LOT LINE ADJUSTMENT REQUEST FORM

A Lot Line Adjustment involves the moving of interior lot lines for residential or commercial property and may be approved by the City Planner if all three of the following are met:

- a. The adjustment does not create any additional buildable lots; and
- b. The adjustment does not create any lot which is below the standards for the applicable zoning district in which it lies; and
- c. The lot line adjustment would not have an adverse effect on the surrounding property.

Prior to the submittal of this application it is required that the property owner meet with Planning Department staff to determine the eligibility and requirements for the lot line adjustment.

Application Requirements:

- Completed / executed Lot Line Adjustment Request Form
- Current and proposed legal descriptions:
 - (1) hard copy
 - (1) digital copy (Microsoft Word format)
- Survey of the properties involved in the lot line adjustment:
 - (1) full size survey
 - (1) reduction no larger than 11" x 17"
- Payment of Lot Line Adjustment Fee: **\$150.00**
