notice of a planned service interruption, except for a
planned service interruption which will have a minimal impact on Subscribers,
usually meaning affecting less than one hundred (100) Subscribers or less than a
fifteen (15) minute interruption.

4.6.2 Maintenance of the System shall be performed in accordance with the applicable
technical performance and operating standards established by FCC rules and
regulations. Should the FCC choose to abandon this field and does not preempt the
City's entry into this field, the City may adopt such technical performance and
operating standards as its own, and the Grantee shall comply with them at all times.

4.7 **System Tests and Inspections; Special Testing.**

4.7.1 Grantee shall perform all tests necessary to demonstrate compliance with the
requirements of the Franchise and other performance standards established by law or
regulation.

4.7.2 The City shall have the right to inspect all construction or installation work
performed pursuant to the provisions of this Franchise. In addition, the City may
require special testing of a location or locations within the System if there is a particular matter of controversy or unresolved complaints regarding System construction, operations or installation work pertaining to such location(s). Such tests shall be limited to the particular matter in controversy. The City shall endeavor to so arrange its request for such special testing so as to minimize hardship or inconvenience to the Grantee or to the Subscribers of such testing.

4.7.3 Before ordering such tests, the Grantee shall be afforded thirty (30) days following receipt of written notice to investigate and, if necessary, correct problems or complaints upon which tests were ordered. The City shall meet with the Grantee prior to requiring special tests to discuss the need for such and, if possible, visually inspect those locations which are the focus of concern. If, after such meetings and inspections, the City wishes to commence special tests and the thirty (30) days have elapsed without correction of the matter in controversy or resolution of complaints, the tests shall be conducted at the Grantee's expense by a qualified engineer selected by the City and the Grantee, and Grantee shall cooperate in such testing.

4.7.4 Unless otherwise provided in this Franchise, tests shall be supervised by the Grantee's chief technical authority, or designee, who shall certify all records of tests provided to the City.

4.7.5 The Grantee shall provide the City with at least two (2) business days' prior written notice of, and opportunity to observe, any tests performed on the System.

4.7.6 Test results shall be filed with the City within fourteen (14) days of a written request by the City.

4.7.7 If any test indicates that any part or component of the System fails to meet applicable requirements, the Grantee, without requirement of additional notice or request from the City, shall take corrective action, retest the locations and advise the City of the action taken and the results achieved by filing a written report certified by the Grantee's chief technical authority.

4.8 Drop Replacement.

The Grantee shall replace, at no separate charge to an individual Subscriber, all Drops and/or associated passive equipment in accordance with applicable law including FCC regulations.

4.9 FCC Reports.

Unless otherwise required by the terms of this Franchise, the results of any tests required to be filed by Grantee with the FCC or in the Grantee's public file as it relates to this Franchise shall upon request of the City also be filed with the City within ten (10) days of the request.

4.10 Nonvoice Return Capability.

Grantee is required to use cable and associated electronics having the technical capacity for nonvoice return communications.
4.11 **Lockout Device.**

Upon the request of a Subscriber, the Grantee shall make a Lockout Device available at no additional charge, other than a charge for a Set Top Box.

4.12 **Types of Service.**

Should the Grantee desire to change the selection of programs or services offered on any of its tiers, it shall maintain the mix, quality and level of services provided over the System. Any change in programs or services offered shall comply with all lawful conditions and procedures contained in this Franchise and in applicable law or regulations.

4.13 **Uses of System.**

The Grantee shall, upon request of the Commission, advise the Commission of all active uses of the System, for both entertainment and other purposes, and the Commission shall have the right to conduct unannounced audits of such usage.

**SECTION 5.**

**SERVICE PROVISIONS**

5.1 **Customer Service Standards.**

The Grantee shall at all times comply with applicable FCC customer service standards. In addition, the Grantee shall at all times satisfy all additional or stricter customer service requirements included in this Franchise and any customer service requirements set forth in any ordinance or regulation lawfully enacted by the City.

5.2 **Video Programming.**

Except as otherwise provided in this Franchise or in applicable law, all programming decisions remain the discretion of the Grantee, provided that the Grantee notifies the Commission and Subscribers in writing thirty (30) days prior to any channel additions, deletions, or realignments unless otherwise permitted under applicable federal, State and local laws and regulations. Grantee shall cooperate with the Commission and use best efforts to provide all Subscriber notices to the Commission prior to delivery to Subscribers. Location and relocation of the PEG channels shall be governed by Sections 6.1.3-6.1.4.

5.3 **Regulation of Service Rates.**

5.3.1 The City may regulate rates for the provision of Cable Service, equipment, or any other communications service provided over the System to the extent allowed under federal or State law(s). The City reserves the right to regulate rates for any future services to the extent permitted by law.

5.3.2 The Grantee shall provide at least one billing cycle prior written notice (or such longer period as may be specified in FCC regulations) to Subscribers and to the City of any changes in rates, regardless of whether or not the Grantee
believes the affected rates are subject to regulation, except to the extent such notice requirement is specifically waived by governing law. Bills must be clear, concise, and understandable, with itemization of all charges.

5.4 **Sales Procedures.**

The Grantee shall not exercise deceptive sales procedures when marketing Services within the City. In its initial communication or contact with a Subscriber or a non-Subscriber, and in all general solicitation materials marketing the Grantee or its Services as a whole, the Grantee shall inform the non-Subscriber of all levels of Service available, including the lowest priced and free service tiers. The Grantee shall have the right to market door-to-door during reasonable hours consistent with local ordinances and regulations. Grantee may satisfy the provisions of this paragraph by providing a toll free telephone number where a Person may inquire and be informed about all levels of Service (including the lowest cost level) offered by the Grantee and the associated charges.

5.5 **Subscriber Inquiry and Complaint Procedures.**

5.5.1 The Grantee shall have a publicly listed toll-free telephone number which shall be operated so as to receive general public and Subscriber complaints, questions and requests on a twenty-four (24) hour-a-day, seven (7) days-a-week, 365 days a year basis. Trained representatives of the Grantee shall be available to respond by telephone to Subscriber and service inquiries.

5.5.2 The Grantee shall maintain adequate numbers of telephone lines and personnel to respond in a timely manner to schedule service calls and answer Subscriber complaints or inquiries in a manner consistent with regulations adopted by the FCC and the City where applicable and lawful. Under Normal Operating Conditions, telephone answer time by a customer representative, including wait time, shall not exceed thirty (30) seconds when the connection is made. If the call needs to be transferred, transfer time shall not exceed thirty (30) seconds. These standards shall be met no less than ninety (90) percent of the time under Normal Operating Conditions, measured on a quarterly basis. Under Normal Operating Conditions, the customer will receive a busy signal less than three (3) percent of the time.

5.5.3 Subject to the Grantee's obligations pursuant to law regarding privacy of certain information, the Grantee shall prepare and maintain written records of all complaints received from the City and the Commission and the resolution of such escalated complaints, including the date of such resolution. Such written records shall be on file at the office of the Grantee. The Grantee shall provide the City or Commission with a written summary of such complaints and their resolution upon request of the City or Commission. As to Subscriber complaints, Grantee shall comply with FCC record-keeping regulations, and make the results of such record-keeping available to the City or Commission upon request.
5.5.4 Excluding conditions beyond the control of the Grantee, the Grantee shall commence working on a service interruption within twenty-four (24) hours after the service interruption becomes known and pursue to conclusion all steps reasonably necessary to correct the interruption. The Grantee must begin actions to correct other service problems the next business day after notification of the service problem, and pursue to conclusion all steps reasonably necessary to correct the problem.

5.5.5 The Grantee may schedule appointments for Installations and other service calls either at a specific time or, at a maximum, during a four-hour time block during the hours of 9:00 a.m. to 8:00 p.m., Monday through Friday, and 9:00 a.m. to 5:00 p.m. on Saturdays. The Grantee may also schedule service calls outside such hours for the convenience of customers. The Grantee shall use its best efforts to not cancel an appointment with a customer after the close of business on the business day prior to the scheduled appointment. If the installer or technician is late and will not meet the specified appointment time, he/she must use his/her best efforts to contact the customer and reschedule the appointment at the sole convenience of the customer. Service call appointments must be met in a manner consistent with FCC standards.

5.5.6 The Grantee shall respond to written complaints from the City and the Commission in a timely manner, and provide a copy of each response to the City and the Commission within thirty (30) days. In addition, the Grantee shall respond to all written complaints from Subscribers within (30) days of receipt of the complaint.

5.5.7. The Grantee shall have TDD/TYY (or equivalent) equipment, and a publicly listed telephone number for such equipment, that will allow hearing impaired customers to contact the Grantee.

5.6 Subscriber Contracts.

The Grantee shall file with the Commission any standard form Subscriber contract utilized by Grantee. If no such written contract exists, the Grantee shall file with the Commission a document completely and concisely stating the length and terms of the Subscriber contract offered to customers. The length and terms of any Subscriber contract(s) shall be available for public inspection during the hours of 9:00 a.m. to 5:00 p.m., Monday through Friday.

5.7 Service Credit.

5.7.1 In the event a Subscriber establishes or terminates service and receives less than a full month's service, Grantee shall prorate the monthly rate on the basis of the number of days in the period for which service was rendered to the number of days in the billing cycle.
5.7.2 If, for any reason, Service is interrupted for a total period of more than twenty-four (24) hours in any thirty (30) day period, Subscribers shall, upon request, be credited pro rata for such interruption.

5.8 **Refunds or Credits.**

5.8.1 Any refund checks shall be issued promptly, but not later than either:

5.8.1.1 The Subscriber's next billing cycle following resolution of the request or thirty (30) days, whichever is earlier; or

5.8.1.2 The return of the equipment supplied by the Grantee if Service is terminated.

5.8.2 Any credits for Service shall be issued no later than the Subscriber's next billing cycle following the determination that a credit is warranted.

5.9 **Late Fees.**

Fees for the late payment of bills shall not be assessed until after the Service has been fully provided.

5.10 **Notice to Subscribers.**

5.10.1 The Grantee shall provide each Subscriber at the time Cable Service is installed, and at least every twelve (12) months thereafter, the following materials:

5.10.1.1 Instructions on how to use the Cable Service;

5.10.1.2 Billing and complaint procedures, and written instructions for placing a service call, filing a complaint, or requesting an adjustment (including when a Subscriber is entitled to refunds for outages and how to obtain them);

5.10.1.3 A schedule of rates and charges, channel positions and a description of products and services offered, including any free or universal service;

5.10.1.4 Prices and options for programming services and conditions of subscription to programming and other services; and

5.10.1.5 A description of the Grantee's installation and service maintenance policies, Subscriber privacy rights, and privacy rights (only at installation of such service), delinquent Subscriber
disconnect and reconnect procedures and any other of its policies applicable to Subscribers.

5.10.2 Copies of materials specified in the preceding subsection shall be provided to the Commission upon request.

5.10.3 All Grantee promotional materials, announcements and advertising of Cable Service to Subscribers and the general public, where price information is listed in any manner, shall be reasonably clear, concise, accurate and understandable.

5.11 **Exclusive Contracts and Anticompetitive Acts Prohibited.**

5.11.1 The Grantee may not require a residential Subscriber to enter into an exclusive contract as a condition of providing or continuing Cable Service.

5.11.2 The Grantee shall not engage in acts prohibited by federal or State law that have the purpose or effect of limiting competition for the provision of Cable Service in the City.

5.12 **Office Availability and Payment Centers.**

5.12.1 The Grantee shall install, maintain and operate, throughout the term of this Franchise, a single staffed payment center in the Quad Cities Franchise Area with regular business hours at a location agreed upon by the Commission and the Grantee. Additional payment centers may be installed at other locations. The purpose of the payment center(s) shall be to receive Subscriber payments. All Subscriber remittances at a payment center shall be posted to Subscribers’ accounts within forty-eight (48) hours of remittance. Subscribers shall not be charged a late fee or otherwise penalized for any failure by the Grantee to properly credit a Subscriber for a payment timely made.

5.12.2 The Grantee shall, at the request of the Subscriber, deliver or retrieve equipment at no delivery charge in association with a request for service repair, or retrieval charge in association with the discontinuation of Service, (e.g., Set Top Boxes and remote controls). Grantee will not charge a Subscriber for the replacement of a defective Set Top Box or for the return of a Set Top Box when the Subscriber discontinues service.
SECTION 6.
ACCESS CHANNEL(S) PROVISIONS

6.1. **Public, Educational and Government Access.**

6.1.1 The City or its designee shall operate, administer, promote, and manage PEG access programming on the Cable System.

6.1.2 Within one hundred eighty (180) days from the Effective Date, the Grantee shall dedicate and make available seven (7) video channels for public, educational, governmental and religious use; provided, however, that the Grantee shall not be required to provide more, nor shall provide fewer, such channels than the incumbent franchise. Use of the seven (7) PEG Access Channels shall be determined by the Commission. The Commission shall have the right to rename, reprogram or otherwise change the use of these channels at any time, in its sole discretion, provided such use is Noncommercial and public, educational, governmental or religious in nature. Nothing herein shall diminish any rights of the Commission to secure additional PEG channels pursuant to Minn. Stat. § 238.084, which is expressly incorporated herein by reference.

6.1.3 Upon designating the location (i.e. channel number) of the PEG channels, the channels shall not be relocated without the consent of the Commission. Grantee shall make reasonable efforts to minimize relocations of the PEG channels. Grantee must request any channel relocation at least three (3) months prior to seeking to implement the channel relocation. Grantee shall reimburse the City, the Commission and/or PEG entity for any reasonable costs incurred for: (i) purchasing or modifying equipment, business cards, and signage; (ii) any marketing and notice of the channel change that the Commission, the City and/or PEG entity reasonably determines is necessary; (iii) logo changes; and (iv) promoting, marketing and advertising the channel location of the affected PEG channel(s) during the twelve-month period preceding the effective date of the channel change. Alternatively, the Grantee may choose to supply necessary equipment itself, provided such equipment is satisfactory to the City, the Commission or PEG entity.

6.1.4 Grantee shall make all PEG channels available in standard definition (SD), digital format, and in high definition (HD) provided that the signal received from the Commission, City or PEG entity by the Grantee is in HD, and provided that the Grantee shall not be required to provide the PEG channels at a resolution higher than the highest resolution used in connection with the Grantee’s delivery of other channels. Grantee may implement HD carriage of the PEG channels in any manner (including selection of compression, utilization of IP, amount of system capacity or bandwidth, and other processing characteristics) that produces a signal as accessible, functional, useable and of a quality comparable (meaning indistinguishable to the viewer) to broadcast HD channels carried on the cable system. The Commission acknowledges that HD programming may require the viewer to have special viewer equipment (such as an HDTV and an HD-capable digital device/receiver), but any subscriber who can view an HD signal delivered via the cable system at a receiver shall also be able to view the HD PEG channel at that receiver, without additional charges or equipment.
All of the Access Channels will be made available through a multi-channel display (i.e. a picture in picture feed) on a single TV screen called a “mosaic” (the “Quad Cities Mosaic”), where a cable subscriber can access via an interactive video menu one of any of the seven (7) Access Channels. The Quad Cities Mosaic will be located on Channel 40. The seven (7) Access Channels will be located at Channels 8440-8445 and 8049 (SD), and 8940-8945 and 8549 (HD). The Quad Cities Mosaic will contain only Access Channels authorized by the Commission, provided that the Commission may add to its Mosaic channels originated by other franchising authorities with consent of such originator if programming on such channel(s) is of public interest within the Quad Cities Franchise Area. Grantee shall not include any other programming or Channels on the Quad Cities Mosaic, or any Quad Cities originated programming on another PEG producer’s Mosaic, without the Commission’s written consent.

6.1.5 As the Grantee innovates and improves the functionality and interactivity and/or adds capability for personalization of the Mosaics, the Grantee will provide the same navigational, interactive and personalization features for the Quad Cities Mosaic Channel as are available to Subscribers for every other commercial Mosaic Channel. (For example, if a Subscriber has the capability to add selected sports or news Channels to the Sports or News Mosaics, then that Subscriber shall also be able to add a PEG Channel to any of the Mosaics.

If through technology changes or innovation in the future, the Grantee discontinues the use of Mosaic presentations for other Channels including broadcast channels and commercial cable/satellite Channels (such as the News Mosaic, the Sports Mosaic, and/or the Children’s Mosaic), then Grantee will either continue to support the Quad Cities Mosaic Channel as determined in the Commission’s sole discretion or reach mutual agreement with the Commission regarding how to accommodate the Quad Cities Mosaic Channel to ensure PEG Channels are treated no less favorably than commercial channels provided by Grantee.

6.1.6 Grantee will make its electronic programming guide vendor (“EPG provider”) available giving the Commission or City the ability to place PEG channel programming information on the Grantee’s interactive channel guide. Grantee will be responsible for providing the designations and instructions necessary to ensure the channels will appear on the programming guide and for any System costs associated therewith. The Commission shall be responsible for providing programming information to the EPG provider and for any costs the EPG provider charges to programmers who utilize its service.

6.1.7 In the event the Grantee makes any change in the System or related equipment and facilities or in signal delivery technology, which change directly or indirectly causes the signal quality or transmission of PEG channel programming or PEG services to fall below technical standards under applicable law, the Grantee shall, at its own expense, provide any necessary technical assistance, transmission equipment, and training of PEG personnel, and in addition, provide necessary assistance so that PEG facilities may be used as intended, including, among other things, so that live and taped programming can be cablecasted efficiently to
Subscribers. Grantee shall carry all components of the PEG Channels offered by the City and Commission including closed captioning, multichannel sound, DVR capability, etc.

6.1.8 All PEG channels shall be carried on the Basic Service tier.

6.2 **PEG Support Obligations.**

6.2.1 In addition to the franchise fee required under this Franchise, the Grantee shall collect from Subscribers via an itemization on customer bills (“PEG Fee”) and pay quarterly to the Commission an amount equal to three percent (3%) of its Gross Revenues. Payment of the PEG Fee shall be made to the Commission within thirty (30) days of the end of each of the Grantee's fiscal quarters together with a report showing the basis for the computation. The Commission shall have the right to require further supporting information for each payment. All amounts paid under this paragraph shall be subject to audit and recomputation by the Commission in accordance with the rights provided to the City pursuant to Section 8.3 of this Franchise. In the event the PEG Fee amount or structure paid by the incumbent cable provider to the City or Commission is modified during the term of this Franchise, then the City shall so notify the Grantee of any such change and the parties will meet to determine if the Grantee’s PEG Fee structure should be modified to ensure that Grantee’s PEG Fee payment obligations hereunder do not exceed those of the incumbent cable provider.

6.2.2 The Grantee and the City agree comply with any federal or State statutory change that entirely eliminates the Grantee's obligation to pay a franchise fee.

6.2.3 The Grantee acknowledges that the franchise held by the incumbent franchised cable provider within the Franchise Area includes obligations for an Institutional Network for the benefit of the City and other institutions and to facilitate PEG uses of the I-Net. The parties acknowledge that the public interest would not be served by duplicating existing I-Net facilities or services provided under other franchises. Grantee agrees that if any other cable operator franchised within the Franchise Area provides additional I-Net facilities or services which results in additional costs incurred by such other franchised cable operator, the Grantee shall meet with the Commission upon request of the Commission to determine a fair and equitable contribution of I-Net facilities by the Grantee to proportionately match said I-Net obligations. If the City and Grantee are not able to reach mutual agreement to resolve this issue, the Grantee and the City agree to enter into a binding mediation to determine a fair and equitable contribution by the Grantee to proportionately match (on a per month, per subscriber basis) said I-Net obligations.

6.3 **Regional Channel 6.**

The Grantee shall designate standard VHF Channel 6 for uniform regional channel usage to the extent required by State law.
6.4 **Leased Access Channels.**

The Grantee shall provide Leased Access Channels as required by federal and State law.

6.5 **Universal Service Tier.**

The Grantee shall provide Leased Access Channels as required by federal and State law.

6.5 **Universal Service Tier.**

The Grantee shall not have a Universal PEG Tier obligation until the first date by which Grantee is providing Cable Service to more than fifty percent (50%) of all subscribers receiving facilities based Cable Service from both the Grantee and any other provider(s) of Cable Service within the City. At that time, the City, in its reasonable discretion and after meeting with Grantee, shall determine the timeframe required to comply with the requirements of this Section 6.5.

6.6 **Costs and Payments not Franchise Fees.**

The parties agree that any costs to the Grantee associated with the provision of support for PEG access pursuant too Section 6 of this Franchise does not constitute and is not part of a franchise fee and falls within one or more of the exceptions to 47 U.S.C. § 542.

**SECTION 7.**

**ACCESS CHANNEL DISTRIBUTION**

7.1 **PEG Programming Connectivity.**

Grantee acknowledges that the City has acquired Institutional Network (I-Net) capacity, facilities, interconnection, services and resources from the incumbent franchised cable provider to, among other things, facilitate institutions’ deliver of PEG programming to the Commission’s master control facility. The I-Net capacity the City has acquired includes dedicated fiber capacity, facilities, interconnection, services and resources. Grantee shall provide additional connectivity for such PEG access programming purposes as provided herein, provided that the parties acknowledge that the public interest would not be served by duplicating existing I-Net facilities or services already provided under the incumbent’s franchise. To the extent required for delivery of PEG programming due to elimination of I-Net capacity provided by the incumbent provider, Grantee shall provide and maintain, free of charge and without fees or costs imposed, a direct fiber connection from an agreed upon demarcation point at City Hall to the agreed upon demarcation point at the Commissions master control or Grantee’s headend within 180 days of the City’s written request.

7.2 **Subscriber Network Drops to Designated Buildings.**

7.2.1 Grantee shall provide, free of charge, installation and activation of one (1) subscriber network Drop, and one (1) outlet to the Commission's office. Grantee shall make best efforts to provide within a reasonable period time, taking market based success and Grantee's System expansion and Service activation progress into consideration, free of charge, one (1) subscriber network Drop, and one (1)
cable outlet to City Hall. In addition, Grantee shall provide the foregoing free service and facilities to the institutions identified and designated for such facilities in Exhibit A, which is attached hereto and made a part hereof, provided such locations are Qualified Living Units and not receiving similar service from another provider.

7.2.2 The Grantee shall provide Basic Cable Service free of charge to institutions as provided in Section 7.2.1, provided, however, that the City or Commission may disconnect the other provider and require Grantee to meet the obligations herein if the location is a Qualified Living Unit. Grantee shall provide up to three (3) Set Top Boxes per institution free of charge and may charge for additional Set Top Boxes provided, however, that Grantee will provide an additional five (5) Set Top Boxes to serve additional outlets at institutional locations at the Commission or City’s discretion, provided further, however, that City Hall will receive up to seven (7) Set Top Boxes free of charge. Grantee will provide free Service at City Hall even if the site is served by another provider. The Set Top Boxes or other equipment provided to receive Service shall permit reception of SD, HD and video on demand services.

7.2.3 Institutions may add outlets at their own expense, as long as the Installation meets the Grantee's standards. The Grantee shall have three (3) months from the date of City designation of additional institution(s) to provide a drop and outlet to a Qualified Living Unit that is not receiving similar service from another provider, unless weather or other conditions beyond the control of the Grantee require more time.

7.2.4 Grantee agrees that if any broadband service is required in order to receive the Complimentary Service obligations set forth, Grantee will provide such broadband service free of charge for the provision of free Cable Service. Grantee agrees that it will not offset, deduct or reduce its payment of past, present or future Franchise Fees required as a result of its obligations required herein.

7.3 Broadband.

Throughout the term of the Franchise, and as the term may be extended, Grantee shall provide the Commission high speed internet service with a modem and up to five (5) static IP addresses, with Grantee’s highest available upstream bandwidth at such location (“Commission Broadband Service”), which may be used by the Commission for public use and various PEG purposes as determined in Commission’s sole discretion. The Commission Broadband Service shall be provided by Grantee free of charge and at no cost to the Commission for both the monthly service and equipment.

7.4 Interconnection.

7.4.1 The System serving the Commission and the City of Andover shall be completely interconnected.

7.4.2 Grantee shall provide a discreet, non-public, video interconnect network, from an agreed upon Demarcation Point at the Commission’s master control facility at the Commission’s office to Grantee’s headend. The video interconnect network shall provide sufficient allocated bandwidth to allow PEG operators that have agreed
with Grantee to share (send and receive) live and recorded programming for playback on their respective systems, provided that such allocated bandwidth shall be not less than 50 Mbps. Where available the Grantee shall provide the video interconnect network and the network equipment necessary, for the high-priority transport of live multicast HD/SD video streams as well as lower-priority file-sharing. Grantee shall provide sufficient bandwidth for each participating PEG entity to send its original programming, receive at least two (2) additional multicast HD/SD streams from any other participating PEG entity, and all the transfer of files. Each participating PEG entity is responsible for encoding its own SD/HD content in suitable bit rates to be transported by the video interconnect network without exceeding the allocated bandwidth.

7.4.3 Grantee shall make available for Interconnection purposes one (1) channel for forward video purposes, one (1) Channel for return video purposes, between the System serving the City and all other Cable systems under common ownership with Grantee that participate in the Twin Cities Metro PEG Interconnect Network.

SECTION 8.
OPERATION AND ADMINISTRATION PROVISIONS

8.1 Administration of Franchise.

The City's designated cable television administrator shall have continuing regulatory jurisdiction and supervision over the System and the Grantee's operation under the Franchise. The City may issue such reasonable rules and regulations concerning the construction, operation and maintenance of the System as are consistent with the provisions of the Franchise and law.

8.2 Delegated Authority.

The City may appoint a citizen advisory body or may delegate to any other body or Person authority to administer the Franchise and to monitor the performance of the Grantee pursuant to the Franchise. The Grantee shall cooperate with any such delegatee of the City.

8.3 Franchise Fee.

8.3.1 During the term of the Franchise, the Grantee shall pay quarterly to the City or its delegatee a Franchise fee in an amount equal to five percent (5%) of Gross Revenues.

8.3.2 Any payments due under this provision shall be payable quarterly. The payment shall be made within thirty (30) days of the end of each of Grantee's fiscal quarters together with a report showing the basis for the computation. The City shall have the right to require further supporting information for each franchise fee payment.

8.3.3 All amounts paid shall be subject to audit and recomputation by the City and acceptance of any payment shall not be construed as an accord that the amount paid is in fact the correct amount. The Grantee shall be responsible for providing the City all records necessary to confirm the accurate payment of franchise fees. The Grantee
shall maintain such records for five (5) years, unless in the Grantee’s ordinary
course of business specific records are retained for a shorter period, but in no event
less than three (3) years. If an audit discloses an overpayment or underpayment of
franchise fees, the City shall notify the Grantee of such overpayment or
underpayment. The City’s audit expenses shall be borne by the City unless the audit
determines that the payment to the City should be increased by more than five
percent (5%) in the audited period, in which case the costs of the audit shall be borne
by the Grantee as a cost incidental to the enforcement of the Franchise. Any
additional amounts due to the City as a result of the audit shall be paid to the City
within thirty (30) days following written notice to the Grantee by the City of the
underpayment, which notice shall include a copy of the audit report. If the
recomputation results in additional revenue to be paid to the City, such amount shall
be subject to a ten percent (10%) annual interest charge. If the audit determines that
there has been an overpayment by the Grantee, the Grantee may credit any
overpayment against its next quarterly payment.

8.3.4 In the event any franchise fee payment or recomputation amount is not made on or
before the required date, the Grantee shall pay, during the period such unpaid amount
is owed, the additional compensation and interest charges computed from such due
date, at an annual rate of ten percent (10%).

8.3.5 Nothing in this Franchise shall be construed to limit any authority of the City to
impose any tax, fee or assessment of general applicability.

8.3.6 The franchise fee payments required by this Franchise shall be in addition to any
and all taxes or fees of general applicability. The Grantee shall not have or make
any claim for any deduction or other credit of all or any part of the amount of said
franchise fee payments from or against any of said taxes or fees of general
applicability, except as expressly permitted by law. The Grantee shall not apply nor
seek to apply all or any part of the amount of said franchise fee payments as a
deduction or other credit from or against any of said taxes or fees of general
applicability, except as expressly permitted by law. Nor shall the Grantee apply
or seek to apply all or any part of the amount of any of said taxes or fees of general
applicability as a deduction or other credit from or against any of its franchise fee
obligations, except as expressly permitted by law.

8.3.7 To the extent Grantee or its affiliates, including any affiliate owning all or part of
the System, receives revenues for the provision of a discounted bundle of services
that includes both Cable Services and non-Cable Services, such revenues shall be
included in Grantee’s Gross Revenues using a GAAP methodology that allocates
revenue on a pro rata basis when comparing the bundled service price and its
components to the sum of the published rate card, except as required by specific
federal, state or local law (for example, it is expressly understood that equipment
may be subject to inclusion in the bundled price at full rate card value). Such
allocations shall be subject to review and challenge by the Commission or City.

Grantee reserves the right to change the allocation methodologies set forth in this
section in order to meet the standards required by governing accounting principles
as promulgated and defined by the Financial Accounting Standards Board
(“FASB”), Emerging Issues Task Force (“EITF”) and/or the U.S. Securities and Exchange Commission (“SEC”). Grantee will give the Commission written notice of any such changes and Grantee shall, upon request or as part of any audit or review of franchise fee payments, document the change in allocation methodology.

Resolution of any disputes over the classification of revenue should first be attempted by agreement of the Parties. The Commission and City reserve the right to challenge Grantee’s calculation of Gross Revenues, including the interpretation of GAAP as promulgated and defined by the FASB, EITF and/or the SEC.

8.4 **Access to Records.**

The City shall have the right to inspect, upon reasonable notice and during Grantee's administrative office hours, or require Grantee to provide within a reasonable time, on a confidential and proprietary basis, copies of any records maintained by Grantee or its Affiliates, including specifically Gross Revenues worksheets, and accounting and financial records maintained by Grantee which relate to compliance of System operations with this Franchise or other applicable law.

8.5 **Reports and Maps to be Filed with City.**

8.5.1 The Grantee shall file with the City, at the time of payment of the Franchise Fee, a report of all Gross Revenues in a form and substance as required by City.

8.5.2 The Grantee shall prepare and furnish to the City, at the times and in the form prescribed, such other reports with respect to Grantee's operations pursuant to this Franchise as the City may require. The City shall use its best efforts to protect proprietary or trade secret information all consistent with state and federal law.

8.5.3 The Grantee shall make available to the City the maps, plats and permanent records of the location and character of all facilities constructed, including underground facilities, and Grantee shall make available with the City updates of such maps, plats and permanent records as provided in Section 4 above.

8.6 **Periodic Evaluation.**

8.6.1 The City may require evaluation sessions during any quarterly meeting as provided in Section 4 above.

8.6.2 Topics which may be discussed at any evaluation session may include, but are not limited to, application of new technologies, System performance, programming offered, access channels, facilities and support, municipal uses of cable, Subscriber rates, customer complaints, amendments to this Franchise, judicial rulings, FCC rulings, line extension policies and any other topics the City deems relevant.

8.6.3 As a result of a periodic review or evaluation session, upon notification from City, Grantee shall meet with City and undertake good faith efforts to reach agreement
on changes and modifications to the terms and conditions of the Franchise which are both economically and technically feasible.

SECTION 9.
GENERAL FINANCIAL AND INSURANCE PROVISIONS

9.1. **Performance Bond.**

9.1.1 Within 30 days of the Effective Date, and at all times thereafter, until the Grantee has liquidated all of its obligations with the City and the Commission, the Grantee shall furnish a bond to the Commission in the amount of $100,000.00 in a form and with such sureties as are reasonably acceptable to the Commission. This bond will be conditioned upon the faithful performance by the Grantee of its Franchise obligations and upon the further condition that in the event the Grantee shall fail to comply with any law, ordinance or regulation governing the Franchise, there shall be recoverable jointly and severally from the principal and surety of the bond any damages or loss suffered by the Commission or City as a result, including the full amount of any compensation, indemnification or cost of removal or abandonment of any property of the Grantee, plus a reasonable allowance for attorneys' fees and costs, up to the full amount of the bond, and further guaranteeing payment by the Grantee of claims, liens and taxes due the City or the Commission which arise by reason of the construction, operation, or maintenance of the System. The rights reserved by the City and the Commission with respect to the bond are in addition to all other rights the City may have under the Franchise or any other law. The City may, from year to year, in its sole discretion, reduce the amount of the bond.

9.1.2 The time for Grantee to correct any violation or liability shall be extended by City if the necessary action to correct such violation or liability is, in the sole determination of City, of such a nature or character as to require more than thirty (30) days within which to perform, provided Grantee provides written notice that it requires more than thirty (30) days to correct such violations or liability, commences the corrective action within the thirty (30)-day cure period and thereafter uses reasonable diligence to correct the violation or liability.

9.1.3 In the event this Franchise is revoked by reason of default of Grantee, City shall be entitled to collect from the performance bond that amount which is attributable to any damages sustained by City as a result of said default or revocation.

9.1.4 Grantee shall be entitled to the return of the performance bond, or portion thereof, as remains sixty (60) days after the expiration of the term of the Franchise or revocation for default thereof, provided City or the Commission has not notified Grantee of any actual or potential damages incurred as a result of Grantee's operations pursuant to the Franchise or as a result of said default.

9.1.5 The rights reserved to City or Commission with respect to the performance bond are in addition to all other rights of City or Commission whether reserved
by this Franchise or authorized by law, and no action, proceeding or exercise of
a right with respect to the performance bond shall affect any other right City or
the Commission may have.

92 Letter of Credit.

9.2.1 Within 30 days of the Effective Date, the Grantee shall deliver to the
Commission an irrevocable and unconditional Letter of Credit, in a form and
substance acceptable to the Commission, from a National or State bank
approved by the Commission, in the amount of $25,000.00.

9.2.2 The Letter of Credit shall provide that funds will be paid to the City upon written
demand of the City, and in an amount solely determined by the City in payment
for penalties charged pursuant to this Section, in payment for any monies owed by
the Grantee to the City or any Person pursuant to its obligations under this
Franchise, or in payment for any damage incurred by the City or any Person as a
result of any acts or omissions by the Grantee pursuant to this Franchise.

9.2.3 In addition to recovery of any monies owed by the Grantee to the City or any
Person or damages to the City or any Person as a result of any acts or omissions by
the Grantee pursuant to the Franchise, the City in its sole discretion may charge
to and collect from the Letter of Credit the following penalties:

9.2.3.1 For failure to timely complete the System construction as provided in this
Franchise, unless the City or the Commission approves the delay, the
penalty shall be $500.00 per day for each day, or part thereof, such failure
occurs or continues.

9.2.3.2 For failure to provide data, documents, reports or information or to
cooperate with City or the Commission during an application process or
system review or as otherwise provided herein, the penalty shall be
$250.00 per day for each day, or part thereof, such failure occurs or
continues.

9.2.3.3 Fifteen (15) days following notice from City or Commission of a failure of
Grantee to comply with construction, operation or maintenance standards,
the penalty shall be $250.00 per day for each day, or part thereof, such
failure occurs or continues.

9.2.3.4 For failure to provide the services and the payments required by this
Franchise, including, but not limited to, the implementation and the
utilization of the PEG Access Channels, the penalty shall be $250.00 per
day for each day, or part thereof, such failure occurs or continues.

9.2.3.5 For Grantee's breach of any written contract or agreement with or to the
City or the Commission, the penalty shall be $250.00 per day for each day,
or part thereof, such breach occurs or continues.
9.2.3.6 For failure to comply with any of the provisions of this Franchise, or other City ordinance for which a penalty is not otherwise specifically provided pursuant to this subsection 9.2.3, the penalty shall be $250.00 per day for each day, or part thereof, such failure occurs or continues.

9.2.4 Each violation of any provision of this Franchise shall be considered a separate violation for which a separate penalty can be imposed; provided, however, that Grantee will not be charged under more than one penalty provision for each separate violation.

9.2.5 Whenever the City or the Commission determines that the Grantee has violated one or more terms, conditions or provisions of this Franchise, or for any other violation contemplated in subsection 9.2.3 above, a written notice shall be given to Grantee informing it of such violation. At any time after thirty (30) days (or such longer reasonable time which, in the determination of the City or the Commission, is necessary to cure the alleged violation) following local receipt of notice, provided the Grantee remains in violation of one or more terms, conditions or provisions of this Franchise, in the sole opinion of the City the City may draw from the Letter of Credit all penalties and other monies due the City from the date of the local receipt of notice.

9.2.6 Prior to drawing on the Letter of Credit, the City or the Commission shall give Grantee written notice that it intends to draw, and the Grantee may, within seven (7) days thereafter, notify the City in writing that there is a dispute as to whether a violation or failure has in fact occurred. Such written notice by the Grantee to the City shall specify with particularity the matters disputed by Grantee. All penalties shall continue to accrue, but the City or the Commission may not draw from the Letter of Credit during any appeal pursuant to this subparagraph 9.2.6.

9.2.6.1 City or the Commission shall hear Grantee's dispute within sixty (60) days and the City shall render a final decision within sixty (60) days thereafter. Withdrawal from the Letter of Credit may occur only upon a final decision.

9.2.7 If said Letter of Credit or any subsequent Letter of Credit delivered pursuant thereto expires prior to thirty (30) months after the expiration of the term of this Franchise, it shall be renewed or replaced during the term of this Franchise to provide that it will not expire earlier than thirty (30) months after the expiration of this Franchise. The renewed or replaced Letter of Credit shall be of the same form and with a bank authorized herein and for the full amount stated in subsection 9.2.1 of this Section.

9.2.8 If the City draws upon the Letter of Credit or any subsequent Letter of Credit delivered pursuant hereto, in whole or in part, the Grantee shall replace or replenish to its full amount the same within ten (10) days and shall deliver to the City a like replacement Letter of Credit or certification of replenishment for the full amount stated in Section 9.2.1 as a substitution of the previous Letter of Credit. This shall be a continuing obligation for any withdrawals from the Letter of Credit.
9.2.9 If any Letter of Credit is not so replaced or replenished, the City may draw on said Letter of Credit for the whole amount thereof and use the proceeds as the City determines in its sole discretion. The failure to replace or replenish any Letter of Credit may also, at the option of the City, be deemed a default by the Grantee under this Franchise. The drawing on the Letter of Credit by the City, and use of the money so obtained for payment or performance of the obligations, duties and responsibilities of the Grantee which are in default, shall not be a waiver or release of such default.

9.2.10 The collection by City of any damages, monies or penalties from the Letter of Credit shall not affect any other right or remedy available to it, nor shall any act, or failure to act, by the City pursuant to the Letter of Credit, be deemed a waiver of any right of the City pursuant to this Franchise or otherwise.

9.3 Indemnification of City.

9.3.1 The City and its officers, boards, committees, commissions, elected and appointed officials, employees, volunteers and agents shall not be liable for any loss or damage to any real or personal property of any Person, or for any injury to or death of any Person, arising out of or in connection with Grantee's construction, operation, maintenance, repair or removal of the System or as to any other action of Grantee with respect to this Franchise.

9.3.2 Grantee shall indemnify, defend, and hold harmless the City and its officers, boards, committees, commissions, elected and appointed officials, employees, volunteers and agents, from and against all liability, damages, and penalties which they may legally be required to pay as a result of the City's exercise, administration, or enforcement of the Franchise.

9.3.3 In addition, Grantee shall contemporaneously with this Franchise execute an Indemnity Agreement in the form of Exhibit B, which shall indemnify, defend and hold the City harmless for any claim for injury, damage, loss, liability, cost or expense, including court and appeal costs and reasonable attorneys’ fees or reasonable expenses arising out of the actions of the City in granting this Franchise. This obligation includes any claims by another franchised cable operator against the City that the terms and conditions of this Franchise are less burdensome than another franchise granted by the city or that this Franchise does not satisfy the requirements of applicable state law(s). Grantee shall additionally indemnify, defend, and hold harmless City, its officers, boards, committees, commissions, elected officials, employees and agents, from and against all liability, damages, and penalties which they may legally be required to pay as a result of the City’s exercise, administration, or enforcement of the Franchise. On or before the Effective Date, Grantee shall execute a separate indemnity agreement in a form acceptable to the City, which shall indemnify, defend and hold the City harmless for any claim for injury, damage, loss, liability, cost or expense, including court and appeal costs and reasonable attorneys’ fees or reasonable expenses arising out of the actions of the City in granting this Franchise.
This obligation includes any claims by the incumbent cable operator against the City that the terms and conditions of this Franchise are less burdensome than the incumbent’s franchise, or that this Franchise does not satisfy the requirements of applicable state law(s).

9.3.4. Nothing in this Franchise relieves a Person from liability arising out of the failure to exercise reasonable care to avoid injuring the Grantee's facilities while performing work connected with grading, regrading, or changing the line of a Right-of-Way or public place or with the construction or reconstruction of a sewer or water system.

9.3.5 The Grantee shall not be required to indemnify the City for negligence or misconduct on the part of the City or its officers, boards, committees, commissions, elected or appointed officials, employees, volunteers or agents, including any loss or claims.

9.3.6 Related only to PEG programming, the Grantee shall not be required to indemnify the City for negligence or misconduct on the part of the City or its officers, boards, committees, commissions, elected or appointed officials, employees, volunteers or agents, including any loss or claims.

9.4 Insurance.

9.4.1 As a part of the indemnification provided in this Franchise, but without limiting the foregoing, Grantee shall file with Commission at the time of its acceptance of this Franchise, and at all times thereafter maintain in full force and effect at its sole expense, a comprehensive general liability insurance policy, that covers broadcaster’s liability and contractual liability coverage, in protection of the Grantee, the Commission, the City and its officers, elected and appointed officials, boards, commissions, commissioners, agents, employees and volunteers for any and all damages and penalties which may arise as a result of this Franchise. The policy or policies shall name the City and the Commission as an additional insured, and in their capacity as such, City and Commission officers, elected and appointed officials, boards, commissions, commissioners, agents, employees and volunteers. The broadcasters/cablecasters' liability coverage specified in this provision shall be subject to this Franchise regarding indemnification of the City.

9.4.2 The policies of insurance shall be in the sum of not less than $1,500,000.00 for personal injury or death of any one Person, and $2,000,000.00 for personal injury or death of two or more Persons in any one occurrence, $1,500,000.00 for property damage to any one person and $ 2,000,000.00 for property damage resulting from any one act or occurrence.

9.4.3 The policy or policies of insurance shall be obtained from a company licensed to do business in Minnesota. The Grantee shall provide a certificate of insurance coverage to the City. The policy shall either state that the City shall be notified in writing by the insurer thirty (30) days in
advance of any cancellation or termination of such policy or, in the alternative, Grantee shall provide immediate written notice to the City if a cancellation or termination notice is received by Grantee and Grantee shall thereafter undertake immediate steps to secure a replacement policy meeting the requirements set forth herein.

9.4.4 Grantee shall keep on file with the Commission Certificates of Insurance.

9.4.5 Failure to comply with the insurance requirements of this Section shall constitute a material violation of this Franchise.

SECTION 10. SALE, ABANDONMENT, TRANSFER AND REVOCATION OF FRANCHISE

10.1. **City's Right to Revoke.**

10.1.1 In addition to all other rights which City has pursuant to law or equity, City reserves the right to commence proceedings to revoke, terminate or cancel this Franchise, and all rights and privileges pertaining thereto, if it is determined by City that:

10.1.1.1 Grantee has violated material provisions(s) of this Franchise; or

10.1.1.2 Grantee has attempted to evade any of the provisions of the Franchise; or

10.1.1.3 Grantee has practiced fraud or deceit upon City or the Commission.

City may revoke this Franchise without the hearing required by Section 10.2.2 herein if Grantee is adjudged a bankrupt entity.

10.2. **Procedures for Revocation.**

10.2.1 The City shall provide the Grantee with written notice of a cause for revocation and the intent to revoke and shall allow Grantee thirty (30) days subsequent to receipt of the notice in which to correct the violation or to provide adequate assurance of performance in compliance with the Franchise. In the notice required herein, the City shall provide the Grantee with the basis for revocation.

10.2.2 The Grantee shall be provided the right to a public hearing affording due process before the City Council prior to the effective date of revocation, which public hearing shall follow the thirty (30) day notice provided in subparagraph 10.2.1 above. The City shall provide the Grantee with written notice of its decision together with written findings of fact supplementing said decision.

10.2.3 Only after the public hearing and upon written notice of the determination by the City to revoke the Franchise may the Grantee appeal said decision with an appropriate state or federal court or agency.
10.2.4 During the appeal period, the Franchise shall remain in full force and effect unless the term thereof sooner expires or unless continuation of the Franchise would endanger the health, safety and welfare of any Person or the public.

10.3. Abandonment of Service.

The Grantee may not abandon the System or any portion thereof without having first given three (3) months written notice to the City. The Grantee may not abandon the System or any portion thereof without compensating the City for damages resulting from the abandonment, including all costs incident to removal of the System, if required by the City pursuant to Section 10.4.

10.4. Removal After Abandonment, Termination or Forfeiture.

10.4.1 In the event of termination or forfeiture of the Franchise or abandonment of the System, the City shall have the right to require the Grantee to remove all or any portion of the System used exclusively for the provision of Cable Service from all Rights-of-Way and public property within the City.

10.4.2 If the Grantee has failed to commence removal of the System, or such part thereof as was designated by the City, within thirty (30) days after written notice of the City's demand for removal is given, or if the Grantee has failed to complete such removal within twelve (12) months after written notice of the City's demand for removal is given, the City shall have the right to apply funds secured by the Letter of Credit and Performance Bond toward removal and/or declare all right, title, and interest to the System to be in the City with all rights of ownership including, but not limited to, the right to operate the System or transfer the System to another for operation by it.

10.5. Sale or Transfer of Franchise.

10.5.1 No sale or transfer of the Franchise, or sale, transfer, or fundamental corporate change of or in Grantee, including, but not limited to, a fundamental corporate change in Grantee's parent corporation or any entity having a controlling interest in Grantee, the sale of a controlling interest in the Grantee's assets, a merger including the merger of a subsidiary and parent entity, consolidation, or the creation of a subsidiary or affiliate entity, shall take place until a written request has been filed with the City requesting approval of the sale, transfer, or corporate change and such approval has been granted or deemed granted, provided, however, that said approval shall not be required where Grantee grants a security interest in its Franchise and/or assets to secure an indebtedness. Upon notice to the City, Grantee may undertake legal changes necessary to consolidate the corporate or partnership structures of its System provided there is no change in the controlling interests which could materially alter the financial responsibilities for the Grantee and provided Grantee must seek approval of any transaction constituting a “fundamental corporate change” under state law.
10.5.2 Any sale, transfer, exchange or assignment of stock in Grantee, or Grantee's parent corporation or any other entity having a controlling interest in Grantee, so as to create a new controlling interest therein, shall be subject to the requirements of this Section 10.5. The term "controlling interest" as used herein is not limited to majority stock ownership, but includes actual working control in whatever manner exercised. In any event, as used herein, a new "controlling interest" shall be deemed to be created upon the acquisition through any transaction or related group of transactions of a legal or beneficial interest of fifteen percent (15%) or more by one Person. Acquisition by one Person of an interest of five percent (5%) or more in a single transaction shall require notice to the City.

10.5.3 The Grantee shall file, in addition to all documents, forms and information required to be filed by applicable law, the following:

10.5.3.1 All contracts, agreements or other documents that constitute the proposed transaction and all exhibits, attachments, or other documents referred to therein which are necessary in order to understand the terms thereof;

10.5.3.2 A list detailing all documents filed with any state or federal agency related to the transaction including, but not limited to, the Minnesota Public Utilities Commission (“MPUC”), the Federal Communications Commission (“FCC”), the Federal Trade Commission (“FTC”), the Federal Election Commission (“FEC”), the Securities and Exchange Commission (“SEC”) or the Minnesota Department of Transportation (“MnDOT”). Upon request, Grantee shall provide City with a complete copy of any such document; and

10.5.3.3 Any other documents or information related to the transaction as may be specifically requested by the City.

10.5.4 The City shall have such time as is permitted by federal law in which to review a transfer request.

10.5.5 Grantee shall reimburse City for all the reasonable legal, administrative, consulting costs and fees associated with the City's review of any request to transfer. Nothing herein shall prevent Grantee from negotiating partial or complete payment of such costs and fees by the transferee. Grantee may not itemize any such reimbursement on Subscriber bills, but may recover such expenses in its Subscriber rates.

10.5.6 In no event shall a sale, transfer, corporate change, or assignment of ownership or control pursuant to subsections 10.5.1 or 10.5.2 of this Section be approved without the transferee becoming a signatory to this Franchise and assuming all rights and obligations hereunder.
10.5.7 In the event of any proposed sale, transfer, corporate change, or assignment pursuant to subsection 10.5.1 or 10.5.2, the City shall have the right to purchase the System for the value of the consideration proposed in such transaction. The City's right to purchase shall arise upon City's receipt of notice of the material terms of an offer or proposal for sale, transfer, corporate change, or assignment, which Grantee has accepted. Notice of such offer or proposal must be conveyed to City in writing and separate from any general announcement of the transaction.

10.5.8 The City shall be deemed to have waived its right to purchase the System pursuant to this Section only in the following circumstances:

10.5.8.1 If City does not indicate to Grantee in writing, within sixty (60) days of receipt of written notice of a proposed sale, transfer, corporate change, or assignment as contemplated in Section 10.5.7 above, its intention to exercise its right of purchase; or

10.5.8.2 It approves the assignment or sale of the Franchise as provided within this Section.

10.5.9 No Franchise may be transferred if the City determines the Grantee is in noncompliance of the Franchise unless an acceptable compliance program has been approved by City. The approval of any transfer of ownership pursuant to this Section shall not be deemed to waive any rights of City to subsequently enforce noncompliance issues relating to this Franchise.

10.5.10 Any transfer or sale of the Franchise without the prior written consent of the City shall be considered to impair the City's assurance of due performance. The granting of approval for a transfer or sale in one instance shall not render unnecessary approval of any subsequent transfer or sale for which approval would otherwise be required.

SECTION 11.
PROTECTION OF INDIVIDUAL RIGHTS

11.1 Discriminatory Practices Prohibited.

Grantee shall not deny service, deny access, or otherwise discriminate against Subscribers or general citizens on the basis of race, color, religion, national origin, sex, age, status as to public assistance, affectional preference, or disability. Grantee shall comply at all times with all other applicable federal, State, and city laws.

11.2 Subscriber Privacy.

11.2.1 No signals, including signals of a Class IV Channel, may be transmitted from a Subscriber terminal for purposes of monitoring individual viewing patterns or practices without the express written permission of the Subscriber. Such written permission shall be for a limited period of time not to exceed one (1) year which may be renewed at the option of the Subscriber. No penalty shall be invoked for a
Subscriber's failure to provide or renew such authorization. The authorization shall be revocable at any time by the Subscriber without penalty of any kind whatsoever. Such permission shall be required for each type or classification of Class IV Channel activity planned for the purpose of monitoring individual viewing patterns or practices.

11.2.2 No lists of the names and addresses of Subscribers or any lists that identify the viewing habits of Subscribers shall be sold or otherwise made available to any party other than to Grantee or its agents for Grantee’s service business use or to City for the purpose of Franchise administration, and also to the Subscriber subject of that information, unless Grantee has received specific written authorization from the Subscriber to make such data available. Such written permission shall be for a limited period of time not to exceed one (1) year which may be renewed at the option of the Subscriber. No penalty shall be invoked for a Subscriber's failure to provide or renew such authorization. The authorization shall be revocable at any time by the Subscriber without penalty of any kind whatsoever.

11.2.3 Written permission from the Subscriber shall not be required for the conducting of System-wide or individually addressed electronic sweeps for the purpose of verifying System integrity or monitoring for the purpose of billing. Confidentiality of such information shall be subject to the provision set forth in subsection 11.2.2.

SECTION 12. UNAUTHORIZED CONNECTIONS AND MODIFICATIONS

12.1 Unauthorized Connections or Modifications Prohibited.

It shall be unlawful for any firm, Person, group, company, corporation, or governmental body or agency, without the express consent of the Grantee, to make or possess, or assist anybody in making or possessing, any unauthorized connection, extension, or division, whether physically, acoustically, inductively, electronically or otherwise, with or to any segment of the System or to receive services of the System without Grantee's authorization.

12.2 Removal or Destruction Prohibited.

It shall be unlawful for any firm, Person, group, company, or corporation to willfully interfere, tamper with, remove, obstruct, or damage, or assist thereof, any part or segment of the System for any purpose whatsoever, except for any rights the City may have pursuant to this Franchise or its police powers.
SECTION 13.
MISCELLANEOUS PROVISIONS

13.1 Franchise Renewal.

Any renewal of this Franchise shall be performed in accordance with applicable federal, State and local laws and regulations.

13.2 Work Performed by Others.

All applicable obligations of this Franchise shall apply to any subcontractor or others performing any work or services pursuant to the provisions of this Franchise, however, in no event shall any such subcontractor or other performing work obtain any rights to maintain and operate a System or provide Cable Service. The Grantee shall provide notice to the City of the name(s) and address(es) of any entity, other than Grantee, which performs substantial services pursuant to this Franchise.

13.3 Amendment of Franchise Ordinance.

The Grantee and the City may agree, from time to time, to amend this Franchise. Such written amendments may be made subsequent to a review session pursuant to Section 8.6 or at any other time if the City and the Grantee agree that such an amendment will be in the public interest or if such an amendment is required due to changes in applicable law, provided, however, nothing herein shall restrict the City's exercise of its police powers or the City's authority to unilaterally amend Franchise provisions, except the provisions of Section 4 to the extent permitted by law.

13.4 Compliance with Federal, State and Local Laws.

13.4.1 If any federal or State law or regulation shall require or permit City or Grantee to perform any service or act or shall prohibit City or Grantee from performing any service or act which may be in conflict with the terms of this Franchise, then as soon as possible following knowledge thereof, either party shall notify the other of the point in conflict believed to exist between such law or regulation. Grantee and City shall conform to State laws and rules regarding cable communications not later than one year after they become effective, unless otherwise stated, and to conform to federal laws and regulations regarding cable as they become effective.

13.4.2 In the event that federal or State laws, rules or regulations preempt a provision or limit the enforceability of a provision of this Franchise, the provision shall be read to be preempted to the extent and for the time, but only to the extent and for the time, required or necessitated by law. In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that
had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the City.

13.4.3 If any term, condition or provision of this Franchise or the application thereof to any Person or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder hereof and the application of such term, condition or provision to Persons or circumstances other than those as to whom it shall be held invalid or unenforceable shall not be affected thereby, and this Franchise and all the terms, provisions and conditions hereof shall, in all other respects, continue to be effective and complied with provided the loss of the invalid or unenforceable clause does not substantially alter the agreement between the parties. In the event such law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision which had been held invalid or modified is no longer in conflict with the law, rules and regulations then in effect, said provision shall thereupon return to full force and effect and shall thereafter be binding on Grantee and City without further action by the City.

13.4.4 The City and Grantee shall, at all times during the term of this Franchise, including all extensions and renewals thereof, comply with applicable federal, State and local laws and regulations.

13.5 Nonenforcement by City.

Grantee shall not be relieved of its obligations to comply with any of the provisions of this Franchise by reason of any failure or delay of City to enforce prompt compliance. City may only waive its rights hereunder by expressly so stating in writing. Any such written waiver by City of a breach or violation of any provision of this Franchise shall not operate as or be construed to be a waiver of any subsequent breach or violation.

13.6 Rights Cumulative.

All rights and remedies given to City by this Franchise or retained by City herein shall be in addition to and cumulative with any and all other rights and remedies, existing or implied, now or hereafter available to City, at law or in equity, and such rights and remedies shall not be exclusive, but each and every right and remedy specifically given by this Franchise or otherwise existing or given may be exercised from time to time and as often and in such order as may be deemed expedient by City and the exercise of one or more rights or remedies shall not be deemed a waiver of the right to exercise at the same time or thereafter any other right or remedy.

13.7 Grantee Acknowledgment of Validity of Franchise.

The Grantee acknowledges that it has had an opportunity to review the terms and conditions of this Franchise and that under current law Grantee believes that said terms and
conditions are not unreasonable or arbitrary, and that Grantee believes City has the power to make the terms and conditions contained in this Franchise.

13.8 **Force Majeure.**

The Grantee shall not be deemed in default of provisions of this Franchise or the City Code where performance was rendered impossible by war or riots, labor strikes or civil disturbances, floods, or other causes beyond the Grantee's control, and the Franchise shall not be revoked or the Grantee penalized for such noncompliance, provided that the Grantee, when possible, takes immediate and diligent steps to bring itself back into compliance and to comply as soon as possible, under the circumstances, with the Franchise without unduly endangering the health, safety and integrity of the Grantee's employees or property, or the health, safety and integrity of the public, the Rights-of-Way, public property or private property.

13.9 **Governing Law.**

This Franchise shall be governed in all respects by the law of the State of Minnesota.

13.10 **Captions and References.**

13.10.1 The captions and headings sections throughout this Franchise are intended solely to facilitate reading and reference to the sections and provisions of this Franchise. Such captions shall not affect the meaning or interpretation of this Franchise.

13.10.2 When any provision of the City Code is expressly mentioned herein, such reference shall not be construed to limit the applicability of any other provision of the City Code that may also govern the particular matter in question.

13.11 **Rights of Third Parties.**

This Franchise is not intended to, and shall not be construed to, grant any rights to or vest any rights in third parties, unless expressly provided herein.

13.12 **Merger of Documents.**

This Franchise, and the attachments hereto, constitute the entire Franchise agreement between the City and the Grantee, and supersede all prior oral or written franchises and understandings.

SECTION 14.

**PUBLICATION EFFECTIVE DATE; ACCEPTANCE AND EXHIBITS**

14.1 **Publication.**

This Franchise shall be published in accordance with applicable local and Minnesota law.

14.2 **Acceptance.**
14.2.1 Grantee shall accept this Franchise within thirty (30) days of its enactment by the City Council and the enactment of a Franchise by the other member municipalities of the Commission, unless the time for acceptance is extended by the City. Such acceptance by the Grantee shall be deemed the grant of this Franchise for all purposes; provided, however, this Franchise shall not be effective until all City ordinance adoption procedures are complied with and all applicable timelines have run for the adoption of a City ordinance. In the event acceptance does not take place, or should all ordinance adoption procedures and timelines not be completed, this Franchise and any and all rights granted hereunder to the Grantee shall be null and void.

14.2.2 Upon acceptance of this Franchise, the Grantee and the City shall be bound by all the terms and conditions contained herein. The Grantee agrees that this Franchise is not inconsistent with applicable law or regulations at the time it is executed.

14.2.3 Grantee shall accept this Franchise in the following manner:

14.2.3.1 This Franchise will be properly executed and acknowledged by Grantee and delivered to City.

14.2.3.2 With its acceptance, Grantee shall also deliver any grant payments, performance bond and insurance certificates required herein that are due but have not previously been delivered.

14.3 Binding Acceptance.

This Franchise shall bind and benefit the parties hereto and their respective authorized heirs, beneficiaries, administrators, executors, receivers, trustees, successors and assigns.

Passed and adopted this 15th day of November, 2016.

THIS INDEMNIFICATION AGREEMENT is made this ___ day of ________________, 2016, by and between Qwest Broadband Services, Inc., a Delaware Corporation, party of the first part, hereinafter called “CenturyLink,” and the Quad Cities Cable Communications Commission, a Minnesota municipal joint powers commission, hereinafter called “Commission,” and the City of Andover, hereinafter called “Member City,” together party of the second part.

WITNESSETH:

WHEREAS, the Commission has recommended that the Member City award to Qwest Broadband Services, Inc. a franchise for the operation of a cable communications system in the Member City; and

WHEREAS, the Commission has recommended and the Member City has required, as a condition of its award of a cable communications franchise, that the Commission and Member City be indemnified with respect to all claims and actions arising from the award of said franchise.

NOW THEREFORE, in consideration of the foregoing promises and the mutual promises contained in this agreement and in consideration of entering into a cable television franchise agreement and other good and valuable consideration, receipt of which is hereby acknowledged, CenturyLink hereby agrees, at its sole cost and expense, to fully indemnify, defend and hold harmless the Commission and the Member City, their officers, boards, commissions, employees and agents against any and all claims, suits, actions, liabilities and judgments for damages, cost or expense (including, but not limited to, court and appeal costs and reasonable attorneys’ fees and disbursements assumed or incurred by the Commission and the Member City in connection therewith) arising out of the actions of the Commission and the Member City in granting a franchise to CenturyLink. This includes any claims by another franchised cable operator against the City that the terms and conditions of the CenturyLink franchise are less burdensome than another franchise granted by the Commission or that the CenturyLink Franchise does not satisfy the requirements of applicable federal, state, or local law(s). The indemnification provided for herein shall not extend or apply to any acts of the Commission constituting a violation or breach by the Commission of the contractual provisions of the franchise ordinance, unless such acts are the result of a change in Applicable Law, the order of a court or administrative agency, or are caused by the acts of CenturyLink.

The Commission shall give CenturyLink reasonable notice of the making of any claim or the commencement of any action, suit or other proceeding covered by this agreement. The Commission shall cooperate with CenturyLink in the defense of any such action, suit or other proceeding at the request of CenturyLink. The Commission and Member City may participate in the defense of a claim, but if CenturyLink provides a defense at CenturyLink’s expense then CenturyLink shall not be liable for any attorneys’ fees, expenses or other costs that the Commission and the Member City may incur if it chooses to participate in the defense of a claim, unless and until separate representation is required. If separate representation to fully protect the interests of both parties is or
becomes necessary, such as a conflict of interest, in accordance with the Minnesota Rules of Professional Conduct, between the Commission and the counsel selected by CenturyLink to represent the Commission and/or the Member City, Century Link shall pay, from the date such separate representation is required forward, all reasonable expenses incurred by the Commission and the Member City in defending itself with regard to any action, suit or proceeding indemnified by CenturyLink. Provided, however, that in the event that such separate representation is or becomes necessary, and the Commission or the Member City desires to hire a counselor any other outside experts or consultants and desires CenturyLink to pay those expenses, then the Commission and/or Member City shall be required to obtain CenturyLink's consent to the engagement of such counsel, experts or consultants, such consent not to be unreasonably withheld. Notwithstanding the foregoing, the parties agree that the Commission and/or the Member City may utilize at any time, at its own cost and expense, its own attorney or outside counsel with respect to any claim brought by another franchised cable operator as described in this agreement.

The provisions of this agreement shall not be construed to constitute an amendment of the cable communications franchise ordinance or any portion thereof but shall be in addition to and independent of any other similar provisions contained in the cable communications franchise ordinance or any other agreement of the parties hereto. The provisions of this agreement shall not be dependent or conditioned upon the validity of the cable communications franchise ordinance or the validity of any of the procedures or agreements involved in the award or acceptance of the franchise, but shall be and remain a binding obligation of the parties hereto even if the cable communications franchise ordinance or the grant of the franchise is declared null and void in a legal or administrative proceeding.

It is the purpose of this agreement to provide maximum indemnification to the Commission and the Member City under the terms set out herein and, in the event of a dispute as to the meaning of this Indemnity Agreement, it shall be construed, to the greatest extent permitted by law, to provide for the indemnification of the Commission and the Member City by CenturyLink. This agreement shall be a binding obligation of and shall inure to the benefit of, the parties hereto and their successor's and assigns, if any.
